Dual Enrollment Grant (DEG):

- High school juniors and seniors may take four (4) dual enrollment courses without affecting their Hope Scholarship funding.
- For additional DEG funding beyond one (1) course per semester, the student must qualify for the HOPE Scholarship and provide appropriate documentation. The HOPE Scholarship requires a public school high school GPA of 3.0 or an ACT composite score of 21. Home school students must have an ACT composite score of 21.
- High school juniors and seniors must submit a dual enrollment grant application online for the appropriate semester with the Tennessee Student Assistance Corporation (TSAC) prior to submitting this agreement.
- Funding for the additional courses beyond four (4) courses, will be reduced from the student's HOPE Scholarship on a dollar for dollar basis during the student's freshman year of college.

I understand the information contained in this Additional Courses and Funding Agreement. I authorize Columbia State Community College to use my dual enrollment funding provided by TSAC for 2 courses totaling up to \$600. I understand that I must submit an online dual enrollment grant application to TSAC prior to submitting this agreement. I understand that TSAC must submit these additional funds in order for transcripts to be released to me or my high school and for my account balance to be cleared.
