**Goal 1: HHS will ensure students achieve academic growth annually as measured by multiple indicators by providing engaging, rigorous, relevant and technology based instruction while removing barriers to student success.**

**Performance Objective 1:** HHS will prepare students for End of Course, SAT, ACT and AP exams and improve student achievement for all students and all sub-populations as compared to 2015-2016 scores.

**Performance Objective 2:** HHS will provide engaging, relevant and rigorous instruction to all students as measured by TTESS evaluations.

**Performance Objective 3:** HHS will coordinate efforts to provide both in-class and extra-curricular interventions to decrease identified learning gaps in/and between student sub-populations.

**Performance Objective 4:** HHS will initiate a comprehensive Attendance Program that increases overall average student attendance as compared to 2015-2016 data.

**Performance Objective 5:** HHS will create a comprehensive Behavior Management program that increases in-class engagement and reduces out-of-class disciplinary placements as compared to 2015-2016 data.

**Performance Objective 6:** At-Risk: Provide a comprehensive student support system that addresses the academic and behavioral needs of all students through a response to intervention process.

**Goal 2: HHS will increase differentiated learning opportunities that prepare students for the future and inspire them to realize their highest personal and educational potential.**

**Performance Objective 1:** HHS will graduate all students who are college and career ready with satisfactory national assessment results and opportunities for graduation endorsements, work ready industry certifications, relevant work experiences and successful participation in advanced academics.

**Performance Objective 2:** HHS will increase campus capacity to provide differentiated instruction based on student achievement levels, interests and learning styles.

**Performance Objective 3:** HHS will continue to provide a successful career and technical education program that offers real world experiences aligned to industry standards and trends.

**Performance Objective 4:** HHS will provide multiple avenues to increase student exposure to both Workforce and Academic post-secondary opportunities.

**Goal 3: HHS will provide a safe and technologically-rich educational environment that enhances individual student**

## **learning.**

**Performance Objective 1:** HHS will provide a digital learning environment that fosters communication and collaboration among all educational stakeholders.

**Performance Objective 2:** HHS will increase the use of in-class, student-centered technology to foster student engagement, critical thinking, creativity and academic retention.

**Performance Objective 3:** HHS will create a comprehensive Digital Citizenship Program that ensures appropriate and safe "on-line" behavior for all students.

**Performance Objective 4:** HHS will create a comprehensive school safety plan to create a safe and comfortable learning environment for all students, staff and visitors.

## **Goal 4: HHS will increase collaborative communication and meaningful exchanges with students, staff, and the community.**

**Performance Objective 1:** HHS will increase capacity for quality and meaningful 2-way communication with all educational stakeholders.

**Performance Objective 2:** HHS will increase levels of parent and community involvement in the educational process at the campus level.

**Performance Objective 3:** HHS will increase quality and capacity of "intra-staff" communication pertaining to campus/district events, expectations and staff recognitions.
