

We had an exciting end of the school week!!! Over 100 BJH students were in Garland to support our Lady Eagle volleyball team yesterday at the state tournament. Our students did an outstanding job of representing our school and our community. I am truly proud of them and their support of our programs. We are coming up on Thanksgiving break next week so please keep in mind our canned food drive will be coming to an end. If you would like to contribute please do so by then. Thanks for the smooth early release today. We appreciate everyone's patience in this situation. These decisions are made in order to keep our kids safe. Thanks for insuring their safety throughout this process.
