**Mission:**
We challenge and encourage each student to achieve academic excellence, interpersonal and technical skills, and responsible citizenship.

**Beliefs:**

*In CISD, we believe that…*
- All students have the right to a well-rounded, high quality education.
- It is important to adapt to the changing environment while maximizing the available resources.
- The purpose of public education is to develop life-long learners and productive citizens to sustain a strong economy and a democratic society.
- All students can learn in engaging, interactive environments through varied methodologies.
- Students need to be critical thinkers and problem solvers to function successfully in an ever changing global society.
- All students deserve a safe, nurturing learning environment.
- Partnerships among school staff, parents/guardians and community are vital to a quality education.
- All students and staff function effectively in an environment of mutual respect and positive relationships.
Vision:
All CISD graduates apply the knowledge, skills, and attitudes to be self-reliant and thrive as dynamic global citizens.

Learner Outcomes:
1. All students demonstrate the skills in the learner profile.
2. All students demonstrate lifelong learning.
3. All students demonstrate personal and academic growth.
4. All students will engage in service to the community.
5. All students will explore, select and achieve desired career pathways.

Learner Profile:
The learner:
- thinks critically
- communicates effectively
- collaborates
- demonstrates responsibility
- exhibits good social and life skills
- problem solves
- adapts effectively
- innovates
- is resourceful
- sets goals
- is financially responsible
- is technologically proficient

Goals:
1. We will develop a system where each child has a customized plan for challenging learning that facilitates his/her educational process and pursuits aligned to desired career pathways.
2. We will provide a nurturing, engaging, interactive learning environment using varied methodologies which will encourage mutual respect and positive relationships.
3. We will provide the most up-to-date training and technology for our students and teachers.
4. We will develop partnerships that will further our call to action.
5. We will hold all staff and students to the highest standards and expectations.
6. We will have a highly qualified staff and become completely student centered.
7. We will evaluate all existing programs and retain those aligned with our call to action.
The mission of Calallen ISD is to challenge and encourage each student to achieve academic excellence, interpersonal and technical skills, and responsible citizenship. This is accomplished through the work of high-performing, collaborative teachers who set goals and embrace innovative design. CISD teachers create relationships, are student-centered, and provide a nurturing, engaging, interactive learning environment using varied methodologies which encourages mutual respect and positive relationships as teachers prepare students for a global future.

CONTRACTUAL DISCLAIMER

The provisions and information set forth in this handbook are intended to be informational and not contractual in nature. Thus, this handbook is not intended, and shall not be construed, to constitute a contract between the Calallen Independent School District and any student, prospective student, agency of the local, state, or federal government, or any other person or legal entity of any and every nature whatsoever.

The District hereby reserves and retains the right to amend, alter, change, delete or modify any of the provisions of this handbook at any time, from time to time, without notice, in any manner that the Administration or the Board of Trustees of the District deem to be in the best interest of the District.

Students and parents are required to acknowledge that they have received and read the Student Handbook by electronically signing through Skyward. (Student Code of Conduct Acknowledgment Form, Directory Information, Notice To Students and Parents Regarding Drug Free Schools)
PREFACE

To Students and Parents:

Welcome to the 2017-2018 school year! Education is a team effort, and we know that students, parents, teachers, and other staff members all working together can make this a wonderfully successful year for our students.

The Calallen ISD Middle School Student Handbook is designed to provide basic information that you and your child will need during the school year. The handbook is divided into two sections:

Section I—PARENTAL RIGHTS—with information to assist you in responding to school-related issues. We encourage you to take some time to closely review this section of the handbook.

Section II—OTHER IMPORTANT INFORMATION FOR STUDENTS AND PARENTS—organized alphabetically by topic, and, where possible, further divided by applicability to ages and/or grade levels, for quick access when searching for information on a specific issue.

Please be aware that the term “parent,” unless otherwise noted, is used to refer to the parent, legal guardian, any person granted some other type of lawful control of the student, or any other person who has agreed to assume school-related responsibility for a student.

Both students and parents should become familiar with the Calallen ISD Student Code of Conduct, which is a document adopted by the board and intended to promote school safety and an atmosphere for learning. That document may be found on the district’s website at www.calallan.org and is available in hard copy upon request.

The Student Handbook is a general reference guide only and is designed to be in harmony with board policy and the Student Code of Conduct. Please be aware that it is not a complete statement of all policies, procedures, or rules that may be applicable in a given circumstance.

In case of conflict between board policy (including the Student Code of Conduct) and any provisions of the Student Handbook, the provisions of board policy and the Student Code of Conduct are to be followed.

Please be aware that the Student Handbook is updated yearly, while policy adoption and revision may occur throughout the year. The district encourages parents to stay informed of proposed board policy changes by attending board meetings. Changes in policy or other rules that affect Student Handbook provisions will be made available to students and parents through newsletters or other communications. The district reserves the right to modify provisions of the Student Handbook at any time, whenever it is deemed necessary. Notice of any revision or modification will be given as is reasonably practical under the circumstances.

Although the Student Handbook may refer to rights established through law or district policy, the Student Handbook does not create any additional rights for students and parents. It does not, nor is it intended to, create contractual or legal rights between any student or parent and the district.

If you or your child has questions about any of the material in this handbook, please contact a teacher, the school counselor, or the principal.
Also, please complete and return to your child’s campus the following forms provided in the forms packet distributed at the beginning of the year or upon the student’s enrollment:

1. Acknowledgment Form OR Acknowledgment of Electronic Distribution of Student Handbook form;
3. Parent’s Objection to the Release of Student Information to Military Recruiters and Institutions of Higher Education form, if you choose to restrict the release of information to these entities; and

[See Objecting to the Release of Directory Information and Consent Required Before Student Participation in a Federally Funded Survey, Analysis, or Evaluation for more information.]

Note: References to policy codes are included so that parents can refer to current board policy. The district’s official policy manual is available for review in the superintendent’s office, and an unofficial electronic copy is available at www.calallen.org.
SECTION I: PARENTAL RIGHTS

This section of the Calallen ISD Middle School Student Handbook includes information related to certain rights of parents as specified in state or federal law.

CONSENT, OPT-OUT, AND REFUSAL RIGHTS

Consent to Conduct a Psychological Evaluation
A district employee will not conduct a psychological examination, test, or treatment without obtaining prior written parental consent unless the examination, test, or treatment is required under state or federal law regarding requirements for special education or by the Texas Education Agency (TEA) for child abuse investigations and reports.

Consent to Display a Student’s Original Works and Personal Information
Teachers may display students’ work, which may include personally identifiable student information, in classrooms or elsewhere on campus as recognition of student achievement.

However, the district will seek parental consent before displaying students’ artwork, special projects, photographs taken by students, original videos or voice recordings, and other original works on the district’s website, a website affiliated or sponsored by the district, such as a campus or classroom website, and in district publications, which may include printed materials, videos, or other methods of mass communication.

Consent to Receive Parenting and Paternity Awareness Instruction if Student is Under Age 14
A child under the age of 14 must have parental permission to receive instruction in the district’s parenting and paternity awareness program; otherwise, the child will not be allowed to participate in the instruction. This program, developed by the Office of the Texas Attorney General and the State Board of Education (SBOE), is incorporated into the district’s health education classes.

Consent to Video or Audio Record a Student When Not Otherwise Permitted by Law
State law permits the school to make a video or voice recording without parental permission for the following circumstances:

- When it is to be used for school safety;
- When it relates to classroom instruction or a co-curricular or extracurricular activity; or
- When it relates to media coverage of the school. ; or
- When it relates to the promotion of student safety as provided by law for a student receiving special education services in certain settings.

The district will seek parental consent through a written request before making any video or voice recording of your child not otherwise allowed by law.
Prohibiting the Use of Corporal Punishment

Corporal punishment may be used as a discipline management technique in accordance with this policy and the Student Code of Conduct.

Corporal punishment shall only be administered to a student whose parent has submitted to the principal a signed statement for the current school year consenting to the use of corporal punishment with his or her child. The parent may revoke consent to use corporal punishment at any time during the school year by submitting a signed statement to the principal.

Even with a signed consent, the District may impose alternative disciplinary measures other than the administration of corporal punishment.

Corporal punishment shall be limited to spanking or paddling the student and shall be administered in accordance with the following guidelines:

1. The student shall be told the reason corporal punishment is being administered.
2. Corporal punishment shall be administered only by the principal or designee.
3. The instrument to be used in administering corporal punishment shall be approved by the principal.
4. Corporal punishment shall be administered in the presence of one other District professional employee and in a designated place out of view of other students.

If you want corporal punishment to be administered to your child as a method of student discipline, please return the form found on-line at www.calallen.org OR submit a written statement to the campus principal stating this decision. A signed statement must be provided each year if you want corporal punishment to be administered to your child.

You may choose to revoke this prohibition at any time during the year by providing a signed statement to the campus principal.

NOTE: If the district is made aware that a student is in temporary or permanent conservatorship (custody) of the state, through foster care, kinship care, or other arrangements, corporal punishment shall not be administered, even when a signed statement prohibiting its use has not been submitted by the student’s caregiver or caseworker.

Limiting Electronic Communications with Students by District Employees

Teachers and other approved employees are permitted by the district to communicate with students through the use of electronic media within the scope of the individual’s professional responsibilities. For example, a teacher may set up a social networking page for his or her class that has information related to class work, homework, and tests. As a parent, you are welcome to join or become a member of such a page.

An employee described above may also contact a student individually through electronic media to communicate about items such as homework or upcoming tests. The employee is required to include his or her immediate supervisor and the student’s parent as recipients on all text messages.
If you prefer that your child not receive any one-to-one electronic communications from a district employee or if you have questions related to the use of electronic media by district employees, please contact the campus principal.

**Objecting to the Release of Directory Information**

The Family Educational Rights and Privacy Act, or FERPA, permits the district to disclose appropriately designated “directory information” from a child’s education records without written consent. “Directory information” is information that is generally not considered harmful or an invasion of privacy if released. Examples include a student’s photograph for publication in the school yearbook; a student’s name and grade level for purposes of communicating class and teacher assignment; the name, weight, and height of an athlete for publication in a school athletic program; a list of student birthdays for generating school wide or classroom recognition; a student’s name and photograph posted on a district-approved and managed social media platform; and the names and grade levels of students submitted by the district to a local newspaper or other community publication to recognize the A/B honor roll for a specific grading period. Directory information will be released to anyone who follows procedures for requesting it.

However, a parent or eligible student may object to the release of a student’s directory information. This objection must be made in writing to the principal within ten school days of your child’s first day of instruction for this school year. [See the “Notice Regarding Directory Information and Parent’s Response Regarding Release of Student Information” included in the forms packet.]

As allowed by state law, the district has identified two directory information lists—one for school-sponsored purposes and the second for all other requests. For all district publications and announcements, the district has designated the following as directory information: yearbook, parent newsletter, and school website. If you do not object to the use of your child’s information for these limited school-sponsored purposes, the school will not need to ask your permission each time the district wishes to use the information for the school-sponsored purposes listed above.

For all other purposes, the district has identified the following as directory information: child’s name, photograph, and grade level. If you do not object to the use of your child’s information for these purposes, the school must release this information when the school receives a request from an outside entity or individual.

Also review the information at **Authorized Inspection and Use of Student Records**
Participation in Third-Party Surveys

Consent Required Before Student Participation in a Federally Funded Survey, Analysis, or Evaluation

Your child will not be required to participate without parental consent in any survey, analysis, or evaluation—funded in whole or in part by the U.S. Department of Education—that concerns:

- Political affiliations or beliefs of the student or the student’s parent.
- Mental or psychological problems of the student or the student’s family.
- Sexual behavior or attitudes.
- Illegal, antisocial, self-incriminating, or demeaning behavior.
- Critical appraisals of individuals with whom the student has a close family relationship.
- Relationships privileged under law, such as relationships with lawyers, physicians, and ministers.
- Religious practices, affiliations, or beliefs of the student or parents.
- Income, except when the information is required by law and will be used to determine the student’s eligibility to participate in a special program or to receive financial assistance under such a program.

You will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation. [For further information, see policy EF (LEGAL).]

“Opting Out” of Participation in Other Types of Surveys or Screenings and the Disclosure of Personal Information

As a parent, you have a right to receive notice of and deny permission for your child’s participation in:

- Any survey concerning the private information listed above, regardless of funding.
- School activities involving the collection, disclosure, or use of personal information gathered from your child for the purpose of marketing, selling, or otherwise disclosing that information. NOTE: This does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.
- Any nonemergency, invasive physical examination or screening required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student. Exceptions are hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law. [See policies EF and FFAA.]

As a parent, you may inspect a survey created by a third party before the survey is administered or distributed to your child.
REMOVING A STUDENT FROM INSTRUCTION OR EXCUSING A STUDENT FROM A REQUIRED COMPONENT OF INSTRUCTION

Human Sexuality Instruction

As a part of the district’s curriculum, students receive instruction related to human sexuality. The School Health Advisory Council (SHAC) is involved with the selection of course materials for such instruction.

State law requires that any instruction related to human sexuality, sexually transmitted diseases, or human immunodeficiency virus or acquired immune deficiency syndrome must:

- Present abstinence from sexual activity as the preferred choice of behavior in relationship to all sexual activity for unmarried persons of school age;
- Devote more attention to abstinence from sexual activity than to any other behavior;
- Emphasize that abstinence is the only method that is 100 percent effective in preventing pregnancy, sexually transmitted diseases, and the emotional trauma associated with adolescent sexual activity;
- Direct adolescents to a standard of behavior in which abstinence from sexual activity before marriage is the most effective way to prevent pregnancy and sexually transmitted diseases; and
- If included in the content of the curriculum, teach contraception and condom use in terms of human use reality rates instead of theoretical laboratory rates.

In accordance with state law, below is a summary of the district’s curriculum regarding human sexuality instruction:

In accordance with state law, below is a summary of the Calallen Middle School’s curriculum regarding human sexuality instruction:

Calallen Middle School students are shown a video dealing with early adolescent development. The video is presented during their Physical Education class. Male and female students are separated and shown the pertinent video with appropriate supervision:

After viewing the video, students have an opportunity to ask the teacher / nurse questions.

As a parent, you are entitled to review the curriculum materials. In addition, you may remove your child from any part of the human sexuality instruction with no academic, disciplinary, or other penalties. You may also choose to become more involved with the development of curriculum used for this purpose by becoming a member of the district’s SHAC. Please see the campus principal for additional information.

**Reciting a Portion of the Declaration of Independence in Grades 6-8**

You may request that your child be excused from recitation of a portion of the Declaration of Independence. State law requires students in social studies classes in grades 6-8 to recite a portion of the text of the Declaration of Independence during Celebrate Freedom Week unless (1) you provide a written statement requesting that your child be excused, (2) the district determines that your child has a conscientious objection to the recitation, or (3) you are a representative of a foreign government to whom the United States government extends diplomatic immunity. [See policy EHBK (LEGAL).]

**Reciting the Pledges to the U.S. and Texas Flags**

As a parent, you may request that your child be excused from participation in the daily recitation of the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. The request must be in writing. State law does not allow your child to be excused from participation in the required minute of silence or silent activity that follows. [See Pledges of Allegiance and a Minute of Silence policy EC (LEGAL).]

**Religious or Moral Beliefs**

You may remove your child temporarily from the classroom if an instructional activity in which your child is scheduled to participate conflicts with your religious or moral beliefs. The removal cannot be for the purpose of avoiding a test and may not extend for an entire semester. Further, your child must satisfy grade-level and graduation requirements as determined by the school and by state law.
**Tutoring or Test Preparation**

Based on informal observations, evaluative data such as grades earned on assignments or tests, or results from diagnostic assessments, a teacher may determine that a student is in need of additional targeted assistance in order for the student to achieve mastery in state-developed essential knowledge and skills. The school will always attempt to provide tutoring and strategies for test-taking in ways that prevent removal from other instruction as much as possible. In accordance with state law and policy EC, the school will not remove a student from a regularly scheduled class for remedial tutoring or test preparation for more than ten percent of the school days on which the class is offered, unless the student’s parent consents to this removal.

The school may also offer tutorial services, which students whose grades are below 70 will be required to attend.

[Also refer to policies EC and EHBC, and contact your student’s teacher with questions about any tutoring programs provided by the school.]

**RIGHT OF ACCESS TO STUDENT RECORDS, CURRICULUM MATERIALS, AND DISTRICT RECORDS/POLICIES**

**Instructional Materials**

As a parent, you have a right to review teaching materials, textbooks, and other teaching aids and instructional materials used in the curriculum, and to examine tests that have been administered to your child.

You are also entitled to request that the school allow your child to take home any instructional materials used by the student. If the school determines that sufficient availability exists to grant the request, the student must return the materials at the beginning of the next school day if requested to do so by the child’s teacher.

**Notices of Certain Student Misconduct to Noncustodial Parent**

A noncustodial parent may request in writing that he or she be provided, for the remainder of the school year, a copy of any written notice usually provided to a parent related to his or her child’s misconduct that may involve placement in a disciplinary alternative education program (DAEP) or expulsion. [See policy FO (LEGAL) and the Student Code of Conduct.]

**Participation in Federally Required, State-Mandated, and District Assessments**

You may request information regarding any state or district policy related to your child’s participation in assessments required by federal law, state law, or the district.
Student Records

Accessing Student Records

You may review your child’s student records. These records include:

- Attendance records,
- Test scores,
- Grades,
- Disciplinary records,
- Counseling records,
- Psychological records,
- Applications for admission,
- Health and immunization information,
- Other medical records,
- Teacher and school counselor evaluations,
- Reports of behavioral patterns,
- State assessment instruments that have been administered to your child, and
- Teaching materials and tests used in your child’s classroom.

Authorized Inspection and Use of Student Records

A federal law, known as the Family Educational Rights and Privacy Act, or FERPA, affords parents and eligible students certain rights with respect to the student’s education records. For purposes of student records, an “eligible” student is one who is 18 or older or who is attending an institution of postsecondary education. These rights, as discussed in this section as well as at Objecting to the Release of Directory Information are:

- The right to inspect and review student records within 45 days after the day the school receives a request for access.
- The right to request an amendment to a student record the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of FERPA.
- The right to provide written consent before the school discloses personally identifiable information from the student’s records, except to the extent that FERPA authorizes disclosure without consent.
• The right to file a complaint with the U.S. Department of Education concerning failures by the school to comply with FERPA requirements. The name and address of the office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

Both FERPA and state laws safeguard student records from unauthorized inspection or use and provide parents and eligible students certain rights of privacy. Before disclosing any personally identifiable information from a student’s records, the district must verify the identity of the person, including a parent or the student, requesting the information.

Virtually all information pertaining to student performance, including grades, test results, and disciplinary records, is considered confidential educational records.

Inspection and release of student records is primarily restricted to an eligible student or a student’s parents—whether married, separated, or divorced—unless the school is given a copy of a court order terminating parental rights or the right to access a student’s education records.

Federal law requires that, as soon as a student becomes 18, is emancipated by a court, or enrolls in a postsecondary institution, control of the records goes to the student. The parents may continue to have access to the records, however, if the student is a dependent for tax purposes and under limited circumstances when there is a threat to the health and safety of the student or other individuals.

FERPA permits the disclosure of personally identifiable information from a student’s education records, without written consent of the parent or eligible student, in the following circumstances:

• When district school officials have what federal law refers to as a “legitimate educational interest” in a student’s records. School officials would include board members and employees, such as the superintendent, administrators, and principals; teachers, school counselors, diagnosticians, and support staff (including district health or district medical staff); a person or company with whom the district has contracted or allowed to provide a particular institutional service or function (such as an attorney, consultant, third-party vendor that offers online programs or software, auditor, medical consultant, therapist, school resource officer, or volunteer); a parent or student serving on a school committee; or a parent or student assisting a school official in the performance of his or her duties. “Legitimate educational interest” in a student’s records includes working with the student; considering disciplinary or academic actions, the student’s case, or an individualized education program for a student with disabilities; compiling statistical data; reviewing an educational record to fulfill the official’s professional responsibility to the school and the student; or investigating or evaluating programs.

