We are excited about participating in a productive partnership with you to ensure our children achieve to their highest potential, both academically and socially. As partners, we share the responsibility for your child's success and we want you to know that we value, above all else, the well-being of all of our children. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready to learn.
- 2) Completes all homework assignments.
- 3) Reads daily to develop a love for reading and in order to improve literacy skills.
- 4) Shares school experiences with you so that you are aware of his/her school life.
- 5) Knows that you expect him/her to succeed in school.
- 6) Follows the rules/guidelines as addressed in this handbook which follow Rhea County School Board Policy (SBP).

The following pages contain information about SCMS that will prove helpful throughout the year. All necessary information pertaining to the school's operations are included in the handbook along with the discipline procedures, cafeteria information and other helpful information related to the successful function of our school.

Please read this handbook and discuss all necessary materials with your children. Parents and students must sign the policy form at the end of this handbook stating you have read the material and understand the procedures. Please feel free to contact me or your child's teacher if you have any questions regarding school policies or procedures at 365-9105.

The Spring City Middle Staff and I feel honored to be a part of this school family and we thank you for your support throughout the school year.

Respectfully,

Lesia K. Garrison, Principal

OUR VISION

In partnership with our families and community, we are creating a culture of college and career readiness, where everyone is a learner and everyone is a leader!

OUR MISSION

The mission of Spring City Middle School is to create a positive learning environment where all students are valued, motivated, and challenged to achieve academically to their highest potential while demonstrating responsible citizenship. Ultimately, our children will be our future problem solvers who must work collaboratively to find solutions to ever changing problems in our local and global communities.

PARENT-TEACHER CONFERENCES

Spring City Middle welcomes your requests for conferences. Please schedule all conferences by calling the office at 423-365-9105. The secretary will assist you in arranging a conference with your child's teacher. Two parent-teacher conferences are scheduled for this year. Scheduling appointments will begin two weeks prior to the conference dates. Appointments are also available as needed with each teacher.

Fall Date: Wednesday, October 25, 2017

Spring Date: Wednesday, March 21, 2018

PROTECTION OF CLASSROOM INSTRUCTIONAL TIME

We have limited time to ensure that your child is progressing toward mastery of state mandated academic skills. It is imperative for your child to be in school each day and for the faculty and staff of SCMS to make sure the time we are with your child is protected. We will make it a priority to limit interruptions and events that create a disruption to classroom instructional time. Visitors will not be allowed to meet with teachers without scheduled conferences. These conferences need to occur during the planning period of the designated teacher. Your help and support in this matter would be greatly appreciated, as we all work together to optimize instructional time.

CHARACTER EDUCATION

Recognizing that character is very important, SCMS is committed to working with the parents and community in promoting character development of all students. Each month one student from each class will be selected as the person who best exemplifies the character trait of that month. This student will be recognized quarterly at our Celebration Assembly, in the local newspaper and on specific bulletin boards throughout our school.

AGENDA PLANNERS

The agenda planner is designed to assist students in organizing school related information such as homework and assignments. Students learn how to organize daily activities, set goals and effectively manage their time by using the agenda. The most important function of the agenda planner is to create a daily means of communication between the school and parents. It is the responsibility of your child to write daily assignments in their agenda and share that information with you, as needed.

PARENT PORTAL

In order to obtain access to your child's daily grades you must see our school secretary to obtain a permission form. Due to the confidentiality of student information this form can only be obtained in person, with proper identification. **PLEASE take advantage of this communication by visiting our school secretary.**

WITHDRAWAL

If a student is transferring out of our school, it is necessary for the parent or guardian to withdraw the child from school. Parents should call the school at least one day before the child is to withdraw to obtain instructions for proper withdrawing procedure.

SCHOOL CLOSING

In the event of inclement weather or mechanical breakdown, school may start late, dismiss early or close. These changes will be announced using various media outlets, please follow us on Facebook, *Spring City Middle School @SCMSTop Dog*. A school cast message will also be sent out, notifying all parents and students of the situation. Please make sure you and your child have a plan for early dismissal.

