

## Announcements

Monday, October 15- Mrs. Henslik out of the building for a conference.

### Last Week:

Students learned the inverse relationship between addition and subtraction and learned how to subtract 3 digit numbers, with and without regrouping.

### **Math Vocabulary:**

Minuend  
- Subtrahend  
Difference

### This Week

We will continue to work with our addition/subtraction unit. In class this week, we will learn how to subtract 4 digit numbers, with and without regrouping. Students will pay special attention to subtraction problems that require regrouping across zero. Please practice basic subtraction facts at home.

Please make sure to check your child's agenda and red math folder nightly for class news!
