

If you are ready to take a fully comprehensive look at World History, you've come to the right place!

During the next school year, we will cover everything that has ever happened in the history of the world. To give us a bit of a head start, your task this summer is to cover the first period of human history.

You can find the information you need to complete this assignment on our Google Classroom page. **There are three parts to the summer assignment** – be sure you read the directions for each part and follow them carefully.

What should you do today?

1. Join the Google Classroom page using the access code teokq1n.
2. Join the WHAP 2018-2019 Remind by texting @1819whap to 81010.

If you have trouble joining either of these, come see one of us in room 255 or 249 **before the last day of school**. We will not be able to help with technical issues during the summer.

If you have a question about the summer assignment, contact us at ginger.mcclure@redoakisd.org or stephen.johnson@redoakisd.org

We look forward to meeting you in August!

Ginger McClure