SCHOOL HOURS

During normal operation, the school day begins at 8:00 a.m. and ends at 2:58 p.m. The first bell will ring at 7:50 a.m. and the tardy bell will ring at 8:00 a.m. If a student arrives after the tardy bell, they must get a pass from the front office before being admitted to their classroom.

CAR RIDERS: MORNING DROP-OFF PROCEDURES

Students who are car riders in the morning are to be unloaded in the front of the school in the drive-thru area ONLY. The early duty faculty and staff will begin receiving students at 7:35 a.m. each morning; therefore, no students should be dropped off prior to 7:35 a.m. Students should be prepared to exit the car immediately having already

gathered up any necessary materials. All students MUST exit the car on the passenger side onto the sidewalk. **IT IS IMPERATIVE FOR THE SAFETY OF OUR CHILDREN THAT NO STUDENT IS DROPPED OFF PRIOR TO 7:35 a.m.**

USE OF VIDEO CAMERAS

Video cameras are being used throughout the building and will be used to monitor student behavior in school vehicles transporting students to and from school or extracurricular activities. Video surveillance is used only to promote the order, safety and security of students, staff and property.

CHANGE OF TRANSPORTATION

In order to maintain the safety of our children, there will be no transportation changes taken over the telephone. If you need to change your child's transportation send a note to school with your child. Your child must bring that note to the office to be signed and copied in the morning. If it is necessary for a student to ride a bus that is different from the regularly scheduled one, parents are to send a note specifically requesting that the student be permitted to ride that bus. The note is then given to the driver when boarding the bus. If a student forgets a note giving this permission, he/she will be placed on the bus that the student rides regularly. Students who normally ride a bus need a note from a parent/guardian if doing anything other than riding the bus.

SCMS administrative staff must have a note from the custodial parents any time there is a transportation change. **Please keep your child's emergency contact card updated because only individuals listed on the student emergency card will be allowed to pick-up your child.**

CAR RIDERS: AFTERNOON PICK-UP PROCEDURES

In an effort to ensure that all students leave the building safely, car riders will be held in the gym until the SCMS buses have left the premises. At this time, car riders will be dismissed from the gym to be picked up by their parent/guardians at the back of the school. Parents should not begin to line-up until 3 p.m. Parents and middle school students must communicate clearly and assume responsibility for who they ride home with in the afternoon. Students should never attempt to ride home with anyone without parental permission.

TEXTBOOKS

Students are responsible for the textbooks they are issued during this academic year. Textbooks should be handled with care as students will be responsible for any loss or damage to any book.

HOMEWORK and MAKE-UP WORK

Current studies related to middle school achievement and best educational practices have verified the importance of daily, meaningful, engaging homework. Students can expect to spend at least one hour each school night on homework.

Students are expected to complete all make-up work for absences. It is the student's responsibility to see the teacher to get their make-up assignments. Make-up work will not be given in advance. If a student misses one day, the student is given one day to make-up their assignments. If the student is to be absent more than one day, parents may call the school prior to 10:00 a.m. on the **second** day to have make-up assignments prepared. Assignments may be picked up after 2:00 p.m. on that day. Students are given make-up time equal to the number of days missed; however, during a family crisis the teacher and administrator reserve the right to extend make-up time in order to accommodate families in crisis.

GRADING SYSTEM

Report Cards will be sent out each nine weeks (see attached schedule) and midterm reports are sent out approximately four and a half weeks into each nine week grading period. (This is subject to change due to missed days during the year.)

The grading scale per SBP is as follows:

A	93-100
B	85-92
C	75-84
D	70-74
F	0-69

HONOR ROLL

SCMS recognizes students on A/B Honor Roll and Straight A Honor Roll, each nine weeks during our quarterly Celebration Assembly. Honor students are also recognized via a bulletin board and in the local newspaper.