• To authorized representatives of various governmental agencies, including juvenile service providers, the U.S. Comptroller General’s office, the U.S. Attorney General’s office, the U.S. Secretary of Education, TEA, the U.S. Secretary of Agriculture’s office, and Child Protective Services (CPS) caseworkers or other child welfare representatives, in certain cases.
• To individuals or entities granted access in response to a subpoena or court order.
• To another school, school district/system, or institution of postsecondary education to which a student seeks or intends to enroll or in which he or she is already enrolled.
• In connection with financial aid for which a student has applied or which the student has received.
• To accrediting organizations to carry out accrediting functions.
• To organizations conducting studies for, or on behalf of, the school, in order to develop, validate, or administer predictive tests; administer student aid programs; or improve instruction.
• To appropriate officials in connection with a health or safety emergency.
• When the district discloses information it has designated as directory information [see Objecting to the Release of Directory Information for opportunities to prohibit this disclosure].

Release of personally identifiable information to any other person or agency—such as a prospective employer or for a scholarship application—will occur only with parental or student permission as appropriate.

The principal is custodian of all records for currently enrolled students at the assigned school. The principal is the custodian of all records for students who have withdrawn or graduated.

A parent or eligible student who wishes to inspect the student’s records should submit a written request to the records custodian identifying the records he or she wishes to inspect. Records may be inspected by a parent or eligible student during regular school hours. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records.

A parent or eligible student who provides a written request and pays copying costs of ten cents per page may obtain copies. If circumstances prevent inspection during regular school hours and the student qualifies for free or reduced-price meals, the district will either provide a copy of the records requested or make other arrangements for the parent or student to review these records. The address of the superintendent’s office is 4205 Wildcat Dr., Corpus Christi, TX 78410

The address of the principal’s office is: 4602 Cornett Dr., Corpus Christi, TX 78410.

A parent (or eligible student) may inspect the student’s records and request a correction or amendment if the records are considered inaccurate, misleading, or otherwise in violation of the student’s privacy rights. A request to correct a student’s record should be submitted to the appropriate records custodian. The request must clearly identify the part of the record that should be corrected and include an explanation of how the information in the record is inaccurate. If the district denies the request to amend the records, the parent or eligible student has the right to request a hearing. If the records are not amended as a result of the hearing, the parent or eligible student has 30 school days to exercise the right to place a statement commenting on the information in the student’s record.

Although improperly recorded grades may be challenged, contesting a student’s grade in a course or on an examination is handled through the general complaint process found in policy FNG(LOCAL). A grade issued by a classroom teacher can be changed only if, as determined by
the board of trustees, the grade is arbitrary, erroneous, or inconsistent with the district’s grading policy. [See FINALITY OF GRADES at FNG (LEGAL), Report Cards/Progress Reports and Conferences, and Complaints and Concerns for an overview of the process.]

The district’s policy regarding student records found at policy FL is available from the principal’s or superintendent’s office or on the district’s website at www.calallen.org.

The parent’s or eligible student’s right of access to and copies of student records do not extend to all records. Materials that are not considered educational records—such as a teacher’s personal notes about a student that are shared only with a substitute teacher—do not have to be made available to the parents or student.

**Teacher and Staff Professional Qualifications**

You may request information regarding the professional qualifications of your child’s teachers, including whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and whether the teacher is currently teaching in the field of discipline of his or her certification. You also have the right to request information about the qualifications of any paraprofessional who may provide services to your child.

**STUDENTS WITH EXCEPTIONALITIES OR SPECIAL CIRCUMSTANCES**

**Children of Military Families**

Children of military families will be provided flexibility regarding certain district requirements, including:

- Immunization requirements.
- Grade level, course, or educational program placement.
- Eligibility requirements for participation in extracurricular activities.
- Graduation requirements.

In addition, absences related to a student visiting with his or her parent, including a stepparent or legal guardian, who has been called to active duty for, is on leave from, or is returning from a deployment of at least four months will be excused by the district. The district will permit no more than five excused absences per year for this purpose. For the absence to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent’s return from deployment.

Additional information may be found at Military Family Resources at the Texas Education Agency.

**Parental Role in Certain Classroom and School Assignments**

**Multiple Birth Siblings**

As a parent, if your children are multiple birth siblings (e.g., twins, triplets, etc.) assigned to the same grade and campus, you may request that they be placed either in the same classroom or in
separate classrooms. Your written request must be submitted no later than the 14th day after the enrollment of your children. [See policy FDB (LEGAL).]

**Safety Transfers/Assignments**

As a parent, you may:

- Request the transfer of your child to another classroom or campus if your child has been determined by the district to have been a victim of bullying as the term is defined by Education Code 37.0832. Transportation is not provided for a transfer to another campus. See the principal for information.

- Consult with district administrators if your child has been determined by the district to have engaged in bullying and the board decides to transfer your child to another classroom or campus. Transportation is not provided for a transfer to another campus. [See Bullying policy FDB, and policy FFI.]

- Request the transfer of your child to attend a safe public school in the district if your child attends school at a campus identified by TEA as persistently dangerous or if your child has been a victim of a violent criminal offense while at school or on school grounds. [See policy FDE.]

- Request the transfer of your child to another district campus or a neighboring district if your child has been the victim of a sexual assault by another student assigned to the same campus, whether the assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for that assault. If the victim does not wish to transfer, the district will transfer the assailant in accordance with policy FDE.

**Service/Assistance Animal Use by Students**

A parent of a student who uses a service/assistance animal because of the student’s disability must submit a request in writing to the principal at least ten district business days before bringing the service/assistance animal on campus.

**Students Who Have Learning Difficulties or Who Need Special Education Services**

If a student is experiencing learning difficulties, his or her parent may contact the person listed below to learn about the district’s overall general education referral or screening system for support services. This system links students to a variety of support options, including making a referral for a special education evaluation. For those students having difficulty in the regular classroom schools must consider tutorial, compensatory, and other academic or behavior support services that are available to all students, including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of districts to meet the needs of all struggling students.

A parent may request an evaluation for special education services at any time. If a parent makes a written request to a school district’s director of special services or to a district administrative employee for an initial evaluation for special education services, the school must, not later than the 15th school day after the date the school receives the request, either give the prior written notice of its proposal to evaluate the student, a copy of the Notice of Procedural Safeguards, and
the opportunity for the parent to give written consent for the evaluation or must give the parent prior written notice of its refusal to evaluate the student and a copy of the Notice of Procedural Safeguards.

If the school decides to evaluate the student, the school must complete the initial evaluation and the resulting report no later than 45 school days from the day the school receives a parent’s written consent to evaluate the student. However, if the student is absent from school during the evaluation period for three or more school days, the evaluation period must be extended by the number of school days equal to the number of school days that student is absent.

There is an exception to the 45 school day timeline. If the school receives a parent’s consent for the initial evaluation at least 35 but less than 45 school days before the last instructional day of the school year; the school must complete the written report and provide a copy of the report to the parent by June 30 of that year. However, if the student is absent from school for three or more days during the evaluation period, the June 30th due date no longer applies. Instead, the general timeline of 45 school days plus extensions for absences of three or more days will apply.

Upon completion, the school must give you a copy of the evaluation report at no cost.

Additional information regarding special education is available from the school district in a companion document titled Parent’s Guide to the Admission, Review, and Dismissal Process.

The following websites provide information to those who are seeking information and resources specific to students with disabilities and their families:

- Texas Project First
- Partners Resource Network

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education services is the Special Programs Director at 361-242-5600

Students Who Receive Special Education Services with Other School-Aged Children in the Home

If a student is receiving special education services at a campus outside his or her attendance zone, the parent or guardian may request that any other student residing in the household be transferred to the same campus, if the appropriate grade level for the transferring student is offered on that campus. However, the district is not required to provide transportation to the other children in the household. The parent or guardian should speak with the principal of the school regarding transportation needs prior to requesting a transfer for any other children in the home. [See policy FDB(LOCAL).]

Students Who Speak a Primary Language Other than English

A student may be eligible to receive specialized support if his or her primary language is not English, and the student has difficulty performing ordinary class work in English. If the student qualifies for these extra services, the Language Proficiency Assessment Committee (LPAC) will determine the types of services the student needs, including accommodations or modifications related to classroom instruction, local assessments, and state-mandated assessments.
Students With Physical or Mental Impairments Protected under Section 504

A child determined to have a physical or mental impairment that substantially limits a major life activity, as defined by law, and who does not otherwise qualify for special education services, may qualify for protections under Section 504 of the Rehabilitation Act. Section 504 is a federal law designed to prohibit discrimination against individuals with disabilities. When an evaluation is requested, a committee will be formed to determine if the child is in need of services and supports under Section 504 to receive a free appropriate public education (FAPE), as this is defined in federal law.

The designated person to contact regarding a referral for evaluation applicable to Section 504 is the campus counselor at your child’s campus the address is: 4602 Cornett Dr., Corpus Christi, TX 78410.

[See policy FB.]
SECTION II: OTHER IMPORTANT INFORMATION FOR STUDENTS AND PARENTS

Topics in this section of the Student Handbook contain important information on academics, school activities, and school operations and requirements. Take a moment with your child to become familiar with the various issues addressed in this section. It is organized in alphabetical order to serve as a quick-reference when you or your child has a question about a specific school-related issue. Where possible, the topics are also organized to alert you to the applicability of each topic based on a student’s age or grade level. Should you be unable to find the information on a particular topic, please contact your school’s office (Calallen Middle School 361-242-5672)

ABSENCES/ATTENDANCE

Regular school attendance is essential for a student to make the most of his or her education—to benefit from teacher-led and school activities, to build each day’s learning on the previous day’s, and to grow as an individual. Absences from class may result in serious disruption of a student’s mastery of the instructional materials; therefore, the student and parent should make every effort to avoid unnecessary absences. Two state laws—one dealing with the required presence of school-aged children in school, e.g., compulsory attendance, the other with how a child’s attendance affects the award of a student’s final grade or course credit—are of special interest to students and parents. They are discussed below.

Compulsory Attendance

Between Ages 6 and 19

State law requires that a student between the ages of 6 and 19 attend school, as well as any applicable accelerated instruction program, extended year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

State law requires attendance in an accelerated reading instruction program when kindergarten, first grade, or second grade students are assigned to such a program. Parents will be notified in writing if their child is assigned to an accelerated reading instruction program as a result of a diagnostic reading instrument.

A student will be required to attend any assigned accelerated instruction program, which may occur before or after school or during the summer, if the student does not meet the passing standards on the state assessment for his or her grade level and/or applicable subject area.

Prekindergarten and Kindergarten

Students enrolled in prekindergarten or kindergarten are required to attend school and are subject to the compulsory attendance requirements as long as they remain enrolled.

Exemptions to Compulsory Attendance

All Grade Levels

State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:
• Religious holy days;
• Required court appearances;
• Activities related to obtaining United States citizenship;
• Documented health-care appointments for the student or a child of the student, including absences for recognized services for students diagnosed with autism spectrum disorders. A note from the health-care provider must be submitted upon the student’s arrival or return to campus; and
• For students in the conservatorship (custody) of the state,
  o Mental health or therapy appointments; or
  o Court-ordered family visitations or any other court-ordered activity, provided it is not practicable to schedule the student’s participation in the activity outside of school hours.

As listed in Section I at Children of Military Families, absences of up to five days will be excused for a student to visit with a parent, stepparent, or legal guardian who has been called to duty for, is on leave from, or immediately returned from certain deployments. See page 29 for that section.

**Failure to Comply with Compulsory Attendance**

**All Grade Levels**

School employees must investigate and report violations of the state compulsory attendance law. A student absent without permission from school; from any class; from required special programs, such as additional special instruction, termed “accelerated instruction” by the state; or from required tutorials will be considered in violation of the compulsory attendance law and subject to disciplinary action.

A court of law may also impose penalties against both the student and his or her parents if a school-aged student is deliberately not attending school. A complaint against the parent may be filed in court if the student:

• Is absent without excuse from school on ten or more days or parts of days within a six-month period in the same school year, or
• Is absent without excuse on three or more days or parts of days within a four-week period.

For a student younger than 12 years of age, the student’s parent could be charged with an offense based on the student’s failure to attend school.

If a student age 12 through age 18 violates the compulsory attendance law, both the parent and student could be charged with an offense.

[See policy FEA(LEGAL).]
Attendance for Credit or Final Grade (Kindergarten Through Grade 12)

To receive credit or a final grade in a class, a student in kindergarten–grade 12 must attend at least 90 percent of the days the class is offered. A student who attends at least 75 percent but fewer than 90 percent of the days the class is offered may receive credit or a final grade for the class if he or she completes a plan, approved by the principal that allows the student to fulfill the instructional requirements for the class. If a student is involved in a criminal or juvenile court proceeding, the approval of the judge presiding over the case will also be required before the student receives credit or a final grade for the class.

If a student attends less than 75 percent of the days a class is offered or has not completed the plan approved by the principal, then the student will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit or a final grade lost because of absences. [See policy FEC.]

In determining whether there were extenuating circumstances for the absences, the attendance committee will use the following guidelines:

- All absences, whether excused or unexcused, must be considered in determining whether a student has attended the required percentage of days. If makeup work is completed, absences for the reasons listed above at Exemptions to Compulsory Attendance will be considered extenuating circumstances for purposes of attendance for credit or the award of a final grade.
- A transfer or migrant student begins to accumulate absences only after he or she has enrolled in the district.
- In reaching a decision about a student’s absences, the committee will attempt to ensure that it is in the best interest of the student.
- The committee will review absences incurred based on the student’s participation in board-approved extracurricular activities. These absences will be considered by the attendance committee as extenuating circumstances in accordance with the absences allowed under FM(LOCAL) if the student made up the work missed in each class.
- The committee will consider the acceptability and authenticity of documented reasons for the student’s absences.
- The committee will consider whether the absences were for reasons over which the student or the student’s parent could exercise any control.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student or parent will be given an opportunity to present any information to the committee about the absences and to talk about ways to earn or regain credit or a final grade.

The student or parent may appeal the committee’s decision to the board by following policy FNG(LOCAL).
The actual number of days a student must be in attendance in order to receive credit or a final grade will depend on whether the class is for a full semester or for a full year.

**Official Attendance-Taking Time**

The district must submit attendance of its students to the TEA reflecting attendance at a specific time each day.

Official attendance is taken every day at 10:00 a.m.

A student absent for any portion of the day, including at the official attendance-taking time, should follow the procedures below to provide documentation of the absence.

**Documentation after an Absence**

When a student is absent from school, the student—upon arrival or return to school—must bring a note signed by the parent that describes the reason for the absence. A note signed by the student, even with the parent’s permission, will not be accepted unless the student is 18 or older or is an emancipated minor under state law. A phone call from the parent may be accepted, but the district reserves the right to require a written note.

The campus will document in its attendance records for the student whether the absence is considered by the district to be excused or unexcused. NOTE: Unless the absence is for a statutorily allowed reason under compulsory attendance laws, the district is not required to excuse any absence, even if the parent provides a note explaining the absence.

**Doctor’s Note after an Absence for Illness**

Within five days of returning to school, a student absent for more than five consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student’s extended absence from school. Otherwise, the student’s absence may be considered unexcused and, if so, would be considered to be in violation of compulsory attendance laws.

Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the student’s absence from school in order to determine whether the absence or absences will be excused or unexcused. [See policy FEC(LOCAL).]

**ACADEMIC DISHONESTY**

Students found to have engaged in academic dishonesty shall be subject to grade and disciplinary penalties. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination. Plagiarism is the use of another person's original ideas or writing as one's own without giving credit to the true author. Plagiarism will be considered cheating. Both plagiarism and cheating will result in loss of credit for the work in question and be subject to disciplinary action.

When cheating, if both parties are aware of the occurrence, both parties will receive the same consequences. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or other supervising professional employee, taking into consideration written materials, observation, or information from students.
ACCOUNTABILITY UNDER STATE AND FEDERAL LAW

Calallen ISD and each of its campuses are held to certain standards of accountability under state and federal law. A key component of the accountability requirements is the dissemination and publication of certain reports and information, which include:

- The Texas Academic Performance Report (TAPR) for the district, compiled by TEA, the state agency that oversees public education, based on academic factors and ratings;
- A School Report Card (SRC) for each campus in the district compiled by TEA based on academic factors and ratings;
- The district’s financial management report, which will include the financial accountability rating assigned to the district by TEA;
- The performance ratings of the district’s evaluation of community and student engagement using the indicators required by law; and
- Information compiled by TEA for the submission of a federal report card that is required by federal law.

Information about all of these can be found on the district’s website at www.calallen.org. Hard copies of any reports are available upon request to the district’s administration office.

TEA also maintains additional accountability and accreditation information at TEA Performance Reporting Division and the TEA homepage.

AWARDS AND HONORS

Academic Awards

Students should be encouraged to be successful in their academic program and rewards are good incentives to do well. Rewards may be of several types: verbal, posting good work, stickers, and other spontaneous methods.

Each nine weeks, students in grades 1-5 who make 90 or higher in all core subjects graded numerically will be recognized as being on the “A” Honor Roll. Students who make 80 or above in all core subjects and 90 or above in at least one core subject graded numerically will be recognized as being on the “A-B” Honor Roll. Conduct and handwriting grades do not keep a student off the honor rolls.

At the end of the year, the following awards will be presented:

1. An “All A Honor Roll” certificate will be presented to students who higher in core subjects graded numerically. Conduct and handwriting grades do not keep a student off the honor roll. The certificate is the “All A Honor Roll” certificate and will be presented at the awards assembly.
2. An “A-B Honor Roll” certificate will be presented to students who have maintained a combination of A Honor Roll and A-B Honor roll for each nine weeks. Students must have at least one A for a student to be considered for the A-B Honor Roll. Conduct and handwriting grades do not keep a student off the honor roll.
BULLYING

Bullying occurs when a student or group of students engages in written or verbal expression, expression through electronic methods, or physical conduct against another student on school property, at a school-sponsored or -related activity, or in a district operated vehicle, and the behavior:

- Results in harm to the student or the student’s property,
- Places a student in reasonable fear of physical harm or of damage to the student’s property, or
- Is so severe, persistent, and pervasive that it creates an intimidating, threatening, or abusive educational environment.

This conduct is considered bullying if it exploits an imbalance of power between the student perpetrator(s) and the student victim and if it interferes with a student’s education or substantially disrupts the operation of the school.

Bullying is prohibited by the district and could include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name-calling, rumor-spreading, or ostracism. In some cases, bullying can occur through electronic methods, called “cyberbullying.”

If a student believes that he or she has experienced bullying or has witnessed bullying of another student, it is important for the student or parent to notify a teacher, school counselor, principal, or another district employee as soon as possible to obtain assistance and intervention. The administration will investigate any allegations of bullying or other related misconduct.

If the results of an investigation indicate that bullying has occurred, the administration will take appropriate disciplinary action. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying. The district will also contact the parents of the victim and of the student who was found to have engaged in the bullying. Available counseling options will be provided to these individuals, as well as to any students who have been identified as witnesses to the bullying.

Any retaliation against a student who reports an incident of bullying is prohibited.

