

The chance to get a yearbook for that special price is gone now,
but don't fret if you forgot.
Your time to buy a yearbook is not over yet,
not even by a long shot!

Yearbooks are still on sale for the price of \$30.00! You don't want to miss out on the chance to capture your child's entire year! This is a book full of memories you and your child will want to look back on!

You also have the chance to make a special dedication. Dedications should be no more than 20 words, and the cost is only \$5.00 per dedication. So, if you are a parent and want to send a special dedication to your child, or if you are a student and want to send a special dedication to a friend, fill out the dedication slip below, and return it into your teacher!