RESPONSE TO INTERVENTION (RTI) AND THE TIER SYSTEM

In an effort to improve reading and math achievement at Spring City Middle School, we will be utilizing a variety of strategies and approved interventions to track and document your student's progress in reading and math. The school will have an RTI Coordinator

that will work with classroom teachers to give additional support to students through the Tier System. All students will receive 90 minutes of rigorous Tier I instruction and students that need additional support will receive an additional 30 minutes for Tier II and 45 minutes for Tier III. Parents will be notified regarding the Tiered instruction their child is receiving.

NATIONAL BETA CLUB

The Junior Beta Club is the junior division of the National Beta Club. The National Beta Club organization recognizes academic achievement, promotes character and develops leadership skills through school and community service projects. Membership in this club is an honor and a privilege to those students who demonstrate moral and ethical character, academic achievement and exhibit a commendable attitude. Students who are invited to join the Jr. Beta Club must maintain A/B honor roll each grading period, strive to promote the standards set forth by the organization and pay a one-time national membership fee of \$15. For more information on the National Beta Club, please call the school sponsor and/or check on the following website: www.Betaclub.org.

EMERGENCY PROCEDURES

DISASTER AWARENESS

In the event of any type of disaster that would require the faculty and students of Spring City Middle School to relocate, a plan has been developed and tested. Students will be taken to a designated reunification point where parents can follow check-out procedures and pick up their child. The School Cast Notification System will be used to notify parents of the reunification point and the nature of the emergency.

EMERGENCY DRILLS

In compliance with state mandates and with the safety of our children as a priority, SCMS will conduct full evacuation fire drills at least one time every 30 days with two fire drills occurring within the first days of the school year. There will also be biannual lock down drills, and biannual weather related drills. During emergency drills students are expected to explicitly follow the teacher's directions and the directions of local emergency personnel. Students who are not compliant with emergency drill instructions will be dealt with through immediate disciplinary action.

GENERAL INFORMATION

VISITORS

Visitors must be prepared to provide identification upon entering the building in the main office. All visitors will adhere to proper sign-in and sign-out procedures and conduct their business in the school promptly. At SCMS, we will reserve the right to refuse entry to anyone unable to provide proper identification or appropriate justification for visiting our school. The safety of our children is a **PRIORITY**, therefore, please be patient with us when we ask for proper identification.

ATTENDANCE

Attendance is the key to a successful school year. Attendance accompanied by the responsibility to study and participate in school activities is essential to the learning process. Immediately upon returning to school after being absent, students must submit to the guidance teacher (front office) a written excuse signed by a parent or guardian stating the reason or the absence. Students will have five (5) days of excused absences each school year. All absences over five (5) days will be unexcused except for the following:

Excused absences are:

1. Personal illness (limit of 5 days per year)
2. Doctor excuses
3. Death in the family
4. Extreme weather conditions
5. Religious observances
6. Circumstances, which in the judgment of the principal, create emergencies over which the student has no control

Truancy is defined as absence from school without an adequate excuse. Habitual Truancy is defined as: absence from school for five (5) days during the school year without excuse; absence from a single class for ten (10) days without adequate excuse; or tardiness to school or for an individual class for twenty (20) days without excuse.

State mandated law requires that school officials report to the director of schools any parent, guardian, or other person in parental relationship with a child who is unlawfully absent from school for any five (5) days during the school year (this means aggregate of 5 days) without adequate excuse.

After five (5) unexcused absences, the principal will notify the parent in writing of the child's absences. If the principal deems the absences to be unexcused according to Rhea County Board of education policy, the case will be referred to the Attendance Supervisor and the parent(s) or guardian(s) may be subpoenaed to juvenile court.

Students are given a perfect attendance reward at the end of each year if they have not missed any days. SCMS will maintain compliance with SPB, 6.2, as it is updated.

