  - b. Then, read Chapter 1 & 2, while taking notes using the format I have shown you in the attachment. You MUST use a *single-subject* spiral to take notes in.
    - i. (I usually take 3+ front/back notes over each chapter. If you have only 1-2 pages, you're probably not taking detailed notes.)
4. Then, complete the assignment entitled "Book Review"
  - a. Look at the Word document "Book Review" I have attached.
  - b. Then, read the first chapter of each book. Write a 2-3 page book review; detailed instructions are on the word document. Failure to follow these directions will result in a loss of points. This will your first test grade.
5. On the first day of school, bring a paper copy of your paper and your first two chapters of notes to turn in.
6. Optional: watch these two videos to review Chapter 1 & 2 before the quiz:
  - a. <http://tinyurl.com/joczpageant1>
  - b. <http://tinyurl.com/joczpageant2>

\*I am providing you the links for these videos as a *supplementary* resource to the chapter. While they will help you grasp the "big picture" ideas, there WILL be questions that come from the book, but are not included in these videos.\*

\*\*There are several notes websites you can use as a supplementary website. However, if it is found that you have plagiarized these sources for your summer assignment, you will receive a 0 with no opportunity to make it up.

\*\*You will have a quiz over Chapter 1 & 2 of the textbook the FIRST week we start school, so be prepared.
