

We would like to congratulate our Brock Junior High School Student Council for being elected Texas Association of Student Council District III Parliamentarian. This is a great honor for our STUCO and our school!!!

Reminder....next Friday was originally a snow day/student holiday. We will now be in school that day in order to make up for the bad weather days which occurred the first semester.

We are excited to announce Brock ISD will have a guest speaker to discuss the importance of proper internet, social media, etc. usage. The speaker will also have a public forum that night in which she will have a presentation on this subject for any parent or community member.