TARDY

The tardy bell rings at 8:00 a.m. Students should be in their classroom and in their seat by the time this bell rings. If students are tardy, they must go directly to the office to sign in and receive an admission to class pass. A note explaining the reason for being late should be signed by the parent/guardian. Chronic tardiness will result in an office referral. Accumulation of five (5) tardies will cause a day of ISS to be assigned. Continued excessive tardiness to school is considered truancy and will be referred to appropriate county officials.

RELEASE DURING SCHOOL HOURS

The following procedure will be observed with regard to dismissal of students:

- 1) No student will leave school prior to regular dismissal, except with the approval of the principal and parents. Students may be dismissed prior to dismissal time only in the company of a parent, legal guardian, school employee, police officer, court officer, or a person designated in writing by the parent(s).
- 2) When dental and medical appointments cannot be scheduled outside school hours, parents must send a written request for dismissal or come get the student in person.
- 3) Students will be released only upon the request of the parent whom the court holds directly responsible for the child, or who is the parent or guardian registered on the school record. No principal or teacher shall permit a change in the physical custody of a child at school unless: The person seeking custody of the child presents the school official with a certified copy of a valid court order from a Tennessee court designating the person who has custody of the child; and the person seeking custody gives the school official reasonable advanced notice of his/her intent to take custody of the child at school.
- 4) No student will be checked out, just to leave ahead of the buses.

Skipping school, skipping class, or leaving the school grounds without permission is strictly prohibited and will be dealt with as truancy. In most instances, students are taken to Juvenile Detention when these occur. **Excessive tardiness, excessive early checkouts, or unexcused absences will be considered as truancy and may be referred to the truancy board or Juvenile Court.**

Please review the Rhea County Board of Education policy (SBP, 6.200). You can find the policy at www.rheacounty.org.

LOCKERS

A designated locker will be assigned to each student at the beginning of the school year. All lockers are the property of SCMS and are therefore subject to be searched and examined at any time throughout the school year.

Notice shall be posted in each school that lockers and other storage areas are school property and are subject to search. (SBP, 6.303)

NURSE CLINIC

Spring City Middle has a clinic staffed by a full time nurse; however, no care beyond first aid is provided at school. If a student needs to go home due to illness or injury, our nurse will contact a person listed on the Emergency Information Card or the Health Information Request Form. In cases of a serious accident, the nurse will immediately summon a physician or an ambulance in cases when a student must be transported for health care immediately. Students must have a nurse pass when they come to the nurse. The nurse **MUST** have a Health Information Request Form on all students.

MEDICINE AT SCHOOL

All medication is to be kept and dispensed by the nurse. In compliance with the State Guidelines, all medications are limited to those required during school hours. Also, all non-prescription drugs given in school shall be brought in the original container, unopened with the original label (listing the ingredients, dose schedule and child's name) affixed to the container.

Prescription medication must be brought to school in the **original, pharmacy labeled container**. The container shall display: Child's name, prescription number, medication name and dosage, administration route or other directions, date, licensed prescriber's name, pharmacy name, address and phone number. The parent/guardian must complete the necessary form provided by the nurse for both prescription and non-prescription drugs. Any prescription medicine needed for long-term use will require a doctor's signature and medication form. These forms can be picked up in the school clinic.

Any medicine needed during the school year must be brought in by the parent/guardian to the nurse's clinic. Your child may not carry medicine with them with the exception of an inhaler, if the appropriate form is filled out. If a student brings any medicine to school, the medicine will not be given. Any medicine brought in without the items listed above will not be given. This is for the safety of all children.

Use of a drug authorized by a medical prescription from a registered physician and administered by our nurse shall not be a violation of Spring City Middle School drug policies. Intoxication from abuse of prescribed drugs shall be considered in the same manner as intoxication from illegally obtained substances. **REMEMBER---All medication must be registered with the school nurse. Anyone who has any kind of medication that has NOT been registered with the school nurse will be subject to strict disciplinary action.**

WHEN TO KEEP CHILDREN HOME FROM SCHOOL

These guidelines are from Dr. Robert Key at the Mayo Clinic. Keep your children at home if they:

- 1) Throw up two or more times in 24 hours or are not able to keep normal foods or drinks down. They should be free from vomiting for 24 hours before returning to school.
- 2) Have a fever of 100 or more. **They should be fever-free for 24 hours before returning to school, without fever reducing medication.** Lack of a fever is usually a good indicator the child will not spread a cold, flu or disease.
- 3) Have severe coughing or trouble breathing.
- 4) Have stomach pains that last more than two hours.
- 5) Have open sores in the mouth.
- 6) Have repeated diarrhea for at least a day.
- 7) Have an unexplained skin rash or red eye.