Upon the recommendation of the administration, the board may, in response to an identified case of bullying, decide to transfer a student found to have engaged in bullying to another classroom at the campus. In consultation with the student’s parent, the student may also be transferred to another campus in the district. The parent of a student who has been determined by the district to be a victim of bullying may request that his or her child be transferred to another classroom or campus within the district. [See Safety Transfers/Assignments.]

A copy of the district’s policy is available in the principal’s office, superintendent’s office, and on the district’s website, and is included at the end of this handbook in the form of an appendix. Procedures related to reporting allegations of bullying may also be found on the district’s website.
A student or parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG(LOCAL).

[See Safety Transfers/Assignments, Dating Violence, Discrimination, Harassment, and Retaliation and Hazing, policy FFI, and the district improvement plan, a copy of which can be viewed in the campus office.]

**CAMPUS REGULATIONS**

**Aerosol Spray Cans** - No aerosol spray cans are allowed on campus.

**Backpacks, bookbags, and satchels** are not allowed in the classroom or in the cafeteria. These items must be stored in the lockers. Purses are to be used only for personal items, they may not be used as a book bag and can be no larger than 14w x 12h.

**Change/Proof of Address** If a parent moves or changes telephone numbers, the new address and phone number should be given to the office so files and the emergency card can be updated. If a parent moves from the district, the student must withdraw and enroll at the school within the district to which (s)he has moved.

**Changing a Course** Students are scheduled into classes to match their requests as closely as possible. Teaching and learning begins on the first day of school. For this reason, there will not be ANY course changes after August 26, 2016.

**Communication** between home and school is very important. Some of the most common modes of communication include parent/teacher conferences, student conferences and use of an assignment notebook. These conferences or conversations can be parent, teacher, or student initiated. Parents are encouraged to contact the school any time they have a concern so that arrangements can be made to address the concern. Teachers and staff can be reached via email by using the first letter of the 1st name and the last name@calallen.org.

(Example: Cortney Valdez cvaldez@calallen.org).

**General Visitors**

All visitors to the campus must report to the office to have their state ID or driver’s license scanned and received a visitor’s tag to wear while on campus. Visitors may NOT enter classrooms during instructional time. Please make arrangements with your child’s teacher if you wish to schedule a conference. Students from other schools may visit only with prior approval of the principal. Pre-school age children may visit the school only if accompanied by an adult. Parents are not permitted to observe or sit in on instruction in the classroom due to FERPA regulations.

**Gum** - Students are not permitted to chew gum on school grounds and will be held responsible for any related damages, which will result in disciplinary action.

**Cameras** of any kind are not permitted on campus. Confiscated cameras will be turned in to campus administration and must be picked up by a parent. Exceptions to the camera allowance include field trips and special activities with approval from campus administration and coach/sponsor/teacher.

**ID cards** are required during the school year and must be visible at all times. Cards cost $3.50 each. Calallen Middle School lanyards, with safety feature, will be required for every student. Those will cost $1.50. Each student must wear their ID cards on their lanyards every day. ID
cards may not be altered (i.e. cut up, chewed on, written on, decorated with stickers, etc.). If a student’s ID card is altered, (written on, broken, etc.) the student will be required to purchase a new one and disciplinary measures may be taken. Students who are bus eligible must wear their ID to ride the bus. Students are required to wear one current, personal ID. No additional items may be placed on nor hung from lanyards. Students may wear only one lanyard.

**Lockers**

1. Lockers will be assigned only to students who sign an agreement acknowledging that the lockers, as school property, are assigned to be used only in accordance with this and other policies governing their use.

2. Lockers may be inspected at any time, without prior permission from or knowledge of the student, and/or when in the interest of the overall welfare of other students. Lockers will also be checked when necessary to preserve the good order and discipline of the school. The right of search shall exist at all times when, in the judgment of school authorities, there is reasonable cause to believe that narcotics and drugs as described in policy FNCE-FNCF (local) or dangerous weapons such as guns, knives, or explosives are in the area of search.

3. The contents of the school locker shall be the responsibility of the student to whom it is assigned; therefore, each student is forbidden to share his/her locker or combination.

4. Students are not allowed to secretly put items or notes in other students’ lockers. Violation of this policy shall be punishable according to board policy FNCE-FNCF (local) and FOD.

5. Lockers are not to be decorated or marked on for any reason.

**Messages**

In our effort not to interrupt teaching/learning time, only emergency messages will be delivered to students. Lunch money, required homework assignments should be finalized before leaving home in the morning. School phones are not for general student use. Any transportation changes must be made prior to 2:00 P.M. to allow significant time to notify student.

**Permanent markers** are not allowed on campus. Students will be held responsible for any related damages and will be subject to disciplinary actions. Permanent markers will be confiscated.

**Physical Education Uniforms** A student will dress in uniform every day unless excused from P.E. by a doctor, the P.E. teacher, or principal/assistant principal. Acceptable P.E. uniforms may be purchased from local merchants or from PTA. Colors are maroon, white, or gray in any combination. Tennis shoes and a master combination lock are also required.

**Wildcat Tracking Card**

The Wildcat Tracking Card for each nine weeks is included in the student planner, which is required to be purchased for $5.00 at the beginning of the school year. Each student is responsible for taking this planner with him/her to every class period. On the tracking card the following is printed for teacher documentation:
1. Hall Pass 10 boxes for hall passes per nine weeks.

2. Tardy - 10 boxes for tardies (5 warnings, 6th-8th will receive ASDH, 9th - 10th a referral).

3. Dress Code - 10 boxes for dress code violations (4 LDH, 5th– 6th LDH/ASDH, 7th-10th a referral).

4. Infractions - 10 boxes of general violations (5 warnings, 6th-8th will receive ASDH, 9th – 10th a referral).

5. Substitute Consequences - 4 boxes (1st-3rd ASDH, 4th referral).

6. ASDH in Place of Referral - 5 boxes for ASDH.

**What happens if the student loses the planner?**

The student will be sent to the back office and will be required to purchase a new one for $5.00 within 24 hours, and will lose all warnings and 5 passes.

**Tardies & Hall Passes**

Students are allowed a four minute passing period between each class. If a student fails to report to the next class before the bell rings, the student will be counted tardy. Tardies will be documented by the classroom teacher in the Wildcat Tracking card. Consequences will be assigned progressively according to the tracking card. Campus administration will also conduct periodic hall sweeps to ensure that students who are in the hallway after the tardy bell have a hall pass. Consequences will be assigned by campus administration to students who are in the hallway without a hall pass.

**Morning tutorials** will be offered every Tuesday-Friday, from 8 AM- 8:25 AM.

**Enrichment/Tutorials**

Students may be assigned to an academic tutorial between sixth and seventh period, 2:41 PM until 3:05 PM, Monday through Friday. The following criterion is used for assignment: failing grade, benchmark results, and teacher recommendation. A schedule will be given to students at the beginning of each new tutorial session. Students not assigned into a tutorial will be scheduled into enrichment classes.

**Telephones**

The telephones in the office are business telephones and are to be used for school business and emergencies only. Personal calls are not allowed. Students should take care of personal communication needs prior to arriving on campus.

**Middle School Gifted Identification**

Nomination to the program may be made by parents, teachers, peers, or members of the community in the spring of the school year.

**HORIZON - READING/LANGUAGE ARTS/SOCIAL STUDIES CRITERIA DESCRIPTIONS**

Students who have been in the gifted program in the 5th grade are automatically scheduled into the 6th grade class of Horizon Language Arts and are encouraged to consider enrolling in
the Enriched Social Studies classes offered at the middle school. For those students not in the program and who are nominated, the following criteria for identification are used:

1. TEACHER OBSERVATION INVENTORY - Teachers observe and document gifted behaviors in students.

2. WRITTEN COMPOSITION - The 5-7 topics from which a student may choose are broad concepts. The student is given ample time to compose a composition in which the rules of style, mechanics, syntax, and elaboration are observed. Social studies or science content is utilized for the prompt.

3. IOWA TEST OF BASIC SKILLS - Total Social Studies Score

4. IOWA TEST OF BASIC SKILLS - TOTAL READING SCORE

5. OTIS-LENNON SCHOOL ABILITY TEST - An intelligence test that assesses the student's abstract thinking and reasoning ability.

NAVIGATION - MATH/SCIENCE

A STUDENT MUST MEET THE "DISTRICT LINE" IN FOUR OF THE FIVE CRITERIA TO BE IDENTIFIED AS GIFTED IN THE CALALLEN INDEPENDENT SCHOOL DISTRICT'S PROGRAM

CELEBRATIONS

Although a parent or grandparent is not prohibited from providing food for a school-designated function or for children in the child’s or grandchild’s classroom for his or her birthday, please be aware that children in the school may have severe allergies to certain food products. Therefore, it is imperative to discuss this with the child’s teacher prior to bringing any food in this circumstance. Occasionally, the school or a class may host certain functions or celebrations tied to the curriculum that will involve food. The school or teacher will notify students and parents of any known food allergies when soliciting potential volunteers for bringing food products.

[See Food Allergies.]
CHILD SEXUAL ABUSE AND OTHER MALTREATMENT OF CHILDREN

The district has established a plan for addressing child sexual abuse and other maltreatment of children, which may be accessed at www.calallen.org. As a parent, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. A person who compels or encourages a child to engage in sexual conduct commits abuse. It is illegal to make or possess child pornography or to display such material to a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Possible physical warning signs of sexual abuse could be difficulty sitting or walking, pain in the genital areas, and claims of stomachaches and headaches. Behavioral indicators may include verbal references or pretend games of sexual activity between adults and children, fear of being alone with adults of a particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping and eating disorders, and problems in school.

A child who has experienced sexual abuse or any other type of abuse or neglect should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse and neglect, and it is important to be calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing by telling you.

As a parent, if your child is a victim of sexual abuse or other maltreatment, the school counselor or principal will provide information regarding counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (DFPS) also manages early intervention counseling programs. [To find out what services may be available in your county, see Texas Department of Family and Protective Services Programs Available in Your County.]

The following websites might help you become more aware of child abuse and neglect:

- Child Welfare Information Gateway Factsheet
- KidsHealth For Parents. Child Abuse
- Texas Association Against Sexual Assault. Resources
- Texas Attorney General. What We Can Do About Child Abuse Pat 1
- Texas Attorney General. What We Can Do About Child Abuse Part 2

Reports of abuse or neglect may be made to:

The CPS division of the DFPS (1-800-252-5400 or on the web at Texas Abuse Hotline Website).

CHECK ACCEPTANCE AND RETURN POLICY

In the event that a check written to any Calallen ISD campus, club, or organization is returned unpaid by your bank, Calallen ISD or its agent (PAYTEK Solutions) will redeposit your check
electronically. Additionally, you understand and agree that payments by check may be deposited electronically or re-deposited electronically if your check is returned. You authorize service charges and processing fees, as permitted by state law, to be debited from the same account by paper draft or electronically. The use of a check for payment is your acknowledgement and acceptance of this policy and its terms. You may reach PAYTEK Solutions at 800-641-9998.

CLASS INTERRUPTIONS
There will be no interruptions of scheduled class time except for emergencies and other times that are necessary. Contact the office for assistance in order to prevent class time interruptions. CALALLEN SAFETY GUIDELINES MANDATE THAT PARENTS MUST COME TO THE OFFICE BEFORE GOING TO ANY CLASSROOM DURING SCHOOL HOURS.

CLASS PARTIES
Each grade level will be allowed 3 parties per year as designated by the campus.

COMMUNICATIONS – AUTOMATED

Emergency
The district will rely on contact information on file with the district to communicate with parents in an emergency situation, which may include real-time or automated messages. An emergency purpose may include early dismissal or delayed opening because of severe weather or another emergency, or if the campus must restrict access due to a security threat. It is crucial to notify your child’s school when a phone number previously provided to the district has changed. [See Safety for information regarding contact with parents during an emergency situation]

Nonemergency
Your child’s school will request that you provide contact information, such as your current phone number and e-mail address, in order for the school to communicate items specific to your child, your child’s school, or the district. If you consent to receive such information through a landline or wireless phone, please ensure that you notify the school’s administration office immediately upon a change in your phone number. The district or school may generate automated or pre-recorded messages, text messages, or real-time phone or e-mail communications that are closely related the school’s mission, so prompt notification of any change in contact information will be crucial to maintain timely communication with you. Standard messaging rates of your phone carrier may apply. If you have specific requests or needs related to how the district contacts you, please contact your child’s principal. [See the Safety section for information regarding contact with parents during an emergency situation.]
COMPLAINTS AND CONCERNS

Usually student or parent complaints or concerns can be addressed informally by a phone call or a conference with the teacher or principal. For those complaints and concerns that cannot be handled so easily, the board has adopted a standard complaint policy at FNG(LOCAL) in the district’s policy manual. A copy of this policy may be obtained in the principal’s or superintendent’s office or on the district’s website at www.calallen.org.

Should a parent or student feel a need to file a formal complaint, the parent or student should file a district complaint form within the timelines established in policy FNG(LOCAL). In general, the student or parent should submit the written complaint form to the campus principal. If the concern is not resolved, a request for a conference should be sent to the superintendent. If still unresolved, the district provides for the complaint to be presented to the board of trustees.

CONDUCT

Applicability of School Rules

As required by law, the board has adopted a Student Code of Conduct that prohibits certain behaviors and defines standards of acceptable behavior—both on and off campus as well as on district vehicles—and consequences for violation of these standards. The district has disciplinary authority over a student in accordance with the Student Code of Conduct. Students and parents should be familiar with the standards set out in the Student Code of Conduct, as well as campus and classroom rules. During any periods of instruction during the summer months, the Student Handbook and Student Code of Conduct in place for the year immediately preceding the summer period shall apply, unless the district amends either or both documents for the purposes of summer instruction.

Disruptions of School Operations

Disruptions of school operations are not tolerated and may constitute a misdemeanor offense. As identified by law, disruptions include the following:

- Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator.
- Interference with an authorized activity by seizing control of all or part of a building.
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Use of force, violence, or threats to cause disruption during an assembly.
- Interference with the movement of people at an exit or an entrance to district property.
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator.
- Disruption of classes or other school activities while on district property or on public property that is within 500 feet of district property. Class disruption includes making loud noises; trying to entice a student away from, or preventing a student from attending a
required class or activity; and entering a classroom without authorization and disrupting
the activity with loud or profane language or any misconduct.

- Interference with the transportation of students in vehicles owned or operated by the
district.

Social Events

School rules apply to all school social events. Guests attending these events are expected to
observe the same rules as students, and a student inviting a guest will share responsibility for the
conduct of his or her guest.

A student attending a social event will be asked to sign out when leaving before the end of the
event. Anyone leaving before the official end of the event will not be readmitted.

Please contact the campus principal if you are interested in serving as a chaperone for any school
social events.

COUNSELING

Academic Counseling

Elementary and Middle/Junior High School Grade Levels

The school counselor is available to students and parents to talk about the importance of
postsecondary education and how best to plan for postsecondary education, including appropriate
courses to consider and financial aid availability and requirements.

Personal Counseling

The school counselor is available to assist students with a wide range of personal concerns,
including such areas as social, family, emotional or mental health issues, or substance abuse. A
student who wishes to meet with the school counselor should contact the counselor on their
campus. As a parent, if you are concerned about your child’s mental or emotional health, please
speak with the school counselor for a list of resources that may be of assistance.

[See Substance Abuse Prevention and Intervention and Suicide Awareness.]

CREDIT BY EXAM—If a Student Has Taken the Course/Subject

A student who has previously taken a course or subject—but did not receive credit or a final
grade for it—may, in circumstances determined by the principal or attendance committee, be
permitted to earn credit by passing an exam approved by the district’s board of trustees on the
essential knowledge and skills defined for that course or subject. Prior instruction may include,
for example, incomplete coursework due to a failed course or excessive absences,
homeschooling, or coursework by a student transferring from a non-accredited school. The
opportunity to take an examination to earn credit for a course or to be awarded a final grade in a
subject after the student has had prior instruction is sometimes referred to as “credit recovery.”

The school counselor or principal would determine if the student could take an exam for this
purpose. If approval is granted, the student must score at least 70 on the exam to receive credit
for the course or subject.
The attendance review committee may also offer a student with excessive absences an opportunity to earn credit for a course by passing an exam.

[For further information, see the school counselor and policy EHDB (LOCAL).]

**CREDIT BY EXAM FOR ADVANCEMENT/ACCELERATION—If a Student Has Not Taken the Course/Subject**

A student will be permitted to take an exam to earn credit for an academic course or subject area for which the student has had no prior instruction, i.e., for advancement or to accelerate to the next grade level. The exams offered by the district are approved by the district’s board of trustees, and state law requires the use of certain exams, such as College Board Advanced Placement (AP) and College Level Examination Program (CLEP) tests, when applicable. The dates on which exams are scheduled during the 2017-18 school year will be published in appropriate district publications and on the district’s website. The only exceptions to the published dates will be for any exams administered by another entity besides the district or if a request is made outside of these time frames by a student experiencing homelessness or by a student involved in the foster care system. When another entity administers an exam, a student and the district must comply with the testing schedule of the other entity. During each testing window provided by the district, a student may attempt a specific exam only once.

If a student plans to take an exam, the student (or parent) must register with the school counselor no later than 30 days prior to the scheduled testing date. [For further information, see policy EHDC.]

**DATING VIOLENCE, DISCRIMINATION, HARASSMENT, AND RETALIATION**

The district believes that all students learn best in an environment free from dating violence, discrimination, harassment, and retaliation and that their welfare is best served when they are free from this prohibited conduct while attending school. Students are expected to treat other students and district employees with courtesy and respect, to avoid behaviors known to be offensive, and to stop those behaviors when asked or told to stop. District employees are expected to treat students with courtesy and respect.

The board has established policies and procedures to prohibit and promptly respond to inappropriate and offensive behaviors that are based on a person’s race, color, religion, gender,
national origin, disability, or any other basis prohibited by law. A copy of the district’s policy is available in the principal’s office and in the superintendent’s office or on the district’s website, www.calallen.org. [See policy FFH.]

**Dating Violence**

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense. This type of conduct is considered harassment if the conduct is so severe, persistent, or pervasive that it affects the student’s ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student’s academic performance.

Examples of dating violence against a student may include, but are not limited to, physical or sexual assaults; name-calling; put-downs; threats to hurt the student, the student’s family members, or members of the student’s household; destroying property belonging to the student; threats to commit suicide or homicide if the student ends the relationship; threats to harm a student’s current dating partner; attempts to isolate the student from friends and family; stalking; or encouraging others to engage in these behaviors.

**Discrimination**

Discrimination is defined as any conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, disability, age, or any other basis prohibited by law, that negatively affects the student.

**Harassment**

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student’s ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student’s academic performance.

Examples of harassment may include, but are not limited to, offensive or derogatory language directed at a person’s religious beliefs or practices, accent, skin color, or need for accommodation; threatening, intimidating, or humiliating conduct; offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

In addition to dating violence as described above, two other types of prohibited harassment are described below.

**Sexual Harassment and Gender-Based Harassment**

Sexual harassment and gender-based harassment of a student by an employee, volunteer, or another student are prohibited.
Examples of sexual harassment may include, but not be limited to, touching private body parts or coercing physical contact that is sexual in nature; sexual advances; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact not reasonably construed as sexual in nature, such as comforting a child with a hug or taking the child’s hand. However, romantic and other inappropriate social relationships, as well as all sexual relationships, between students and district employees are prohibited, even if consensual.

Gender-based harassment includes harassment based on a student’s gender, expression by the student of stereotypical characteristics associated with the student’s gender, or the student’s failure to conform to stereotypical behavior related to gender.

