Tennessee Promise is both a scholarship and mentoring program focused on increasing the number of students that attend college in our state. It provides students a last-dollar scholarship, meaning the scholarship will cover tuition and fees not covered by the Pell grant, the HOPE scholarship, or state student assistance funds. Students may use the scholarship at any of the state's 13 community colleges, 27 colleges of applied technology, or other eligible institution offering an associate's degree program.

**Free Tuition with
TN Promise**