IMMUNIZATIONS

“No Shots, No School” Students must have proof of immunizations that are up-to-date.

PEDICULOSIS (HEAD LICE) POLICY

In compliance with SBP, 6.4031, SCMS will endeavor to minimize the risk of transmitting head lice by notifying the parent if a child has an infestation. A letter shall be sent home explaining the condition, requirements for readmission and deadlines for satisfactory completion of the treatment.

Prior to readmission evidence of treatment must be submitted to school personal that; (1) proof of treatment with a pediculosis product, or (2) satisfactory examination by a school health official. A student shall be expected to have met all requirements for treatment and return to school no later than two (2) days following exclusion for head lice. Additional days beyond the two day allowable period will result in unexcused absences.

Customer's payment by check is customer's express acceptance of the terms and shall serve as customer's authorization for the electronic collection and /or demand draft on customer's account.

SELLING/SOLICITING BY STUDENTS

Students are not permitted to sell items or to solicit pledges or donations from other students or staff during school hours, whether in the building or on the bus to and from school. **Prior permission from the principal for any fund raisers must be obtained and aligned to current SBP.**

MONEY IN SCHOOL

All students are strongly advised to bring only enough money to school to buy additional lunch items. Every year, there are students who bring large amounts of money and "lose" it at school. This creates a huge disruption in the educational day and is very stressful for parents and guardians. Please do not allow your child to bring excessive amounts of money to school. SCMS assumes no responsibility for "lost" money.

PAYMENTS OR FINES AND CHARGES

All money owed to SCMS should be paid as soon as possible. This includes cafeteria charges, library book replacement fees, textbook replacement fees, outstanding fund raising proceeds and other such charges.

BEHAVIORAL EXPECTATIONS AND GUIDELINES

Students are expected to be **respectful, responsible and ready**. Respectful behaviors include; using appropriate volume when speaking, removing hats/hoods when entering the building, keeping hands, feet, and objects to self, walking while inside the school building and treating others as you wish to be treated. Responsible behaviors include; arriving to class on time, having needed classroom assignments and materials, daily, following individual classroom rules/procedures and accepting personal responsibility for your actions. Having a positive attitude toward the school environment enables students to be “ready” to learn. **All individual classroom rules at SCMS fall under being respectful, responsible and ready.**

SCHOOL WIDE POSITIVE BEHAVIOR SUPPORT (PBS)

The faculty at SCMS understands that we are, at all times, to model R-E-S-P-E-C-T. A team approach to teaching expectations and preventing behavior problems will also be used at SCMS to circumvent negative behaviors.

SCMS loses instructional time when distributing consequences, writing referrals, telephoning parents, parent conferences, etc., and we plan to make daily efforts to **praise positive behaviors**. Through this incentive program we hope to use less time on disseminating consequences and more time being creative and enthusiastic in our planning of engaging activities. The focus of our PBS program will be to teach through example and reward positive student behaviors/attitudes.

Students will earn in-class incentives (at teacher’s discretion) and will also participate in a quarterly reward, within grade level. However, students who receive any office referrals which result in out of school suspension or in school suspension will **automatically be eliminated from PBS activities for that quarter.**

SCMS intends to follow the established Rhea County School Board Policy (SBP, 6.313) in addressing all discipline issues in the upcoming 2017-18 school year. School Board Policy specifically categorizes levels of misbehavior and disciplinary procedures in order to protect all members of the educational community in the exercise of their rights and duties.