Examples of gender-based harassment directed against a student, regardless of the student’s or the harasser’s actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

**Retaliation**

Retaliation against a person who makes a good faith report of discrimination or harassment, including dating violence, is prohibited. Retaliation against a person who is participating in an investigation of alleged discrimination or harassment is also prohibited. A person who makes a false claim or offers false statements or refuses to cooperate with a district investigation, however, may be subject to appropriate discipline.

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

**Reporting Procedures**

Any student who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, school counselor, principal, or other district employee. The report may be made by the student’s parent. [See policy FFH(LOCAL) and [EXHIBIT] for other appropriate district officials to whom to make a report.]

Upon receiving a report of prohibited conduct as defined by policy FFH, the district will determine whether the allegations, if proven, would constitute prohibited conduct as defined by that policy. If not, the district will refer to policy FFI to determine if the allegations, if proven, would constitute bullying, as defined by law and that policy. If the alleged prohibited conduct, if proven, would constitute prohibited conduct and would also be considered bullying as defined by law and policy FFI, an investigation of bullying will also be conducted.

The district will promptly notify the parents of any student alleged to have experienced prohibited conduct involving an adult associated with the district. In the event alleged prohibited conduct involves another student, the district will notify the parents of the student alleged to have experienced the prohibited conduct when the allegations, if proven, would constitute a violation as defined by policy FFH.
Investigation of Report

To the extent possible, the district will respect the privacy of the student; however, limited disclosures may be necessary to conduct a thorough investigation and to comply with law. Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated.

If a law enforcement or other regulatory agency notifies the district that it is investigating the matter and requests that the district delay its investigation, the district will resume the investigation at the conclusion of the agency’s investigation.

During the course of an investigation and when appropriate, the district will take interim action to address the alleged prohibited conduct.

If the district’s investigation indicates that prohibited conduct occurred, appropriate disciplinary action, and, in some cases, corrective action, will be taken to address the conduct. The district may take disciplinary and corrective action even if the conduct that is the subject of the complaint was not unlawful.

All involved parties will be notified of the outcome of the district investigation within the parameters and limits allowed under the Family Educational Rights and Privacy Act (FERPA).

A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy FNG(LOCAL).

DISCRIMINATION

[See Dating Violence, Discrimination, Harassment, and Retaliation.]

DISCIPLINE

Bus Conduct

See Transportation for information

School Conduct

The school provides each student with the maximum opportunity to acquire an education. No student has the right to interfere with this opportunity by his actions, poor manners, or lack of consideration. All rules and regulations are developed and enforced with this thought in mind. Discipline should be a combination of effort between the parent and the school. When attempts fail to produce results, the school may use corporal punishment in accordance with School Board Policy only. Discipline violations may result in utilizing specific interventions such as classroom removal, loss of privileges, detention, and others noted in the Student Code of Conduct. (Specific details regarding discipline are in the Student Code of Conduct.)

Conduct Rules are as follows:

- HALL RULES
  1. Students shall walk on the right hand side of the hallways.
  2. Students shall not run in the hallways.
  3. Students shall move through the hallways quietly. Talking, shouting, whistling, etc., will not be allowed.
4. Students shall not engage in physical contact. Pushing, hitting, kicking, bumping, etc., will not be allowed.

- **RESTROOM RULES**
  1. Keep our restrooms clean! Flush when needed and place paper towels in trash cans.
  2. Speak quietly and take turns.
  3. Return to class immediately.
  4. Students shall not engage in physical contact. Pushing, hitting, kicking, bumping, etc., will not be allowed.

- **CAFETERIA RULES**
  1. Walk in the cafeteria.
  2. Students shall not engage in physical contact. Pushing, hitting, kicking, bumping, etc., will not be allowed.
  3. Comply with request of school personnel.
  4. Keep your food and utensils on your own tray.
  5. Leave your seat only with permission.
  6. Clean your area before you leave.
  7. You may talk quietly to your neighbor.

**DISTRIBUTION OF LITERATURE, PUBLISHED MATERIALS, OR OTHER DOCUMENTS**

**School Materials**

Publications prepared by and for the school may be posted or distributed, with the prior approval of the principal, sponsor, or teacher. Such items may include school posters, brochures, flyers, etc.

The school yearbook is available to students.

All school publications are under the supervision of a teacher, sponsor, and the principal.

**Non-school Materials**

*From Students*

Students must obtain prior approval from the principal before selling, posting, circulating, or distributing more than ten copies of written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials that were not developed under the oversight of the school. To be considered, any non-school material must include the name of the sponsoring person or organization. The decision regarding approval will be made within two school days.

The principal has designated the main office as the location for approved non-school materials to be placed for voluntary viewing or collection by students. [See policy FNAA.]

A student may appeal a decision in accordance with policy FNG(LOCAL). Any student who sells, posts, circulates, or distributes non-school material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without approval will be removed.
From Others

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by the district or by a district-affiliated school-support organization will not be sold, circulated, distributed, or posted on any district premises by any district employee or by persons or groups not associated with the district, except as permitted by policy GKDA. To be considered for distribution, any non-school material must meet the limitations on content established in the policy, include the name of the sponsoring person or organization, and be submitted to the principal for prior review. The principal will approve or reject the materials within two school days of the time the materials are received. The requestor may appeal a rejection in accordance with the appropriate district complaint policy. [See policies at DGBA or GF.]

The principal has designated the main office as the location for approved non-school materials to be placed for voluntary viewing or collection.

Prior review will not be required for:

- Distribution of materials by an attendee to other attendees of a school-sponsored meeting intended for adults and held after school hours.
- Distribution of materials by an attendee to other attendees of a community group meeting held after school hours in accordance with policy GKD(LOCAL) or a non-curriculum-related student group meeting held in accordance with FNAB(LOCAL).
- Distribution for electioneering purposes during the time a school facility is being used as a polling place, in accordance with state law.

All non-school materials distributed under these circumstances must be removed from district property immediately following the event at which the materials are distributed.

DRESS AND GROOMING

The district’s dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Students and parents may determine a student’s personal dress and grooming standards, provided that they comply with Calallen Middle School Dress Code Policy. At Calallen Middle School a standardized dress code is implemented to promote education by emphasizing a content-neutral atmosphere. The purpose of having a standardized dress code is to promote an environment that is conducive to learning. The matter of student grooming and student dress is left to the discretion of local school districts and will be ruled upon by principal, assistant principal, or designee. The school officials at Calallen Middle School have the authority to restrict the wearing of apparel and student dress for the following reasons:

- Items emblazoned with slogans and diagrams deemed indecent, inappropriate, or in bad taste for an educational setting
- Items that prove to be disruptive or interfere with the rights of others

The Superintendent’s designee/principal/assistant principal has the authority to make a ruling on any controversial dress code issue in question.

Calallen Middle School students are required to wear the following:
• White, navy blue, gray, or maroon “polo” style shirt or CISD sponsored spirit shirt

Spirit shirts (T-Shirts) that are manufactured from an outside source and are not sponsored through Calallen organization are allowed and must meet the following requirements:
Must have a Calallen logo (Wildcats, Paw Print, Cats etc.)
Must be T-shirt style. (no low cut shirts, blouses, or shirts with buttons)
Must have Calallen logo in front and larger than the competing logo on shirt. Competing logos can be no larger than 3 inches by 3 inches.

• Navy blue or khaki and blue denim: slacks, shorts, skirts, jumpers or capris. Black slacks, shorts, skirts, jumpers, or capris are not allowed.

Our goal at CMS is not to inconvenience parents/guardians at home or at work during the school day, therefore parents/guardians may assist the school by making sure that their child is wearing the required clothing before he/she leaves the home every day.

When the child arrives at school, and the dress code violation requires a change of clothing to be corrected, the following procedures will be followed:

1. Students not in dress code upon entering the building will be assigned lunch detention that day.

2. Student who are assigned lunch detention will have until 10:00 a.m. to correct the infraction. If the students are not able to correct the infraction by that time, the detention will be served. If the infraction is corrected by that time, the detention will be cancelled.

3. Students receiving more than four dress code detentions in a six weeks period will be assigned In-School Suspension for each subsequent infraction during that six week period.

4. Students with dress code violations considered to be inappropriate for the classroom setting will be subject to In-School or Out-School Suspension, or other consequences to be determined by campus administration.

The entire staff will enforce the dress code. Teachers may assign after school detention hall for dress code violations after 8:30 a.m. that can be corrected immediately (i.e., shirttails, rolled up sleeves, etc...)

The principal, in cooperation with the sponsor, coach, or other persons in charge of an extracurricular activity will regulate the dress and grooming of students who participate in the activity. Students who violate these standards may be removed or excluded from the activity for a period determined by the principal or sponsor and may be subject to further disciplinary action. Following you will find the required student uniform for the students for the 2016-2017 school year. For your convenience, we divided the dress code policy into 2 categories:

1. Female Student Standardized Dress
2. Male Student Standardized Dress
Following you will find the required student uniform for the students for the 2016-2017 school year.

**ELECTRONIC DEVICES AND TECHNOLOGY RESOURCES**

**Possession and Use of Personal Telecommunications Devices, Including Mobile Telephones**

For safety purposes, the district permits students to possess personal mobile telephones; however, these devices must remain turned off during the instructional day, including during all testing, unless they are being used for approved instructional purposes. A student must have approval to possess other telecommunications devices such as netbooks, laptops, tablets, or other portable computers.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

If a student uses a telecommunications device without authorization during the school day, the device will be confiscated. The parent may pick up the confiscated telecommunications device from the principal’s office for a fee of $15.

Confiscated telecommunications devices that are not retrieved by the student or the student’s parents will be disposed of after the notice required by law. [See policy FNCE.]

In limited circumstances and in accordance with law, a student’s personal telecommunications device may be searched by authorized personnel. [See Searches and policy FNF.]

Any disciplinary action will be in accordance with the Student Code of Conduct. The district is not responsible for damaged, lost, or stolen telecommunications devices.
Possession and Use of Other Personal Electronic Devices

Except as described below, students are not permitted to possess or use personal electronic devices such as MP3 players, video or audio recorders, DVD players, cameras, games, e-readers, or other electronic devices at school, unless prior permission has been obtained. Without such permission, teachers will collect the items and turn them in to the principal’s office. The principal will determine whether to return items to students at the end of the day or to contact parents to pick up the items.

In limited circumstances and in accordance with law, a student’s personal electronic device may be searched by authorized personnel. [See Searches and policy FNF.]

Any disciplinary action will be in accordance with the Student Code of Conduct. The district is not responsible for any damaged, lost, or stolen electronic device.

Instructional Use of Personal Telecommunications and Other Electronic Devices

In some cases, students may find it beneficial or might be encouraged to use personal telecommunications or other personal electronic devices for instructional purposes while on campus. Students must obtain prior approval before using personal telecommunications or other personal electronic devices for instructional use. Students must also sign a user agreement that contains applicable rules for use (separate from this handbook). When students are not using the devices for approved instructional purposes, all devices must be turned off during the instructional day. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

Acceptable Use of District Technology Resources

To prepare students for an increasingly technological society, the district has made an investment in the use of district-owned technology resources for instructional purposes; specific resources may be issued individually to students. Use of these technological resources, which include the district’s network systems and use of district equipment, is restricted to approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these district resources. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

Unacceptable and Inappropriate Use of Technology Resources

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal. This prohibition also applies to conduct off school property, whether the equipment used to send such messages is district-owned or personally owned, if it results in a substantial disruption to the educational environment.

Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as “sexting,” will be disciplined according to the Student Code of Conduct, may be required to complete an educational program related to the dangers of this type of behavior, and, in certain circumstances, may be reported to law enforcement. Because engaging in this type of behavior can lead to bullying or harassment, as well as possibly impede future endeavors of a student, we encourage you to review with your child ‘Before You Text’ Sexting Prevention Course, a state-developed
program that addresses the consequences of engaging in inappropriate behavior using technology.

In addition, any student who engages in conduct that results in a breach of the district’s computer security will be disciplined in accordance with the Student Code of Conduct, and, in some cases, the consequence may rise to the level of expulsion.

EXTRACURRICULAR ACTIVITIES, CLUBS, AND ORGANIZATIONS

Participation in school-sponsored activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students; participation, however, is a privilege, not a right.

Participation in some of these activities may result in events that occur off-campus. When the district arranges transportation for these events, students are required to use the transportation provided by the district to and from the events. Exceptions to this may only be made with the approval of the activity’s coach or sponsor. [See Transportation.]

Eligibility for initial and continuing participation in many of these activities is governed by state law and the rules of the University Interscholastic League (UIL)—a statewide association overseeing inter-district competition. If a student is involved in an academic, athletic, or music activity governed by UIL, the student and parent are expected to know and follow all rules of the UIL organization. Students involved in UIL athletic activities and their parents can access the UIL Parent Information Manual at UIL Parent Information Manual; a hard copy can be provided by the coach or sponsor of the activity on request. To report a complaint of alleged noncompliance with required safety training or an alleged violation of safety rules required by law and the UIL, please contact the curriculum division of TEA at (512) 463-9581 or curriculum@tea.state.tx.us.gov.

[See UIL Texas for additional information on all UIL-governed activities.]

In addition, the following provisions apply to all extracurricular activities:

- A student who receives at the end of a grading period a grade below 70 in any academic class—other than an Advanced Placement or International Baccalaureate course; or an honors or dual credit course in English language arts, mathematics, science, social studies, economics, or language other than English—may not participate in extracurricular activities for at least three school weeks.

- A student who receives special education services and who fails to meet the standards in the individualized education program (IEP) may not participate for at least three school weeks.

- An ineligible student may practice or rehearse but may not participate in any competitive activity.

- An absence for participation in an activity that has not been approved will receive an unexcused absence.

Students shall be permitted to participate in extracurricular activities, subject to the following Restrictions:
During the initial 1st quarter of the school year, students must have been promoted into the next grade level or must have accumulated the required number of units toward graduation.

During subsequent quarter periods, students who receive a quarter grade below 70 in any course or subject or Special Education students who fail to meet the standards in their Individual Educational Plan (IEP) may not participate in extracurricular activities for at least three weeks, and until academic eligibility is met. The suspension from extracurricular activities goes into effect seven days after the last day of the quarter period during which the grade lower than 70 was earned. Students shall be allowed to participate in competition at the end of any three-week period in which the student earns a grade of 70 or above in all courses or subjects. Students may practice or rehearse during suspension periods.

Students are permitted up to ten activity-related absences to participate in school-related or school-sanctioned activities on or off campus. Any absence resulting from a student’s participation in an organization not on the approved list shall be considered unexcused.

Incompletes A student with an “incomplete” grade is ineligible for UIL activities at the end of the seven-day grace period after the end of the grading period or evaluation period unless the “incomplete” was replaced with a passing grade prior to the end of the seven-day grace period. Students with an “incomplete” grade either within or after the seven-day grace period may regain eligibility if the work is made up in accordance with district policy regarding make-up work. This also applies to students who are homebound due to an illness.

Standards of Behavior

Sponsors of student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by board policy will apply in addition to any consequences specified by the organization’s standards of behavior.

Offices and Elections

Certain clubs, organizations, and performing groups will hold elections for student officers. One of these groups includes the Calallen Middle School Student Council. During the election, students are expected to adhere to the guidelines and rules for campaigning. The guidelines will be provided by the student council sponsors at the appropriate time.

**Dances**

Dances held at Calallen Middle School are for Calallen Middle School students only. **Students who are suspended, in ISS, or absent the day of the event will not be allowed to attend.**

**After-School Detention Hall**

Assigned by teachers/administrators to students for the following behaviors: disruption of the classroom environment, tardies, or failure to follow classroom and school rules. The assigning teacher will contact the student's parents to inform the parent of the date and reason for the after school D-Hall assignment. Therefore it is very important to keep the school updated with any emails, and current work and home phone numbers. After school D-Halls are assigned for the following school day. The student will be given a copy of the detention notice that describes the behavior and the date the student must serve the detention. It is the student's responsibility to take the D-Hall copy home and to remember to serve on the designated date(s). After school D-Hall will begin promptly at 4:05 p.m. Parents are asked to pick up their child by 5:00 p.m. in front of the school building. Transportation arrangements should be made before coming to school on the assignment day. Attendance will be taken at the beginning of each session. Students are required to bring homework or something to read. If a student is unable to attend D-Hall due to an illness or appointment, it is their responsibility to reschedule their D-Hall with the
teacher. Failure to attend a detention will result in the following progressive consequence assignment which will cycle every 9 weeks:

- reassignment, additional d-hall days, or lunch ISS for two days.
- 1 day of ISS
- Persistent failure to attend D-Hall can result in additional consequences at the administrator's discretion.

Pre-AP Courses

The purpose of the College Board Pre-AP program is to provide students at Calallen Middle School the opportunity to be prepared for successful high school experiences and prepare students for the transition from middle school to high school. Pre-AP courses are open enrollment courses. Typically, successful Pre-AP students are task oriented, proficient readers, who are able to establish priorities for their use of time and who have parental support. Parents agree to be familiar with Pre-AP course requirements and to help students organize study time in support of class assignments. Students must maintain a 70 semester average to remain in the Pre-AP course in that academic discipline. Teachers will notify students and parents if assigned work and/or assessments are unsatisfactory. A student, with parent permission, may exit the course at the end of a nine weeks grading period, if the course is too demanding. A student will be exited at the end of the first semester if the semester average is below 70 and after the parents and student have been notified. There will be no points added to a student average for completing a Pre-AP academic course.

Request for Pre-AP Waiver

The principal may grant a waiver to the no pass-no play ruling for a student in a Pre-AP course whose 9 weeks average is less than 70. The student must have at least 60 in a Pre-AP class. The principal will only approve a waiver if the teacher agrees that the student’s efforts and achievement are deserving of special consideration.

“What Do You Do If . . .”

…you are hurt or ill?
Come to the health room for assistance. The school nurse will call parents when necessary.

…you have been absent?
You need to bring a note from your parent or guardian to the office before your first period class. The note should include the number of days you were absent, the reason for the absence, and the signature of your parent or guardian.

…you need to leave school?
If you know you are going to have to leave school during the day, bring a note from your parent or guardian. Present it to the secretary and a permit to leave will be issued. Present the permit to your teacher at the beginning of class. Upon being released from class, come to the office and wait for your parent or guardian, who will sign you out.
when he/she comes for you.

...you have lost a book?
Check in the lost and found. If not there, check with the back office secretary about the cost of the book, bring the money from home, and pay for the book in the secretary’s office. If the book is found, your money will be refunded.

...you need to leave the room?
Obtain a pass from your teacher, the teacher will sign your planner.

...you want advice about your school work?
Check with the teacher involved or ask one of the principals or counselors.

...you want a meal ticket for the cafeteria?
Ask the cashier in the cafeteria. The office will not loan money for lunches or for any other purpose.

...you are having locker problems?
Report the problem to the office secretary in the back office.

...you miss an assigned detention hall?
Check with the assistant principal to reschedule it.

...you have lost your ID card?
Purchase a new ID in the back office before 8:30 a.m.

