

We have had another great week at BJH. On Wednesday we had the Rock Bottom Outreach assembly come to speak with our students about making good choices. I think the students really enjoyed this and were able to draw a great deal from the speakers. We also had our first round of benchmark testing. Please talk with your child about their results. We are excited about the many academic gains in which our students continue to make. If you have any questions on these results please feel free to contact your child's teacher. Last night both our boys and girls basketball teams were in action vs. Paradise. I am happy to report that all of our teams were victorious!!!

### *Next Week's Events*

BJH Canned Food Drive will be all week.
