Safety and Security

Due to the safety and confidentiality of our students and staff, parents/visitors are not allowed past the front foyer of Magee. If you are eating breakfast or lunch with your child, parents/visitors are not allowed to leave the cafeteria at any time. Parents/visitors are not allowed in the hallways or any other areas of our school without approval from our office staff. If you need to talk to your child's teacher you must have an appointment and be checked in through the front office.

Thank you for helping keep our students safe!!

Possession and Use of Personal Telecommunications Devices, Including Mobile Telephones and Smart Watches

For safety purposes, the district permits students to possess personal mobile telephones and smart watches; however, these devices must remain turned off during the instructional day, including during all testing, unless they are being used for approved instructional purposes. A student must have approval to possess other telecommunications devices such as netbooks, laptops, tablets, or other portable computers.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

If a student uses a telecommunications device in any way (call or text) without authorization during the school day, the device will be confiscated. The parent may pick up the confiscated telecommunications device from the principal's office for a fee of \$15.