FALSE INFORMATION
Presenting false information or false records for identification is a criminal offense under Penal Code 37.10 and enrolling the child under false documents makes the person liable for tuition or other costs provided below. Education Code 25.002 (d) A person who knowingly falsifies information on a form required for a student's enrollment in the District shall be liable to the District if the student is not eligible for enrollment, but is enrolled on the basis of false information. For the period during which the ineligible student is enrolled, the person is liable for the maximum tuition fee the District may charge or the amount the District has budgeted per student as maintenance and operating expense, whichever is greater. Education Code 25.001 (h)

FEES
Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. A student, however, is expected to provide his or her own pencils, paper, erasers, and notebooks and may be required to pay certain other fees or deposits, including:

- Costs for materials for a class project that the student will keep.
- Membership dues in voluntary clubs or student organizations and admission fees to extracurricular activities.
- Security deposits.
• Personal physical education and athletic equipment and apparel.
• Voluntarily purchased pictures, publications, class rings, yearbooks, graduation announcements, etc.
• Voluntarily purchased student accident insurance.
• Musical instrument rental and uniform maintenance, when uniforms are provided by the district.
• Personal apparel used in extracurricular activities that becomes the property of the student.
• Parking fees and student identification cards.
• Fees for lost, damaged, or overdue library books.
• Fees for driver training courses, if offered.
• Fees for optional courses offered for credit that require use of facilities not available on district premises.
• Summer school for courses that are offered tuition-free during the regular school year.
• A reasonable fee for providing transportation to a student who lives within two miles of the school. [See Buses and Other School Vehicles.]
• A fee not to exceed $50 for costs of providing an educational program outside of regular school hours for a student who has lost credit or has not been awarded a final grade because of absences and whose parent chooses the program in order for the student to meet the 90 percent attendance requirement. The fee will be charged only if the parent or guardian signs a district-provided request form.
• In some cases, a fee for a course taken through the Texas Virtual School Network (TxVSN).

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the principal. [For further information, see policy FP.]

FIELD TRIPS
Field trips are valuable teaching tools. Before students can participate, the school must have permission from the parent. Please sign and return permission blanks promptly when they are sent home.

FLORAL OR OTHER OUTSIDE DELIVERIES
Flowers, balloons, and other deliveries are a distraction in the classroom and are difficult to transport on the bus after school. Flowers, balloons or other deliveries sent to students at school will be kept in the office and must be picked up after school.
FOOD SERVICE DEPARTMENT

Calallen ISD participates in the National School Lunch/Breakfast program that requires Federal and State guidelines be followed on all foods being served and or sold on school premises during the school day. [For more information, see policy CO(LEGAL).] The Food Service Department is committed to improving the education and health of our children by nourishing their bodies and minds through healthy, nutritious meals that meet and or exceed the Federal and State requirements established by USDA and the Texas Department of Agriculture. The nutritional standards require schools to make the healthy choice by offering students more food and beverage components that contain whole grains, fruits, vegetables, leaner proteins, lower-fat dairy products and foods that contain less fat, sugar and sodium.

Meal Service

Breakfast and lunch will be served each school day. Meal times will vary from campus to campus. Lunches from home will be eaten in the cafeteria during meal time. Food from an outside source may be brought in for your child ONLY.

All students have a meal account based on their student ID number (card) that is used to track all transactions. A student account must have funds to purchase a meal and/or any other items. Numerous online capabilities are provided for managing student meal accounts. Some of these services include: Free and Reduced Meal Applications, Lunch Money Now payments, free email balance notifications, and meal account activities. Please visit www.calallen.org and go to the Food Service link for lunch menus and additional information.

Free and Reduced Meal Applications

The meal application is provided to all students or can be submitted online at www.calallen.org at any time during the school year. A new application per household must be completed every year. Online applications are encouraged for prompt processing. A notification letter will be mailed out to inform household of meal status.

If you have any questions or concerns, you may contact the Food Service Director at (361) 242-5906.
FUNDRAISING
Student groups or classes and/or parent groups may be permitted to conduct fundraising drives for approved school purposes in accordance with administrative regulations. [For further information, see policies FJ and GE.]

GANG-FREE ZONES
Certain criminal offenses, including those involving organized criminal activity such as gang-related crimes, will be enhanced to the next highest category of offense if they are committed in a gang-free zone. For purposes of the district, a gang-free zone includes a school bus and a location in, on, or within 1,000 feet of any district-owned or leased property or campus playground.

GENDER-BASED HARASSMENT
[See Dating Violence, Discrimination, Harassment, and Retaliation.]

GRADING GUIDELINES
Grading guidelines for each grade level or course will be communicated and distributed to students and their parents by the classroom teacher. These guidelines have been reviewed by each applicable curriculum department and have been approved by the campus principal. These guidelines establish the minimum number of assignments, projects, and examinations required for each grading period. In addition, these guidelines establish how the student’s mastery of concepts and achievement will be communicated (i.e., letter grades, numerical averages, checklist of required skills, etc.). Grading guidelines also outline in what circumstances a student will be allowed to redo an assignment or retake an examination for which the student originally made a failing grade. Procedures for a student to follow after an absence will also be addressed.

For detailed information see the CISD Instructional Grading and Reporting Guidelines Handbook online at calallen.org.

[See Report Cards/Progress Reports and Conferences for additional information on grading guidelines.]

HARASSMENT
[See Dating Violence, Discrimination, Harassment, and Retaliation.]

HAZING
Hazing is defined as any intentional, knowing, or reckless act occurring on or off campus directed against a student that endangers the mental or physical health or the safety of a student for the purpose of pledging, being initiated to, affiliating with, holding office in, or maintaining membership in any organization whose members are or include other students.

Hazing will not be tolerated by the district. If an incident of hazing occurs, disciplinary consequences will be handled in accordance with the Student Code of Conduct. It is a criminal offense if a person engages in hazing; solicits, encourages, directs, aids, or attempts to aid another in hazing; or has firsthand knowledge of an incident of hazing being planned or having occurred and fails to report this to the principal or superintendent.
[See Bullying and policies FFI and FNCC.]

HEALTH-RELATED MATTERS

The school health services provided by CISD are no substitute for health care that parents should provide for their children. Rather than relieving parent’s responsibilities, this service is provided to support individuals in utilizing the services of a private physician, dentist, optometrist, and/or community health agency.

There is a health room staffed by a licensed nurse on each campus available for all students who become ill or injured at school. However, there may be times when the campus principal’s designee will be providing health care for your child. These members of the health care team have been trained in medication administration and certified in CPR and First Aid.

Confidentiality is strictly upheld in the health services department. However, your child may have a condition in which other members of the health care team may need information on a need to know basis to be able to provide the best care for your child. Members of the health care team may include but are not limited to licensed nurses, health room aides, teachers, principals, counselors, and teacher’s aides.

Required Annual Health Information

Members of the health care team will attempt to provide the best care possible, barring no unusual events or circumstances, for your child based on the information that you have provided us. CISD cannot be held responsible if parents have not provided current information. Your child may have an unforeseen result if CISD does not have access to this information.

The following forms must be completed annually and updated as needed.

1. Emergency card
2. Health history
3. Special health care needs (if applicable)
4. Medication order forms, parents or physician (if applicable)

These forms must be completed, signed, and returned to the campus health room no later than 5 days from the beginning of the student starting school.

Reporting

The school nurse will notify the parent, in a timely manner, when a student is seen in the health room. This will be done by the triplicate Health Room Referral form and if necessary also by phone. A copy of this form will be returned to the student so that it can be brought home to the parent. Parents should check with their child to determine if the child received a Health Room Referral form from the school nurse. This reporting system will help increase communication between the school nurse and parents.

Communicable Illness

To help prevent children from acquiring contagious illness, students must be free from fever of 100 degrees or greater, vomiting, or diarrhea for 24 hours before being allowed back at school. If a student returns to school before this time, parents will be notified to pick up their child. A
child must leave school if vomiting, diarrhea, fever, or other highly communicable conditions occur at school.

**Head Lice**

Head lice, although not an illness or a disease, is very common among children and is spread very easily through head-to-head contact during play, sports, or nap time and when children share things like brushes, combs, hats, and headphones. If careful observation indicates that a student has head lice, the school nurse will contact the student’s parent to determine whether the child will need to be picked up from school and to discuss a plan for treatment with an FDA approved medicated shampoo or cream rinse that may be purchased from any drug or grocery store. After the student has undergone one treatment, the parent should check in with the school nurse to discuss the treatment used. The nurse can also offer additional recommendations, including subsequent treatments and how best to get rid of lice and prevent their return.

**Screening Procedures:**

- A. Head checks will be done on an as needed basis.
- B. Symptomatic individuals should be referred discreetly to the health room.
- C. Once health services have confirmed an active case of head lice, the student will be kept from close contact with others and a parent/guardian will be notified. An active case of head lice is confirmed by the presence of eggs less than 1/4 inches from the scalp or live lice visualized.
- D. Upon notification of a student having head lice, a parent/guardian is advised to pick up child(ren) to start treatment immediately, so that the student may return to school promptly.

**Readmission Criteria:**

- A. A student MUST be cleared by the campus nurse prior to returning to class. He/she must return head lice letter along with proof of treatment, (such as receipt or label) before being allowed back into class.

More information on head lice can be obtained from the DSHS website Managing Head Lice.

**Notification**

In order to help ensure the best school health care for a student, CISD’s Health Care Team reserves the right to contact a student’s doctor whenever a medication/treatment is to be given at school or regarding the student’s health care.

**Injuries**

In cases other than minor cuts and scratches, parents will be notified of known accidents which occur at school.

**Emergencies**

CISD’s health care team will provide the best emergency school health care possible, barring no unforeseen circumstances, given the information provided by the parent.

**Transportation of Ill or Injured Students**
The health care team assumes no custodial or parental responsibility for transporting any ill/injured student. If children are not picked up within a reasonable time the parents may be considered neglectful and police and/or CPS (Child Protective Services) may be called.

**Neglect of Health Care Needs**

Parents who consistently fail to provide health care for their child may be reported to CPS (Child Protective Services).

**Medicine at school**

Ideally, all medication should be given at home. If this is not possible, school policy is strictly followed in order to safely administer medication. (Copies of this policy are located at each campus health room and available to you.) The following is important information regarding the administration of medication at school:

- In accordance with Texas Education Code 21.905, medication is defined as: Substances used to prevent, diagnose, cure, or relieve signs and symptoms of disease.

- **All** medication must be brought to the school nurse by a parent or guardian and is responsible for maintaining an adequate supply of medication at the school to meet the student’s needs.

- **Students are not allowed to be in possession of any medication at any time unless they have written permission from a physician.** The written permission must state that the student has a condition that requires immediate treatment. (Example: Asthma inhalers)

- **Students will be subject to disciplinary action if they are in possession of any kind of medication unless written physician authorization is present.**

- All CISD staff that may administer medication must be familiar with the following information before a medication will be given:
  1. the actions of the medication
  2. the indications and dosage of the medication
  3. possible adverse reactions of the medication
  4. interactions of the medication
  5. contraindications of the medication
  6. nursing considerations of the medication

- Written authorization is required from parent/guardian for over the counter medication to be given at school for 10 calendar days or less. (This form is available in the campus health room.) **No phone requests will be accepted.**

- Medication that is to be given for more than 10 calendar days must have written orders from a Texas licensed physician. (This form is available in the campus health room.)

- Written authorization from either parent or physician must include: name of medication, medical reason for the medication, dosage, time to be given, name of the child, and any known allergies.
In accordance with the Nurse Practice Act, Texas Code Section 217.11, the school nurse has the responsibility and the authority to refuse to administer medications that in the nurse’s judgment are not in the best interest of the student.

The most current physician’s order and/or parent permission form, label on the medication, and student medication log all must have matching information. Consequently, if all three do not match, your child will not receive the medication at school.

Only the amount of medication that is required to be taken at school should be kept at school. (Example: student is to take 1 Amoxil at 12:00 for 3 days, only 3 Amoxil should be left at school.)

Parents/guardians only may pick up any unused portion of medication. Medication will not be returned to students.

Medication will be stored in a locked drawer/cabinet.

A non-licensed health team member designated by the principal may administer medication. These staff members have received orientation, instruction, and passed a written test for the administration of medication.

It is the responsibility of the student to report to the designated area to take his/her medication.

Teachers will be notified of those students in their class requiring medication and the time that the student is to take the medication.

A physician’s order must accompany any prescribed medication before it can be dispensed at school. The health room is not allowed to even accept any prescribed medication without a physician’s order.

Psychotropic Drugs

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

Teachers and other district employees may discuss a student’s academic progress or behavior with the student’s parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A district employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or credentialed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [For further information, see policies at FFAC.]

Immunization Requirements

The Department of State Health Services (DSHS) is granted authority to set immunization requirements by the Texas Education Code, Chapter 38, Health & Safety, Subchapter A, General Provisions.

A student shall show acceptable evidence of vaccination prior to entry, attendance, or transfer to a child-care facility or public or private elementary or secondary school in Texas.
• **Vaccines Required**
  Diptheria/Tetanus/Pertussis, Polio, Measles, Mumps and Rubella (MMR), Hepatitis B, Varicella, Meningococcal, Hepatitis A

• **Exemptions**
  The law allows (a) physician to write a statement stating that the vaccine(s) required would be medically harmful or injurious to the health and well-being of the child or household member, and (b) parents/guardians to choose an exemption from immunization requirements for reasons of conscience, including a religious belief. The law DOES NOT allow parents/guardians to elect an exemption simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

**Instructions for requesting the official exemption affidavit that must be signed by parents/guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at** [www.ImmunizeTexas.com](http://www.ImmunizeTexas.com). **Original Exemption Affidavit must be completed and submitted to the school.**

For children claiming Medical Exemptions, a written statement by the physician must be submitted to the school and must be renewed yearly unless the physician specifies a life-long condition. [For further information, see policy FFAB(LEGAL) and the TDSHS Web site: http://www.dshs.state.tx.us/immunize/school/default.shtm.]

• TB (Tuberculosis) questionnaire is required by CISD for students entering the District for the first time in any grade. A TB skin test may be required if a student is found to be at high risk.

• Information regarding immunization requirements is available in the campus health room.

• Immunization policy is subject to change as mandated by the Texas Department of State Health Services.

• **Provisional Enrollment**
  All immunizations should be completed by the first date of attendance. The law requires that students be fully vaccinated against the specified diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. A school nurse or school administrator shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30 day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from the school attendance until the required dose is administered.

• **Documentation**
Since many types of personal immunization records are in use, any document will be acceptable provided a physician or public health personnel has validated it. The month, day, and year that the vaccination was received must be recorded on all school immunization records created or updated after September 1, 1991.

Mandated Screenings

Texas State mandated screenings will be conducted periodically during the school year. Students will be screened for vision and hearing impairments in appropriate grades. Spinal screenings will be conducted for 6th and 9th grade students. Students can be screened for vision/hearing/spinal problems at the discretion of the school nurse. Acanthosis Nigracans screening will be performed on all 1st, 3rd, 5th, and 7th grade students as per HB 2989. Parents will be notified of abnormal results.

**Important:** If any parent or guardian has concerns or suggestions regarding the health care of their child at school, please contact the Campus Nurse.

When signing the Student Code of Conduct Acknowledgement form, you are also agreeing to the policies and procedures of the District Health Services.

Insurance

The school provides an accident insurance plan for each year. One plan is for “At School Coverage” and another for 24-hour coverage. An envelope will be sent home that will give information to help you select the one best fitted for your needs if you wish to participate in such a program.

Bacterial Meningitis

State law specifically requires the district to provide the following information:

- **What is meningitis?**
  
  Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is most common and the least serious. Bacterial meningitis is the most common form of serious bacterial infection with the potential for serious, long-term complications. It is an uncommon disease, but requires urgent treatment with antibiotics to prevent permanent damage or death.

- **What are the symptoms?**
  
  Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

  Children (over 1 year old) and adults with meningitis may have a severe headache, high temperature, vomiting, sensitivity to bright lights, neck stiffness or joint pains, and drowsiness or confusion. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.
The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

- **How serious is bacterial meningitis?**
  
  If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

- **How is bacterial meningitis spread?**
  
  Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing, sharing drinking containers, utensils, or cigarettes).

  The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body’s immune system and cause meningitis or another serious illness.

- **How can bacterial meningitis be prevented?**
  
  Do not share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

  While there are vaccines for some other strains of bacterial meningitis, they are used only in special circumstances. These include when there is a disease outbreak in a community or for people traveling to a country where there is a high risk of getting the disease. Also, a vaccine is recommended by some groups for college students, particularly freshmen living in dorms or residence halls. The vaccine is safe and effective (85–90 percent). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.*

- **What should you do if you think you or a friend might have bacterial meningitis?**
  
  You should seek prompt medical attention.

- **Where can you get more information?**
  
  Your school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Department of State Health Services office to ask about a meningococcal vaccine. Additional information may also be found at the Web sites for the Centers for Disease Control and Prevention, [http://www.cdc.gov](http://www.cdc.gov), and the Department of State Health Services, [http://www.dshs.state.tx.us](http://www.dshs.state.tx.us).

* Please note that, although the state literature required to be distributed by school districts has not yet been revised, entering college students must now show, with limited exception, evidence of receiving a bacterial meningitis vaccination prior to taking courses at an institution of higher education. Please see the school nurse for more information, as this may affect a student who wishes to enroll in a dual credit course taken off campus.
Food Allergies

The district requests to be notified when a student has been diagnosed with a food allergy, especially those allergies that could result in dangerous or possibly life-threatening reactions either by inhalation, ingestion, or skin contact with the particular food. It is important to disclose the food to which the student is allergic, as well as the nature of the allergic reaction. Please contact the school nurse or campus principal if your child has a known food allergy or as soon as possible after any diagnosis of a food allergy.

Physical Activity for Students in Middle School

In accordance with policies at EHAA, EHAC, and FFA, the district will ensure students in middle school engage in moderate or vigorous physical activity. The district shall require students in grades 6-8 to participate in moderate or vigorous physical activity for at least 30 minutes for at least four semesters during those grade levels as part of the District’s physical education curriculum.

The District may as an alternative require a student enrolled in a grade level for which the District uses block scheduling to participate in moderate or vigorous physical activity for at least 225 minutes during each period of two school weeks.

For additional information on the district’s requirements and programs regarding middle school student physical activity requirements, please see the principal.

School Health Advisory Council (SHAC)

During the preceding school year, the district’s School Health Advisory Council (SHAC) held 4 meetings. Additional information regarding the district’s SHAC is available from the district website at www.calallen.org.

The duties of the SHAC range from recommending curriculum to developing strategies for integrating curriculum into a coordinated school health program encompassing issues such as school health services, counseling services, a safe and healthy school environment, recess recommendations, improving student fitness, mental health concerns, and employee wellness.

[See policies at BDF and EHAA. See Human Sexuality Instruction for additional information.]

Student Wellness Policy/Wellness Plan

Calallen ISD is committed to encouraging healthy students and therefore has developed a board-adopted wellness policy at FFA(LOCAL) and corresponding plans and procedures to implement the policy. You are encouraged to contact campus principal with questions about the content or implementation of the district’s wellness policy and plan.
Other Health-Related Matters

Physical Fitness Assessment - Fitness Gram

Annually, the district will conduct a physical fitness assessment of students in grades 3–12 who are enrolled in a physical education course or a course for which physical education credit is awarded. At the end of the school year parents will be given a “Fitness Gram” containing information on their child’s physical fitness. At the end of the school year, a parent may submit a written request to the principal to obtain the results of his or her child’s physical fitness assessment conducted during the school year.

Vending Machines

The district has adopted and implemented the state and federal policies and guidelines for food service, including the guidelines to restrict student access to vending machines. For more information regarding these policies and guidelines, see the principal [See policies at CO and FFA.]

Tobacco and E-CigarettesProhibited (All Grade Levels and All Others on School Property)

Students are prohibited from possessing or using any type of tobacco product, including electronic cigarettes or any other electronic vaporizing device, while on school property at any time or while attending an off campus school-related activity.

The district and its staff strictly enforce prohibitions against the use of all tobacco products, including electronic cigarettes or any other electronic vaporizing device, by students and all others on school property and at school-sponsored and school-related activities. [See the Student Code of Conduct and policies at FNCD and GKA.]

