Textbook Information

Pencils, paper, calculator, and a 3 ring binder are required for this class.

The very best calculator for this and future math courses is the TI-83 plus or TI-84. This costs around \$80. Another option is the TI 30X IIS which should be \$12. Both types are available at Wal-Mart, Staples, etc.

There is not a classroom set of calculators, so calculators will not be provided.
