

Supplies, Materials, Lockers & Backpacks

All students at Sadler Means Young Women's Leadership Academy are required to **bring materials to school every day**. Students **may choose to carry a backpack**. If a student chooses not to carry a backpack, we still require that she carry a **binder** to ensure that materials and supplies are not lost. We will be assigning **lockers** to allow the student to store school materials. The **student agenda** needs to be brought to school daily and will be used with the binder to help students organize their classwork.

Required Supply List(Schoolwide-for student's personal use)

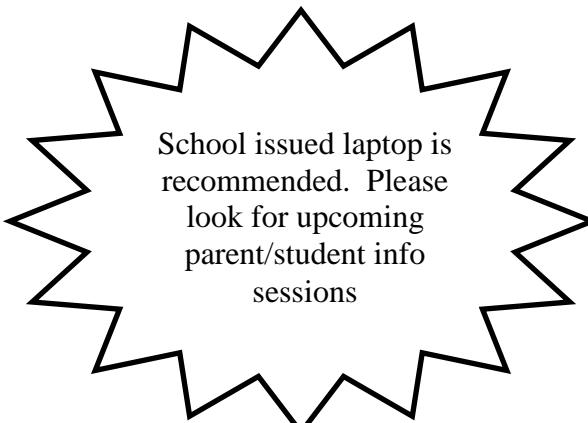

- 1 weather resistant backpack
(large enough for school laptop and binder)
- 1-3 inch binder (D-ring optional)