Asbestos Management Plan

The district works diligently to maintain compliance with federal and state law governing asbestos in school buildings. A copy of the district’s Asbestos Management Plan is available in the superintendent’s office. If you have any questions or would like to examine the district’s plan in more detail, please contact Director of Maintenance and Operations, the district’s designated asbestos coordinator, at 242-5975.

Pest Management Plan

The district is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the district strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, pesticide use is sometimes necessary to maintain adequate pest control and ensure a safe, pest-free school environment.

All pesticides used are registered for their intended use by the United States Environmental Protection Agency and are applied only by certified pesticide applicators. Except in an emergency, signs will be posted 48 hours before indoor application. All outdoor applications will be posted at the time of treatment, and signs will remain until it is safe to enter the area. Parents who have further questions or who want to be notified prior to pesticide application inside their
child’s school assignment area may contact Director of Maintenance and Operations, the
district’s IPM coordinator, at 242-5975.

HOMELESS STUDENTS
You are encouraged to inform the district if you or your child are experiencing homelessness.
District staff can share resources with you that may be able to assist you and your family.
For more information on services for homeless students, contact the district’s homeless education
liaison, Sonya Durrwachter, Director of Special Programs at 242-5600.

HOMEWORK
See the CISD Instructional Grading and Reporting Guidelines available online at
www.calallen.org.

ILLNESS
[See Student Illness under Health-Related Matters.]

IMMUNIZATION
A student must be fully immunized against certain diseases or must present a certificate or
statement that, for medical reasons or reasons of conscience, including a religious belief, the
student will not be immunized. For exemptions based on reasons of conscience, only official
forms issued by the Texas Department of State Health Services (DSHS), Immunization Branch,
can be honored by the district. This form may be obtained by writing the DSHS Immunization
Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347; or online at Affidavit Request
for Exemption from Immunization. The form must be notarized and submitted to the principal or
school nurse within 90 days of notarization. If the parent is seeking an exemption for more than
one student in the family, a separate form must be provided for each student.

The immunizations required are: diphtheria, tetanus, and pertussis; rubeola (measles), mumps,
and rubella; polio; hepatitis A; hepatitis B; varicella (chicken pox); and meningococcal. The
school nurse can provide information on age-appropriate doses or on an acceptable physician-
validated history of illness required by the TDSHS. Proof of immunization may be established
by personal records from a licensed physician or public health clinic with a signature or rubber-
stamp validation.

If a student should not be immunized for medical reasons, the student or parent must present a
certificate signed by a U.S. registered and licensed physician stating that, in the doctor’s opinion,
the immunization required is medically contraindicated or poses a significant risk to the health
and well-being of the student or a member of the student’s family or household. This certificate
must be renewed yearly unless the physician specifies a life-long condition.

As noted at Bacterial Meningitis, entering college students must also, with limited exception,
furnish evidence of having received a bacterial meningitis vaccination within the five years prior
to enrolling in and attending classes at an institution of higher education. A student wanting to
enroll in a dual credit course taken off campus may be subject to this requirement.

[For further information, see policy FFAB (LEGAL) and the DSHS website: Texas Schools &
Child Care Facility Immunization Requirements.]
**LAW ENFORCEMENT AGENCIES**

**Questioning of Students**
When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation. In other circumstances:

- The principal will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student at school.
- The principal ordinarily will make reasonable efforts to notify the parents unless the interviewer raises what the principal considers to be a valid objection.
- The principal ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection.

**Students Taken Into Custody**
State law requires the district to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court.
- To comply with the laws of arrest.
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision.
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court.
- By an authorized representative of Child Protective Services, Texas Department of Family and Protective Services, a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student’s physical health or safety.
- To comply with a properly issued directive to take a student into custody.

Before a student is released to a law enforcement officer or other legally authorized person, the principal will verify the officer’s identity and, to the best of his or her ability, will verify the official’s authority to take custody of the student.

The principal will immediately notify the superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a student’s release to a law enforcement officer, any notification will most likely be after the fact.

**Notification of Law Violations**
The district is required by state law to notify:
• All instructional and support personnel who have responsibility for supervising a student who has been taken into custody, arrested, or referred to the juvenile court for any felony offense or for certain misdemeanors.

• All instructional and support personnel who have regular contact with a student who is thought to have committed certain offenses or who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated for delinquent conduct for any felony offense or certain misdemeanors.

• All appropriate district personnel in regards to a student who is required to register as a sex offender.

[For further information, see policy FL (LEGAL).]

LEAVING CAMPUS

No child is permitted to leave school under any circumstances unless accompanied by a teacher, principal, or the legal guardian. Please remember that student attendance is crucial to learning. We ask that appointments be scheduled outside of school hours as much as reasonably possible. Also note that picking up a child early on a regular basis results in missed opportunities for learning. Unless the principal has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the school day.

State rules require that parental consent be obtained before any student is allowed to leave campus for any part of the school day. The district has put the following procedures in place in order to document parental consent:

• For students in elementary and middle school, a parent or otherwise authorized adult must come to the office and sign the student out. Please be prepared to show identification. Once an identity is verified, a campus representative will then call for the student or collect the student and bring him or her to the office. For safety purposes and stability of the learning environment, we cannot allow you to go to the classroom or other area unescorted to pick up the student. If the student returns to campus the same day, the parent or authorized adult must sign the student back in through the main office upon the student’s return. Documentation regarding the reason for the absence will also be required.

• If a student becomes ill during the school day and the school nurse or other district personnel determines that the student should go home, the nurse will contact the student’s parent and document the parent’s wishes regarding release from school. Unless directed by the parent to release the student unaccompanied, the parent or other authorized adult must follow the sign-out procedures as listed above. If a student is allowed to leave campus by himself or herself, as permitted by the student’s parent, or if the student is age 18 or is an emancipated minor, the nurse will document the time of day the student was released. Under no circumstances will a child in elementary or middle school be released unaccompanied by a parent or adult authorized by the parent.
If a person wishes to pick up someone else’s child, the parent or legal guardian of that child much contact the principal’s office and/or the person’s name must appear on the child’s registration card.

In case of divorce within the family, the child is only permitted to leave school by permission of the legal guardian, who must have current custody documents in the child’s record folder.

**During Lunch**

Due to the limited time for lunch, students are not allowed to leave campus in order to avoid any disruption in their instructional day.

**At Any Other Time During the School Day**

Students are not authorized to leave campus during regular school hours for any other reason, except with the permission of the principal.

Students who leave campus in violation of these rules will be subject to disciplinary action in accordance with the Student Code of Conduct.

**AFTER SCHOOL**

*In order to ensure the safety of our students, we ask parents to be consistent with after school procedures.*

**LIMITED ENGLISH PROFICIENT STUDENTS**

A student with limited English proficiency (LEP), sometimes referred to as an English language learner (ELL) in certain state statutes and state rules, is entitled to receive specialized services from the district. To determine whether the student qualifies for services, a Language Proficiency Assessment Committee (LPAC) will be formed, which will consist of both district personnel and at least one parent representative. The student’s parent must consent to any services recommended by the LPAC for a LEP student. However, pending the receipt of parental consent or denial of services, an eligible student will receive the services to which the student is entitled and eligible.

In order to determine a student’s level of proficiency in English, the LPAC will use information from a variety of assessments. If the student qualifies for services and once a level of proficiency has been established, the LPAC will then designate instructional accommodations or additional special programs the student will require to eventually become proficient at grade level work in English. Ongoing assessments will be conducted to determine a student’s continued eligibility for the program.

The LPAC will also determine whether certain accommodations are necessary for any state-mandated assessments. The STAAR-L, as mentioned at Standardized Testing, may be administered to a LEP student, or, for a student up to grade 5, a Spanish version of STAAR. In limited circumstances, a student’s LPAC may exempt the student from an otherwise required state-mandated assessment or may waive certain graduation requirements related to the English I end-of-course (EOC) assessment. The Texas English Language Proficiency Assessment System (TELPAS) will also be administered to LEP students who qualify for services.
If a student is considered LEP and receives special education services because of a qualifying disability, the student’s ARD committee will make instructional and assessment decisions in conjunction with the LPAC.

LOST AND FOUND

A “lost and found” collection box is located in a designated area on each campus. If your child has lost an item, please encourage him or her to check the lost and found box. The district discourages students from bringing to school personal items of high monetary value, as the district is not responsible for lost or stolen items. The campus will dispose of lost and found items at the end of each semester.

NONDISCRIMINATION STATEMENT

In its efforts to promote nondiscrimination and as required by law, Calallen ISD does not discriminate on the basis of race, religion, color, national origin, gender, sex, disability, age, or any other basis prohibited by law, in providing education services, activities, and programs, including CTE programs, and provides equal access to the Boy Scouts and other designated youth groups. The following district representatives have been designated to coordinate compliance with these legal requirements:

- Title IX Coordinator, for concerns regarding discrimination on the basis of sex, including sexual harassment or gender-based harassment: Dr. Neta Hill, Director of Personnel and Administrative Services, 4205 Wildcat Drive, Corpus Christi, Texas, 78410.
- ADA/Section 504 Coordinator, for concerns regarding discrimination on the basis of disability: Sonya Durrwachter, Director of Special Programs, 4205 Wildcat Drive, Corpus Christi, Texas, 78410.
- All other concerns regarding discrimination: See the superintendent, Dr. Arturo Almendarez, 4205 Wildcat Drive, Corpus Christi, Texas, 78410.

PARENT AND FAMILY ENGAGEMENT

Working Together

Both experience and research tell us that a child’s education succeeds best when there is good communication and a strong partnership between home and school. Your involvement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child’s school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the school counselor or principal any questions you may have about the options and opportunities available to your child.
• Reviewing the requirements and options for graduation with your child in middle school and again while your child is enrolled in high school.

• Monitoring your child’s academic progress and contacting teachers as needed. [See Academic Counseling.]

• Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, school counselor, or principal, please call the school office at your child’s campus [Calallen Middle School 361-242-5672] for an appointment. The teacher will usually return your call or meet with you during his or her conference period or before or after school. [See Report Cards/Progress Reports and Conferences.]

• Becoming a school volunteer. [For further information, see policy GKG and Volunteers.]

• Participating in campus parent organizations. Parent organizations include: PTA.

• Serving as a parent representative on the district-level or campus-level planning committees, assisting in the development of educational goals and plans to improve student achievement. [For further information, see policies at BQA and BQB, and contact the principal.]

• Serving on the School Health Advisory Council (SHAC), assisting the district in ensuring local community values are reflected in health education instruction and other wellness issues. [See policies at BDF, EHAA, FFA, and information in this handbook at School Health Advisory Council.]

• Serving on a committee to determine criteria to be used to evaluate the overall performance of the district and each campus in community and student engagement. For further information, please contact the campus principal.

• Being aware of the school’s ongoing bullying and harassment prevention efforts.

• Contacting school officials if you are concerned with your child’s emotional or mental well-being.

• Attending board meetings to learn more about district operations. [See policies at BE and BED for more information.]

PLEDGES OF ALLEGIANCE AND A MINUTE OF SILENCE

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge. [See Reciting the Pledges to the U.S. and Texas Flags.]

State law requires that one minute of silence follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. In addition, state law requires that each campus provide for the observance of one minute of silence at the beginning of the first class period when September 11th falls on a regular school day in remembrance of those who lost their lives on September 11, 2001.
[See policy EC for more information.]

**PRAYER**

Each student has a right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt instructional or other activities of the school. The school will not encourage, require, or coerce a student to engage in or to refrain from such prayer or meditation during any school activity.

**PROMOTION AND RETENTION**

A student will be promoted only on the basis of academic achievement or demonstrated proficiency in the subject matter of the course or grade level, the recommendation of the student’s teacher, the score received on any criterion-referenced or state-mandated assessment, and any other necessary academic information as determined by the district. To earn credit in a course, a student must receive a grade of at least 70 based on course-level or grade-level standards.

- Course assignments and unit evaluation shall be used to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade.

- Mastery of the skills necessary for success at the next level shall be validated by assessments that may either be incorporated into unit or final exams, or may be administered separately. Mastery of at least 70 percent of the objectives shall be required.

In grades 6-8, promotion to the next grade level shall be based on an overall average of 70 on course-level, grade level TEKS for language arts, mathematics, science, and social studies, and a grade of 70 or above in language arts and mathematics.

In addition, at certain grade levels a student—with limited exceptions—will be required to pass the State of Texas Assessments of Academic Readiness (STAAR), if the student is enrolled in a public Texas school on any day between January 1 and the date of the first administration of the STAAR.

If a student in grade 5 or 8 is enrolled in a course that earns high school credit and for which an end-of-course (EOC) assessment will be administered, the student will not be subject to the promotion requirements described above for the relevant grade 5 or 8 assessment. However, for federal accountability purposes, the student may be required to take both the grade level assessment and EOC assessment.

If a student in grades 3–8 is enrolled in a class or course intended for students above his or her current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state mandated assessment only for the course in which he or she is enrolled, unless otherwise required to do so by federal law. [See Standardized Testing]
Parents of a student who does not perform satisfactorily on his or her exams will be notified that their child will participate in special instructional programs designed to improve performance. The student may be required to participate in this instruction before or after normal school hours or outside of the normal school year. Failure of a student to attend these programs may result in violations of required school attendance as well as the student not being promoted to the next grade level.

A student in grade 5 or 8 will have two additional opportunities to take a failed assessment. If a student fails a second time, a grade placement committee, consisting of the principal or designee, the teacher, and the student’s parent, will determine the additional special instruction the student will receive. After a third failed attempt, the student will be retained; however, the parent can appeal this decision to the committee. In order for the student to be promoted, based on standards previously established by the district, the decision of the committee must be unanimous and the student must complete additional special instruction before beginning the next grade level. Whether the student is retained or promoted, an educational plan for the student will be designed to enable the student to perform at grade level by the end of the next school year. [See policy EIE.]

Students will also have multiple opportunities to retake EOC assessments. [Standardized Testing on page 61 for more information about EOC assessments.]

Certain students—some with disabilities and some with limited English proficiency—may be eligible for exemptions, accommodations, or deferred testing. For more information, see the principal, school counselor, or special education director.

A Personal Graduation Plan (PGP) will be prepared for any student in a middle school or beyond who did not perform satisfactorily on a state-mandated assessment or is determined by the district as not likely to earn a high school diploma before the fifth school year following enrollment in grade 9. The PGP will be designed and implemented by a school counselor, teacher, or other staff member designated by the principal. The plan will, among other items, identify the student’s educational goals, address the parent’s educational expectations for the student, and outline an intensive instruction program for the student. [For additional information, see the school counselor and policy EIF(LEGAL).] For a student receiving special education services, the student’s IEP may serve as the student’s PGP and would therefore be developed by the student’s ARD committee.

**PROOF OF RESIDENCY/CHANGE OF ADDRESS**

If a parent moves or changes telephone numbers, the new address and phone number should be given to the office so files and the emergency card can be updated. If a parent moves from the district, the student must withdraw and enroll at the school within the district to which (s)he has moved.

**False Information**

Presenting false information or false records for identification is a criminal offense under Penal Code 37.10 and enrolling the child under false documents makes the person liable for tuition or other costs provided below. *Education Code 25.002 (d)*
A person who knowingly falsifies information on a form required for a student's enrollment in the District shall be liable to the District if the student is not eligible for enrollment, but is enrolled on the basis of false information. For the period during which the ineligible student is enrolled, the person is liable for the maximum tuition fee the District may charge or the amount the District has budgeted per student as maintenance and operating expense, whichever is greater. *Education Code 25.001 (h)*

**RELEASE OF STUDENTS FROM SCHOOL**

[See *Leaving Campus*.]

**REPORT CARDS / PROGRESS REPORTS AND CONFERENCES**

Report cards with each student’s grades or performance and absences in each class or subject are issued to parents at least once every 9 weeks.

At the end of the third and sixth week of a nine-week grading period, parents will be given a written progress report if their child’s performance in English language arts, mathematics, science, or social studies is near or below 70, or is below the expected level of performance. If the student receives a grade lower than 70 in any class or subject at the end of a grading period, the parent will be requested to schedule a conference with the teacher of that class or subject. [See *Working Together* for how to schedule a conference.]

Teachers follow grading guidelines that have been approved by the principal pursuant to the board-adopted policy and are designed to reflect each student’s relative mastery of each assignment for the grading period, semester, or course. State law provides that a test or course grade issued by a teacher cannot be changed unless the board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the district’s grading policy. [See policy EIA(LOCAL) and *Grading Guidelines*.]

Questions about grade calculation should first be discussed with the teacher; if the question is not resolved, the student or parent may request a conference with the principal in accordance with FNG(LOCAL).

The report card or unsatisfactory progress report will state whether tutorials are required for a student who receives a grade lower than 70 in a class or subject.

Report cards and unsatisfactory progress reports must be signed by the parent and returned to the school within 5 days.

**RETAIATION**

[See *Dating Violence, Discrimination, Harassment, and Retaliation*.]

**SAFETY**

Student safety on campus, at school-related events, and on district vehicles is a high priority of the district. Although the district has implemented safety procedures, the cooperation of students is essential to ensuring school safety. A student is expected to:

- Avoid conduct that is likely to put the student or others at risk.
• Follow the behavioral standards in this handbook and the Student Code of Conduct, as well as any additional rules for behavior and safety set by the principal, teachers, or bus drivers.
• Remain alert to and promptly report to a teacher or the principal any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member.
• Know emergency evacuation routes and signals.
• Follow immediately the instructions of teachers, bus drivers, and other district employees who are overseeing the welfare of students.

Accident Insurance
Soon after the school year begins, parents will have the opportunity to purchase low-cost accident insurance that would help meet medical expenses in the event of injury to their child.

Lost/Runaway Child
If a child becomes lost, or is suspected of being a runaway between home and school, the school will:
• Check with parent if student does not arrive at school and has not been reported absent by parents.
• Check for students’ possible route to school.
• Call Superintendent's office.
• Advise parent to notify police if student has not been located within a reasonable period of time.

This notification to the police must be made by a parent or guardian.

If a child or student leaves school or is reported missing between school and home, the school will:
• Call parent or guardian.
• Call Superintendent's office.
• Call police if student has not been located within a reasonable period of time.

NOTE: It is important to maintain one contact person at the police station.

Preparedness Drills: Evacuation, Severe Weather, and Other Emergencies
From time to time, students, teachers, and other district employees will participate in preparedness drills of emergency procedures. When the command is given or alarm is sounded, students need to follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

Emergency Procedures
• Lock Downs
Teachers will lock their classroom doors and will not be able to let students in or out until notification from the office. In addition, the front doors to the school will be locked and no
one may leave or enter. Lock Downs will be used in emergencies when danger may be presented to students by leaving the classroom. Reasons for a Lock Down may include:

- A dangerous situation on campus
- A dangerous situation in vicinity of school grounds
- Notification by Central Administration of a potential danger

**Evacuation of Building**

During Fire Drills, teachers will take their attendance rosters and exit the building with the students as quickly and safely as possible. Classroom doors will be closed and locked upon exiting. Reasons for evacuation of building may include:

- A fire or fire drill
- A bomb threat

**Shelter in Place – Weather, Chemical Spill, Suspicious Activity**

If there is an alert that a funnel cloud has been sighted near the school, classes need to practice tornado safety procedures at once. Classes will report to designated locations and protect their necks with their hands as they sit facing the interior walls. Classroom doors will be closed to protect against flying debris until the “all clear” signal from the office is given.

If there is a chemical spill, classes will follow Shelter in Place procedures and remain in their classrooms. Each classroom has an orange bucket with classroom supplies to secure their classroom.

Students will also Shelter in Place in their classrooms with doors locked if there is any suspicious activity in the area.

