Dear AISD Families of 2018 High School Graduates,

The 2018 commencement ceremonies are around the corner! The journey that our students started many years ago will culminate in a very special ceremony that recognizes their accomplishments and marks the start of their new beginning as they transition to college, careers, and life.

The commencement exercises will take place at the Frank Erwin Center on the UT campus (1701 Red River St. Austin, TX 78701). We anticipate that there will be traffic congestion and limited parking spaces. In order to alleviate traffic and parking issues, we have developed a transportation plan that will allow our students and families to ride a shuttle bus to the Frank Erwin Center. The shuttle buses will start running three hours before each graduation at a location near your child's high school campus (see table below). **This service will be free to AISD families.** We strongly encourage you to use this service as it will eliminate parking issues, decrease traffic congestion, and allow you to be dropped off at the entrance of the Frank Erwin Center.
