

Happy Friday everyone!

It has been another busy week at Brock Junior High and as we move into November and December it seems that things move faster and faster.

The BJH Football team finished their season this past week with both the 7th and 8th grade Eagles completing the season undefeated. It is the first time that both teams finished the season with undefeated records. Congratulations on a great season!

This past weekend the Brock band students represented in a **BIG WAY!** This was the first time BISS has competed in a UIL band competition event and the Eagles did great. Those students receiving chair placement during this competition will be participating in a college clinic this weekend. Great job!!

Basketball season is now upon us. The BJH Lady Eagles started their season last night against Millsap and the boys will have their season opener at home on Thursday, November 14th. Good Luck this season!!
