

CONGRATULATIONS! You have decided to take on the greatest challenge of your academic career. AP World History is a college level course covering "everything that has ever happened ever."

Do not take this challenge lightly.

If you think this class is going to be a breeze... don't take it.

If you do not complete assignments... don't take it.

If you are not dedicated to accruing a wealth of knowledge about the world and its peoples... don't take it.

If you are not up to the challenge... don't take it.

However, if you are willing to work hard and take a fully comprehensive look at World History; you've come to the right place!

During the next school year, we will cover everything that has ever happened in the history of the world. To give us a bit of a head start, your task this summer is to cover the first period of human history.

You can find the information you need to complete this assignment on our Google Classroom page. **There are four parts to the summer assignment** – be sure you read the directions for each part and follow them carefully.

What should you do today?

1. Join the Google Classroom page using the access code fefpj1.
2. Join the WHAP 2017-2018 Remind by texting @whap201720 to 81010.

If you have trouble joining either of these, come see me in room 255 **before the last day of school**. I will not be able to help with technical issues during the summer.

If you have a question about the summer assignment, contact me at ginger.mcclure@redoakisd.org.