**Emergency Medical Treatment and Information**

If a student has a medical emergency at school or a school-related activity when the parent cannot be reached, the school may have to rely on previously provided written parental consent to obtain emergency medical treatment, and information about allergies to medications, foods, insect bites, etc. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the school nurse to update any information that the nurse or the teacher needs to know.

**Emergency School-Closing Information**

Each year, parents are asked to complete an emergency release form to provide contact information in the event that school is dismissed early or opening is delayed because of severe weather or another emergency, or if the campus must restrict access due to a security threat.

If the campus must close, delay opening, or restrict access to the building because of an emergency, the district will alert the community in the following ways:

- K-99  99.1 FM  289-0111
- KOUL  103.7 FM  883-1600
- KIII-TV  Channel 3 (cable 5)  986-8300
Please tune in to any of these stations for information. If there is no announcement, Calallen schools will be in session.

**Severe Weather**

A plan of action will be put into effect in the event of a tornado, hurricane warning or when severe weather warnings are received. Instructions for sending children home will come from the superintendent’s office to the building principal. Parents coming to the school for their children are asked to remain in the office, in order not to excite the students remaining in the class.

**SCHOOL BOARD POLICY NOTICE**

School Board policies are available online at [www.calallen.org](http://www.calallen.org).

**SCHOOL DAY**

Each year, parents are asked to complete an emergency release form to provide contact information in the event that school is dismissed early because of severe weather or another emergency.

**Calallen Middle School:** See Bell Schedule.

Breakfast is served from 8:00 a.m. – 8:30 a.m.

**SCHOOL FACILITIES**

**Use by Students Before and After School**

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place.

Unless the teacher or sponsor overseeing an activity gives permission, a student will not be permitted to go to another area of the building or campus.

After dismissal of school in the afternoon, unless a student is involved in an activity under the supervision of a teacher or other authorized employee or adult, or unless students are granted permission to remain on campus in accordance with policy FNAB, students must leave campus immediately.

**Conduct Before and After School**

Teachers and administrators have full authority over student conduct at before- or after-school activities on district premises and at school-sponsored events off district premises, such as play rehearsals, club meetings, athletic practices, and special study groups or tutorials. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to
consequences established by the Student Code of Conduct or any stricter standards of behavior established by the sponsor for extracurricular participants.

**Use of Hallways During Class Time**

Loitering or standing in the halls during class is not permitted. During class time, a student must have a hall pass to be outside the classroom for any purpose. Failure to obtain a pass will result in disciplinary action in accordance with the Student Code of Conduct.

**Library**

The library is a learning laboratory with books, computers, magazines, and other materials available for classroom assignments, projects, and reading or listening pleasure. The library is open before school for independent student use with a teacher permit.

**SEARCHES**

In the interest of promoting student safety and attempting to ensure that schools are safe and drug free, district officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

**Students’ Desks and Lockers**

Students’ desks and lockers are school property and remain under the control and jurisdiction of the school even when assigned to an individual student.

Students are fully responsible for the security and contents of their assigned desks and lockers. Students must be certain that their lockers are locked, and that the combinations are not available to others.

Searches of desks or lockers may be conducted at any time there is reasonable suspicion to believe that they contain articles or materials prohibited by policy, whether or not a student is present.

The parent will be notified if any prohibited items are found in the student’s desk or locker.

**Telecommunications and Other Electronic Devices**

Use of district-owned equipment and its network systems is not private and will be monitored by the district. [See policy CQ for more information.]

Any searches of personal telecommunications or other personal electronic devices will be conducted in accordance with law, and the device may be confiscated in order to perform a lawful search. A confiscated device may be turned over to law enforcement to determine whether a crime has been committed.

Electronic devices (i.e., cell phones, pagers, I-Pods, MP3 players, and electronic games) are allowed on campus, but are required to be turned off and put away at all times. Due to the potentially disruptive nature of these devices, campus administration heavily discourages their presence on campus, especially during any state testing. Possession of a cell phone during state testing can result in your child's testing being invalid. If a student brings any of these devices to school, they will be held responsible for the security of the item(s).
If any type of electronic devices is seen or heard by a staff member, it will be taken up and turned over to campus administration. A $15.00 fine will be charged. The item will be returned to the student's parent upon receipt of payment.

[See policy FNF(LEGAL) and Electronic Devices and Technology Resources for more information.]

**Trained Dogs**

The district will use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol. At any time, trained dogs may be used around lockers and the areas around vehicles parked on school property. Searches of classrooms, common areas, or student belongings may also be conducted by trained dogs when students are not present. An item in a classroom, a locker, or a vehicle to which a trained dog alerts may be searched by school officials.

**SEXUAL HARASSMENT**

[See Dating Violence, Discrimination, Harassment, and Retaliation.]

**SPECIAL PROGRAMS**

The district provides special programs for gifted and talented students, homeless students, students in foster care, bilingual students, migrant students, English language learners, students diagnosed with dyslexia, and students with disabilities. The coordinator of each program can answer questions about eligibility requirements, as well as programs and services offered in the district or by other organizations. A student or parent with questions about these programs should contact the school counselor.

**STANDARDIZED TESTING**

**STAAR (State of Texas Assessments of Academic Readiness)**

**Grades 6-8**

In addition to routine tests and other measures of achievement, students at certain grade levels are required to take the state assessment, called STAAR, in the following subjects:

- Mathematics, annually in grades 6-8
- Reading, annually in grades 6-8
- Writing, including spelling and grammar, grade 7
- Science in grade 8
- Social Studies in grade 8

Successful performance on the reading and math assessments in grade 8 is required by law, unless the student is enrolled in a reading or math course intended for students above the student’s current grade level, in order for the student to be promoted to the next grade level. [See Promotion and Retention for additional information.]
STAAR Modified and STAAR Alternate, for students receiving special education services, will be available for eligible students, as determined by the student’s ARD committee.

STAAR-L is a linguistically accommodated assessment that is available for certain limited English proficient (LEP) students, as determined by the student’s Language Proficiency Assessment Committee (LPAC). A Spanish version of STAAR End-of-Course (EOC) Assessments for Students in Grades 9–12

Beginning with ninth graders in the 2011–2012 school year and, as modified by House Bill 5, end-of-course (EOC) assessments are administered for the following courses:

- Algebra I
- English I and English II,
- Biology
- United States History

Satisfactory performance on the applicable assessments will be required for graduation. There are three testing windows during the year in which a student may take an EOC assessment, which will occur during the fall, spring, and summer months. If a student does not meet satisfactory performance, the student will have additional opportunities to retake the assessment.

STAAR Alternate 2- is available for eligible students receiving special education services who meet certain state-established criteria as determined by the student’s ARD committee.

STAAR Spanish is available for eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

STUDENTS IN FOSTER CARE

In an effort to provide educational stability, the district will assist any student who is currently placed or newly placed in foster care (temporary or permanent custody of the state) with the enrollment and registration process, as well as other educational services throughout the student’s enrollment in the district.

A student who is placed in foster care and who is moved outside of the district’s attendance boundaries is entitled to continue in enrollment at the school he or she was attending prior to the placement until the student reaches the highest grade level at the particular school. In addition, if a student in grade 11 or 12 is transferred to another district and does not meet the graduation requirements of the transferring district, the student can request to receive a diploma from the previous district if he or she meets the criteria to graduate from the previous district.

Please contact the Director of Personnel and Administrative Services, who has been designated as the district’s foster care liaison, at (361)242-5600 with any questions.

SUBSTANCE ABUSE PREVENTION AND INTERVENTION

If you are worried that your child may be using or is in danger of experimenting, using, or abusing illegal drugs or other prohibited substances, please contact the school counselor.
school counselor can provide you with a list of community resources that may be of assistance to you. The TDSHS maintains information regarding children’s mental health and substance abuse intervention services on its website: Services for Children and Adolescents.

**SUICIDE AWARENESS**

The district is committed to partnering with parents to support the healthy mental, emotional, and behavioral development of its students. If you are concerned about your child, please access Texas Suicide Prevention or contact the school counselor for more information related to suicide prevention services available in your area.

**TARDINESS**

Students arriving to class after 8:30 AM are considered tardy and must report to the office for a tardy slip, which is given to the teacher.

Perfect attendance is awarded to students who are present each school day. To be considered present, students must check in to school on time and not excessively arrive late or be picked up early from school. If a child has 4 or more tardies or is picked up early 4 or more times for any six week period, he/she will not be able to participate in perfect attendance activities for that six weeks. Students who fall in this category will also not be eligible for end-of-semester or end-of-year perfect attendance awards.

Parents of students who receive 9 or more unexcused tardies or early dismissals in a semester may also receive a compulsory school attendance letter and may be subject to truancy charges. In order for a tardy or early dismissal to be excused, a doctor’s excuse must be provided by the next school day.

**TEXTBOOKS, ELECTRONIC TEXTBOOKS, TECHNOLOGICAL EQUIPMENT, AND OTHER INSTRUCTIONAL MATERIALS**

Textbooks and other district-approved instructional materials are provided to students free of charge for each subject or class. Any books must be covered by the student, as directed by the teacher, and treated with care. Electronic textbooks and technological equipment may also be provided to students, depending on the course and course objectives. A student who is issued a damaged item should report the damage to the teacher. Any student failing to return an item in acceptable condition loses the right to free textbooks and technological equipment until the item is returned or the damage paid for by the parent; however, the student will be provided the necessary instructional resources and equipment for use at school during the school day.

**TRANSFERS**

Students living out of district must apply for transfer annually. Application may be downloaded and completed for review by the Assistant Superintendent for Personnel and Administrative Services. Applications may also be picked up at CISD Central Administration Office. Students must meet certain criteria in the area of grades, attendance, and discipline. In addition to the above criteria, the number of transfer students accepted will be determined by space availability.
and compliance with Federal Court Order Civil Action 5281. Out of district transfer students are eligible to attend district school tuition-free in accordance with DEB (LOCAL).

The principal is authorized to transfer a student from one classroom to another.

[See Safety Transfers/Assignments, Bullying, and Students Who Have Learning Difficulties or Who Need Special Education Services, for other transfer options.]

TRANSPORTATION

School-Sponsored Trips

Students who participate in school-sponsored trips are required to use transportation provided by the school to and from the event. As approved by the principal, a coach or sponsor of an extracurricular activity may establish procedures related to making an exception to this requirement when a parent requests that the student be released to the parent or to another adult designated by the parent.

Buses and Other School Vehicles

The district makes school bus transportation available to all students living two or more miles from school. This service is provided at no cost to students. Bus routes and any subsequent changes are posted on the school and on the district’s web site at www.calallen.org.

Bus Stops

Calallen ISD Transportation Department will no longer pick up or deliver a student to multiple addresses. The only pick-up and drop-off address that will be serviced for your child is the address listed on the back of the registration card that is completed at registration. Any change in the addresses must be permanent and submitted in writing to the Campus Administrator or their designee. A minimum of twenty-four (24) hours’ notice will be required to implement this permanent change.

It will be the parent's responsibility to make arrangements to transport the child, if a nonpermanent pick up or drop off location is needed.

In extreme circumstances, the Campus Administrator or their designee may allow a change in this policy, but only if the request is made before 2:00 p.m. and is submitted one of the following manners: fax, email, or a signed, written request.

Bus routes and stops will be designated annually, and any subsequent changes will be posted at the school and on the district’s website. For the safety of the operator of the vehicle and all passengers, students must board buses or other vehicles only at authorized stops, and drivers must unload passengers only at authorized stops.

Students who are not bus eligible may not use the bus as transportation except for school trips.

Following are board policies dealing with bus stops and eligibility to ride school buses:

Eligibility for student transportation shall be as follows:

1. The District shall not provide transportation to any student for whom it does not receive state transportation funds except for those who reside in areas considered hazardous zones on regular transportation. (Hazardous zones are defined as areas in which students must travel on
or cross highways 77, 9, 37, 624, 24 (Violet Road), or 1694 (Callicoate between Leopard and Hearn) to reach the school they attend.

Students shall be picked up and/or delivered only within the boundaries of their attendance zone. The superintendent is authorized to make exceptions only as allowed in state law such as service to state licensed commercial day care businesses.

2. Parents who are bus drivers may bring their child/children to the transportation facility to ride the bus provided the child abides by the rules, does not create a problem, and room is available.

3. Children may be served from an address other than the home address or picked up and delivered to different addresses within the approved zone if:
   a. The service is on a consistent daily basis (multiple exceptions may result in cancellation of this approval).
   b. The service is requested through the campus principal or designee and approved by the transportation department.
   c. The vehicles involved are able to provide the service without revising routes or creating additional expense.

A parent may also designate a child-care facility or grandparent’s residence as the regular pickup and drop-off location for his or her child. The designated facility or residence must be on an approved stop on an approved route. For information on bus routes and stops or to designate an alternate pickup or drop-off location, you may contact the Director of Transportation at (361)242-5983.

[See the Student Code of Conduct for provisions regarding transportation to the DAEP.]

**Bus Pass**

The child must acquire a pass when taking the bus for the first time.

**Rules for Bus Conduct**

Students are expected to assist district staff in ensuring that buses and other district vehicles remain in good condition and that transportation is provided safely. When riding in district vehicles, including buses, students are held to behavioral standards established in this handbook and the Student Code of Conduct.

Students being transported in school-owned vehicles are required to comply with all school rules and regulations on school buses as spelled out in the **STUDENT CODE OF CONDUCT**. Parent support is essential. Minor offenses are handled by bus drivers. Serious misconduct and violations of the **STUDENT CODE OF CONDUCT** are referred to campus principals where discipline is administered according to the level of the offense. Parents are notified by principals as to the nature of the offense and the discipline administered the student. **Serious misconduct or persistent misbehavior on school buses results in student's loss of transportation privileges.**

Students are expected to assist district staff in ensuring that buses remain in good condition and that transportation is provided safely. When riding in district vehicles, students are held to behavioral standards established in this handbook and the Student Code of Conduct.

**The following rules shall apply to student conduct on school transportation.**

1. Passengers shall follow the driver's directions at all times.
2. Passengers shall board and leave the vehicle in an orderly manner. **Students may only exit the vehicle at his/her designated stop unless a green slip from the office is provided.**
3. Passengers shall not stand if there is a seat available. If a passenger must ride standing, the passenger shall face the front and hold on to the seat rails.
4. Passengers shall keep books, band instrument cases (bus drivers may have a designated band instrument seat), feet, and other objects out of the aisle of the bus.
5. Passengers shall not deface any district vehicle and/or its equipment (this will result in immediate removal from the bus and restitution of damages).
6. Passengers shall not extend head, hands, arms, or legs out of the windows nor hold any object out of the window nor throw objects within or out of any district vehicle.
7. Passengers shall not use or possess any form of tobacco or e-cigarettes.
8. Usual classroom conduct shall be observed. Unruly conduct (absolutely no hazing), including the use of obscene language, will subject the passenger to disciplinary action.
9. Upon leaving the any district vehicle, the passenger will wait for the driver's signal before crossing in front of the vehicle.
10. Food and drink will not be consumed on regular bus routes. On field trips, sponsors will use their discretion in allowing or not allowing food or drink to be consumed.
11. **Bus drivers are authorized to assign seats.**
12. **Students that are ill may not be transported on CISD transportation vehicles.**

Misconduct will be punished in accordance with the Student Code of Conduct; the privilege to ride in a district vehicle, including a school bus, may be suspended or revoked.

**VANDALISM**

The taxpayers of the community have made a sustained financial commitment for the construction and upkeep of school facilities. To ensure that school facilities can serve those for whom they are intended—both this year and for years to come—littering, defacing, or damaging school property is not tolerated. Students will be required to pay for damages they cause and will be subject to criminal proceedings as well as disciplinary consequences in accordance with the Student Code of Conduct.

**VIDEO CAMERAS**

For safety purposes, video and audio recording equipment is used to monitor student behavior, including on buses and in common areas on campus. Students will not be told when the equipment is being used.

The principal will review the video and audio recordings routinely and document student misconduct. Discipline will be in accordance with the Student Code of Conduct.

**VISITORS TO THE SCHOOL**

**General Visitors**

Parents and others are welcome to visit district schools. For the safety of those within the school and to avoid disruption of instructional time, all visitors must first report to the main office and
must comply with all applicable district policies and procedures. When arriving on campus, all parents and other visitors should be prepared to show identification.

Please make arrangements with your child’s teacher if you wish to schedule a conference. **Lunch visitors** should limit visits to **no more than 2 days per week**. Lunch visitors are to eat in the designated area with their child only and may only provide food to their own child. We want to support your child not only academically but also socially. Allowing them to go through school days without daily parent visits is a healthy start for them.

When a court issued restraining order is requested of one parent due to a separation, an official copy of the court order must be on file in the principal’s office. It is important to provide the office with a copy of any legal documents that may pertain to your child.

All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted.

**VOLUNTEERS**

We appreciate so much the efforts of parent and grandparent volunteers that are willing to serve our district and students. If you are interested in volunteering, please contact the assistant principal for more information and to complete an application.

**WITHDRAWING FROM SCHOOL**

A student under 18 may be withdrawn from school only by a parent. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. The parent may obtain a withdrawal form from the principal’s office.

On the student’s last day, the withdrawal form must be presented to each teacher for current grade averages and book and equipment clearance; to the librarian to ensure a clear library record; to the clinic for health records; to the school counselor for the last report card and course clearance; and finally, to the principal. A copy of the withdrawal form will be given to the student, and a copy will be placed in the student’s permanent record.

A student who is 18 or older, who is married, or who has been declared by a court to be an emancipated minor may withdraw without parental signature.
Glossary

**Accelerated instruction** is an intensive supplemental program designed to address the needs of an individual student in acquiring the knowledge and skills required at his or her grade level and/or as a result of a student not meeting the passing standard on a state-mandated assessment.

**ACT-Aspire** refers to an assessment that took the place of ACT-Plan and is designed as a preparatory and readiness assessment for the ACT. This is usually taken by students in grade 10.

**ACT** refers to one of the two most frequently used college or university admissions exams: the American College Test. The test may be a requirement for admission to certain colleges or universities.

**ARD** is the admission, review, and dismissal committee convened for each student who is identified as needing a full and individual evaluation for special education services. The eligible student and his or her parents are members of the committee.

**Attendance review committee** is responsible for reviewing a student’s absences when the student’s attendance drops below 90 percent, or in some cases 75 percent, of the days the class is offered. Under guidelines adopted by the board, the committee will determine whether there were extenuating circumstances for the absences and whether the student needs to complete certain conditions to master the course and regain credit or a final grade lost because of absences.

**DAEP** stands for disciplinary alternative education program, a placement for students who have violated certain provisions of the Student Code of Conduct.

**EOC assessments** are end-of-course tests, which are state-mandated, and are part of the STAAR program. Successful performance on EOC assessments are required for graduation. These exams will be given in English I, English II, Algebra I, Biology, and United States History.

**ESSA** is the Every Student Succeeds Act passed by the federal government in December 2015.

**FERPA** refers to the federal Family Educational Rights and Privacy Act that grants specific privacy protections to student records. The law contains certain exceptions, such as for directory information, unless a student’s parent or a student 18 or older directs the school not to release directory information.

**IEP** is the written record of the individualized education program prepared by the ARD committee for a student with disabilities who is eligible for special education services. The IEP contains several parts, such as a statement of the student’s present educational performance; a statement of measurable annual goals, with short-term objectives; the special education and related services and supplemental aids and services to be provided, and program modifications or support by school personnel; a statement regarding how the student’s progress will be measured and how the parents will be kept informed; accommodations for state or districtwide tests; whether successful completion of state-mandated assessments is required for graduation, etc.

**ISS** refers to in-school suspension, a disciplinary technique for misconduct found in the Student Code of Conduct. Although different from out-of-school suspension and placement in a DAEP, ISS removes the student from the regular classroom.

