

Teague St.

****Student Pick-up & Drop-off** - For the safety of your child, all students should be dropped-off and picked-up in the designated area immediately in front of the school and not on the street. Monitors will be directing traffic. This will help expedite safe and efficient dismissal procedures with your cooperation. Please be sure your child's placard is visible to staff when driving up to pick up your child.

Student Drop-off** - Vehicles enter at the North end of drive and exit onto Calallen Dr. or continue down the drive to Teague St. exit.

Student Pick-up** - to relieve traffic in the street, cars should enter the side lot, drive to the end and turn back before entering the front parking lot to pick up students.
