## Costume Design

Emma Carruth recently submitted her works for the U.I.L. Theatrical Design Competition. She competed in the Costume Design portion of the contest. The topic was “Macbeth” and the purpose was to design costumes during a different time period and location than the setting of the original Scottish play. She submitted three costume plates that were set in 1920’s Chicago. The time period she chose mimics the corruption between the struggles for power in the original text with the corruption that took place with gangsters in the 1920’s. We wish her the best of luck in her extensive work and will post results as soon as they are available. Her designs are pictured below.

## Rebel Hall of Fame

Our high school Rebel Hall of Fame students are Hadleigh Keeton and Hadden Collinsworth. Our junior high Rebel Hall of Fame students are Lexi Burkard and Carlito Tobias. These students were voted on by the teachers and staff for going above and beyond to ensure that our school remains a positive environment. These particular students were voted on because they exude excellence both in and outside of the classroom. These students will be able to enjoy a lunch with our superintendent that will be provided by the school. Congratulations!

## Playoff Bound!