**NCLB Act** is the federal No Child Left Behind Act of 2001.

**PGP** stands for Personal Graduation Plan, which is required for high school students and for any student in middle school who fails a section on a state-mandated test or is identified by the
district as not likely to earn a high school diploma before the fifth school year after he or she begins grade 9.

**PSAT** is the preparatory and readiness assessment for the SAT.

**SAT** refers to one of the two most frequently used college or university admissions exams: the Scholastic Aptitude Test. The test may be a requirement for admissions to certain colleges or universities.

**SHAC** stands for School Health Advisory Council, a group of at least five members, a majority of whom must be parents, appointed by the school board to assist the district in ensuring that local community values and health issues are reflected in the district’s health education instruction, along with providing assistance with other student and employee wellness issues.

**Section 504** is the federal law that prohibits discrimination against a student with a disability, requiring schools to provide opportunities for equal services, programs, and participation in activities. Unless the student is determined to be eligible for special education services under the Individuals with Disabilities Education Act (IDEA), general education with appropriate instructional accommodations will be provided.

**STAAR** is the State of Texas Assessments of Academic Readiness, the state’s system of standardized academic achievement assessments.

**STAAR Alternate 2** is an alternative state-mandated assessment designed for students with severe cognitive disabilities receiving special education services who meet the participation requirements, as determined by the student’s ARD committee.

**STAAR Spanish** is an alternative state-mandated assessment administered to eligible students for whom a Spanish version of STAAR is the most appropriate measure of their academic progress.

**State-mandated assessments** are required of students at certain grade levels and in specified subjects. Successful performance sometimes is a condition of promotion, and passing the STAAR EOC assessments is a condition of graduation. Students have multiple opportunities to take the tests if necessary for promotion or graduation.

**Student Code of Conduct** is developed with the advice of the district-level committee and adopted by the board and identifies the circumstances, consistent with law, when a student may be removed from a classroom, campus, or district vehicle. It also sets out the conditions that authorize or require the principal or another administrator to place the student in a DAEP. It outlines conditions for out-of-school suspension and for expulsion. The Student Code of Conduct also addresses notice to the parent regarding a student’s violation of one of its provisions.

**TELPAS** stands for the Texas English Language Proficiency Assessment System, which assesses the progress that English language learners make in learning the English language, and is administered for those who meet the participation requirements in kindergarten–grade 12.

**TSI assessment** is the Texas Success Initiative assessment designed to measure the reading, mathematics, and writing skills that entering college-level freshmen students should have if they are to be successful in undergraduate programs in Texas public colleges and universities.

**TxVSN** is the Texas Virtual School Network, which provides online courses for Texas students to supplement the instructional programs of public school districts. Courses are taught by
qualified instructors, and courses are equivalent in rigor and scope to a course taught in a traditional classroom setting.

**UIL** refers to the University Interscholastic League, the statewide voluntary nonprofit organization that oversees educational extracurricular academic, athletic, and music contests.
APPENDIX I: Conduct at Athletic Events

Dear Calallen Parents:

Calallen is not only known for excellence in academics, it is also known for its successful tradition in athletics. This success is due in a very large part to the support and encouragement you give your son, daughter, neighbor, or friend, and his/her teammates. As I have said many times, support is a vital part of any successful program. An emotionally charged atmosphere usually surrounds good athletic competition. Everyone wants their team to win; every athlete wants to be a winner. But when the contest ends, some participants will feel happiness, relief, etc.; and some will inevitably feel disappointment and frustration. Not only are these emotions shared by the participants; they are also shared by the fans, and especially, the player’s parents.

Support can take many forms. For parents, it includes seeing to it that your athlete is present and on time for practices. It involves possibly your involvement in booster club activities. It also includes your presence at athletic events. You are a very influential role model to your son or daughter. You may never realize what an impact your influence has on their lives. Being a parent as well as a fan carries with it certain responsibilities. You represent Calallen just as your athlete represents his or her team. We, as parents and coaches, must remember first to be a good role model; second, to remain in control of our actions; and third, to be a good sport.

We have all seen officials make poor judgement calls. Although it is an unfortunate fact of life, some bad calls are to be expected. Even though we may disagree vehemently with a call, we must remember that the officials are protected by UIL rules and regulations. According to the rules and regulations, it is the responsibility of the school and its personnel to see to it that the officials are treated courteously and respectfully. Unfortunately, certain events have occurred that have placed Calallen in a vulnerable position. This is not the positive image we would like to project. We have confidence in the athletes; they have proven themselves to be winners. We also have confidence in their parent; you have taught your children what it takes to be a winner. Let us not forget that the behavior you expect from your son or daughter also extends to your behavior as a spectator. Sportsmanship is not confined to the playing field. Thank you for your cooperation in this vital matter.

Sincerely,

Phil Danaher

APPENDIX II: Freedom From Bullying Policy

Note that school board policies may be revised at any time. For legal context and the most current copy of the local policy, visit http://pol.tasb.org/Policy/Code/947?filter=FFI. Below is the text of Calallen ISD’s policy FFI(LOCAL) as of the date that this handbook was finalized for this school year.

STUDENT WELFARE: FREEDOM FROM BULLYING

Adopted on [2/11/2015]

**Note:** This policy addresses bullying of District students. For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

**BULLYING PROHIBITED**
The District prohibits bullying as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

**DEFINITION**
Bullying occurs when a student or group of students engages in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-sponsored or school-related activity, or in a vehicle operated by the District and that:

1. Has the effect or will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm to the student’s person or of damage to the student's property; or
2. Is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

This conduct is considered bullying if it:

1. Exploits an imbalance of power between the student perpetrator and the student victim through written or verbal expression or physical conduct; and
2. Interferes with a student’s education or substantially disrupts the operation of a school.

**EXAMPLES**
Bullying of a student may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

**RETRALIATION**
The District prohibits retaliation by a student or District employee against any person who in good faith makes a report of bullying, serves as a witness, or participates in an investigation.

**EXAMPLES**
Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.
A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, counselor, principal, or other District employee.

Any District employee who suspects or receives notice that a student or group of students has or may have experienced bullying shall immediately notify the principal or designee.

A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.

The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.

The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation.

The principal or designee shall prepare a final, written report of the investigation. The report shall include a determination of whether bullying occurred, and if so, whether the victim used reasonable self-defense. A copy of the report shall be sent to the Superintendent or designee.

If an incident of bullying is confirmed, the principal or designee shall promptly notify the parents of the victim and of the student who engaged in bullying.

The District designates the following person to coordinate Districtwide anti-bullying efforts:

Name: Dr. Neta Hill
Position: Director of Personnel & Administrative Services
Address: 4205 Wildcat Drive, Corpus Christi, TX 78410
Telephone: (361) 242-5600

If the results of an investigation indicate that bullying occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the
District’s Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.

**DISCIPLINE**
A student who is a victim of bullying and who used reasonable self-defense in response to the bullying shall not be subject to disciplinary action.

The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.

**CORRECTIVE ACTION**
Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District’s policy against bullying.

**TRANSFERS COUNSELING**
The principal or designee shall refer to FDB for transfer provisions.

**IMPROPER CONDUCT**
The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.

**CONFIDENTIALITY**
To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

**APPEAL**
A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level.

**RECORDS RETENTION**
Retention of records shall be in accordance with CPC(LOCAL).

**ACCESS TO POLICY AND PROCEDURES**
This policy and any accompanying procedures shall be distributed annually in the employee and student handbooks. Copies of the policy and procedures shall be posted on the District’s Web site, to the extent practicable, and shall be readily available at each campus and the District’s administrative offices.
APPENDIX III: INTERNET CONNECTIVITY AND TECHNOLOGY TOOLS CALALLEN I.S.D. ACCEPTABLE USE POLICY

Last Edited April 5, 2011

These guidelines are based on the Children’s Internet Protection Act (CIPA) and its four guiding principles of: respect, privacy, sharing, and safety. These guidelines are appropriate for all technology users and we encourage parents to follow these guidelines in their own homes. Calallen I.S.D. (CISD) provides access to electronic resources that promote educational excellence, sharing of information, innovative instruction, and online communication to enhance our learners’ ability to live and work in the 21st century. Online communication constitutes email, Internet, blogging, any use of network resources, etc. CISD electronic resources include, but are not limited to all hardware, software, data, communication devices, printers, servers, filtered Internet access, and local and wide area networks.

Online communication is critical for today’s learners to apply 21st Century Skills and employ tools such as interactive websites, blogs, video conferencing, podcasts, etc. which offer authentic opportunities for students to express and share information. To keep students safe and comply with the Children’s Internet Protection Act (CIPA), the Acceptable Use Policy is put in place and updated to accommodate for the many education and global changes to date. This Acceptable Use Policy is written for all those who use school provided network connections. These connections may be used for classroom blogs, student emails, podcast projects, interactive websites, and any other occasion students, teachers, or community members use school network space.

The following is a statement of rules and guidelines for the acceptable use of electronic information resources. These are provided to help understand what acceptable behavior with the use of technology is. While these rules and guidelines detail acceptable use of electronic information resources anywhere, these are rules and guidelines under which all members of the CISD community (students and staff) will be held accountable.

**USAGE GUIDELINE**

CISD provides students and staff access to various electronic resources including a wide range of educational materials through Internet and computer online services. CISD uses content filtering technology in compliance with CIPA on all school computers with Internet access to protect against unacceptable web content. However, no web filtering technology is 100% safe. CISD realizes this fact and takes every effort to monitor online activity.

**Student Safety**

It is recommended that all correspondence that references students include only their student id. Do not send any message that includes personal information such as: home address, personal phone numbers and/or last name for yourself or any other person. Likewise, the staff is not permitted to post this information to public domains (i.e. class web page or Internet). Student pictures and/or work may be included on district/school/classroom websites without identifying captions unless the site is password protected.

**Extended Safety K- 5**

Teachers of students in grades K-2 will access appropriate websites for their students. Students in grades 3-5 may not attempt to access any Internet resource without the prior consent of the teacher.
**Password Protection**

Internet passwords are provided for each user’s personal use only and are, therefore, confidential. Never share your password, steal or use another person’s password. *Doing so is a direct violation of this AUP.* If you suspect that someone has discovered your password, you should change it immediately and notify your teacher or administrator who in turn will notify the network administrator or the technology director. As words are easily hacked, when establishing a password one should keep in mind that strong passwords consist of a combination of upper and lowercase letters, numbers and symbols.

**Privacy**

E-mail is no more private than a postcard. Students and staff need to know that files stored on school computers are not private. Network and Internet access is provided as a tool for educational purposes only. The District has the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computer network and Internet access including transmitted and received information. All information files are the property of the District and no user shall have any expectation of privacy regarding such files. Federal Law requires that all email sent and received be stored based upon legal requirements and local board policy.

**Online Etiquette**

Follow the guidelines of accepted behaviors within the school handbook. Use appropriate language and graphics. Swearing, vulgarities, suggestive, obscene, belligerent, harassing, threatening or abusive language of any kind is not acceptable. Do not use school online access to make, distribute, or redistribute jokes, stories, cyber bullying, obscene material or material which is based on slurs or stereotypes relating to race, gender, ethnicity, nationality, religion, or sexual orientation.

**Messaging**

Teachers may incorporate: email, blogs, podcasts, video conferencing, online collaborations, PDAs, IMing, texting, Virtual Learning Environments and other forms of direct electronic communications (i.e. cell phones, PDAs, cameras) or Web 2.0 applications for educational purposes. Although teachers monitor student online activity, it is the direct responsibility of the user to comply with this acceptable use policy.

**Blogging/Podcasting**

Uses of blogs, podcasts or other Web 2.0 tools are considered an extension of the classroom. Whether at home or in school, any speech that is considered inappropriate in the classroom is also inappropriate in all uses of blogs, podcasts, or other Web 2.0 tools. Students using blogs, podcasts or other Web 2.0 tools are expected to act safely by keeping ALL personal information out of their posts. Comments made on school related blogs should follow the rules of online etiquette detailed above and will be monitored by school personnel. If inappropriate, they will be deleted. Never link to web sites from a blog without reading the entire article to make sure it is appropriate for a school setting.

**Plagiarism/Copyright/Licensing**

Plagiarism is the act of using someone else’s words or ideas as your own. Students are required to give proper credit to all Internet sources used in academic assignments, whether quoted or summarized. This includes all forms of media on the Internet, such as graphics, movies, music, and text. Plagiarism of Internet resources will be treated in the same manner as any other incidences of plagiarism, as stated in the school handbook. In addition, all students and faculty must adhere to the copyright laws of the
Unites States (P.L. 94-553) and the Congressional Guidelines that delineate it regarding software, authorship, and copying information. All students and faculty should also adhere to the Creative Commons licenses where the author/artist denotes what media may be shared, remixed, or reused.

**Proxies**
The use of anonymous proxies to get around content filtering is strictly prohibited and is a direct violation of this agreement.

**Illegal Activities**
Use of the network for any illegal activities is prohibited. Illegal activities include, but are not limited to: (a) tampering with computer hardware or software, (b) software piracy (c) unauthorized entry into computers and files (hacking), (d) knowledgeable vandalism or destruction of equipment, (e) deletion of computer files belonging to someone other than oneself, (f) uploading or creating of computer viruses, (g) distribution of obscene or pornographic materials, and (h) sexting. Such activity is considered a crime under state and federal law. Users must be aware that any illegal action carried out over the Internet will be reported to law enforcement officials for possible prosecution. Please be advised, it is a federal offense (felony) to break into any security system. Financial and legal consequences of such actions are the responsibility of the user (staff, volunteer, and student) and student’s parent or guardian.

**Personal Devices**
As technology continues to expand into everyday use for instruction and anywhere/anytime learning, it becomes evident that access from personal devices ranging from smart phones and hand held devices to home computers becomes advantageous. To that end CISD will allow connections in the following manner:

1. CISD reserves the right to inspect, at any time, any personally owned device including a cell phone while connected to the CISD wireless network or while being used in class on a separate network.
2. Student use of personally-owned devices in the classroom setting will be managed by the classroom teacher and will follow the individual school guidelines.
3. Connections from home to the secured VDI site will allow students to experience the same or similar desktop environment that they experience in class. Access to this type of environment will only be granted to this browser based desktop. These home based connections are provided as-is with no expectation of support of connections or equipment.
4. Connections to the student based wireless which will route to the browser based desktop. Personal devices must be capable of providing the browser and settings required to view and/or manipulate the desktop and programs. Information will be given on how to connect, but troubleshooting of personal devices is not supported. CISD is not liable for student access to any other network within the classroom (including internet service provided by your phone company).
5. When students are not using their device, they should be turned off and put away in a safe place, such as their locker. Students are encouraged to take their personally-owned devices home every day after school.
6. Students using personally-owned devices that connect to the CISD wireless network should save important items on the district network drive every-day, keeping a backup that they can access from anywhere on the network. It is the student’s responsibility to ensure that work is not lost due to mechanical failure or accidental deletion on their personal device.
7. CISD will not be held liable for any damage that may occur as a result of connecting to the CISD wireless network or any electrical power source.

8. CISD will not be held responsible for any physical damage, loss, or theft of the personally owned device.

9. CISD will not be obligated to supply electrical power access where such access does not already exist.

10. The parents and/or guardians of any student bringing personal technology to school agree to be responsible for and to reimburse CISD for any damage that their student may cause arising out of and relating to the use of the CISD wireless network with his/her personally owned device.

11. CISD will not be held liable for either texting or internet usage charges that occur from the use of a student’s personal device. It is the parent’s responsibility to make sure their child understands the usage options that are available to them, such as the number of texts available, or whether or not a student’s service plan includes Internet.

12. CISD will not be held liable for the content already existing on student owned devices; this would include music/lyrics, movies, pictures, games, etc.

13. Students may not, at any time during the day, text other students, film teachers or students, take pictures, or play games on their personal electronic devices.

Personal electronic devices may only be used for academic purposes during the school day with permission from the teacher; however, personally-owned device use is limited to and conditional upon your full and complete compliance with this Acceptable Use Policy.
INTERNET CONNECTIVITY AND TECHNOLOGY TOOLS
CALALLEN I.S.D. ACCEPTABLE USE POLICY

TERMS OF AGREEMENT

Calallen I.S.D. reserves the right to deny, revoke or suspend specific user privileges and/or to take other disciplinary action, up to and including suspension, expulsion (students), or dismissal (staff) for violations of this policy. CISD will advise appropriate law enforcement agencies of illegal activities conducted through the school's internet connection. CISD also will cooperate fully with local, state, and/or federal officials in any investigation related to any illegal activities conducted through the service. The school district and its representatives are not responsible for the actions of the users or the information they access. CISD will not be held liable or monitor a student's actions when using an internet connection outside of the CISD wireless network. CISD will not be held liable for student texting or Internet usage fees from your cell phone provider.

INTERNET RELEASE FORM

In order for a student to access the Internet, a parent/guardian and the student must sign and return this consent form by the date given by your local campus.

____ I GIVE my permission to CISD (or specific school) to allow my child computer access to the Internet or online services and my child agrees to the usage policy listed herein.

____ I DO NOT GIVE permission to CISD to allow my child computer access to the Internet or online services. Since the school cannot always prevent student access to such services, I have directed my child not to access the Internet or online services.

ELECTRONIC RELEASE FORM

____ I give permission to display my child’s image.

APPENDIX IV: Notice Regarding Directory Information and Parent’s Response Regarding Release of Student Information

State law requires the district to give you the following information:

Certain information about district students is considered directory information and will be released to anyone who follows the procedures for requesting the information unless the parent or guardian objects to the release of the directory information about the student. If you do not want Calallen ISD to disclose directory information from your child’s education records without your prior written consent, you must notify the district in writing within ten school days of your child’s first day of instruction for this school year.

This means that the district must give certain personal information (called “directory information”) about your child to any person who requests it, unless you have told the district in writing not to do so. In addition, you have the right to tell the district that it may, or may not, use certain personal information about your child for specific school-sponsored purposes. The district is providing you this form so you can communicate your wishes about these issues. [See Directory Information on page 13 for more information.]
Notice Regarding Directory Information and Parent’s Response Regarding Release of Student Information

For school-sponsored purposes, Calallen ISD has designated the following information as directory information:

- Student’s name
- Address
- Telephone listing
- E-mail address
- Photograph
- Date and place of birth
- Major field of study
- Degrees, honors, and awards received
- Dates of attendance
- Grade level
- Most recent school previously attended
- Participation in officially recognized activities and sports
- Weight and height, if a member of an athletic team
- Enrollment status

Directory information identified only for limited school-sponsored purposes remains otherwise confidential and will not be released to the public without the consent of the parent or eligible student.

Parent: Please circle one of the choices below:

I, parent of ______________________________ (student’s name), (do give) (do not give) the district permission to use the information in the above list for the specified school-sponsored purposes.

Parent signature ___________________________ Date __________________

Please note that if this form is not returned within the specified timeframe above, the district will assume that permission has been granted for the release of this information.
APPENDIX V: Acknowledgment of Electronic Distribution of Student Handbook

My child and I have been offered the option to receive a paper copy of or to electronically access at www.calallen.org the CISD Elementary Student Handbook and the CISD Student Code of Conduct for 2016-2017.

I have chosen to:

☐ Receive a paper copy of the Student Handbook and the Student Code of Conduct.
☐ Accept responsibility for accessing the Student Handbook and the Student Code of Conduct by visiting the web address listed above.

I understand that the handbook contains information that my child and I may need during the school year and that all students will be held accountable for their behavior and will be subject to the disciplinary consequences outlined in the Student Code of Conduct. If I have any questions regarding this handbook or the Code of Conduct, I should direct those questions to the principal.
