Technology / Social Media

We, at Brock ISD, are asking all parents to review the BISD technology policy with their children. With our Bring Your Own Technology plan, we would like to remind everyone that cell phones are to only be used during school hours with the permission of their child's teacher. Any other usage of these devices will be handled as our BISD policy states. For a complete explanation of the BISD cell phone policy please access our BISD Student Handbook at the BISD website. We would also encourage everyone to monitor their child's usage of social media. There are many great social media avenues such as Facebook, Twitter, Instagram, etc. which can be entertaining as well as educational. These sites can also be troublesome if used inappropriately. Short conversations about this subject can make a huge impact. Thank you!

*Please remember that we have National Honors Society tutors available on Wednesday afternoons in the BJH Library.
