- Thursday, May 30th- early Release and last day of school

Kid's Market Place

The Kid's Market Place is an interactive financial literacy program developed by Virginia Cooperative Extension. At the beginning of the activity, students are randomly assigned a career and salary. They then rotate to different stations and make different lifestyle choices based on their income (i.e. type of car, house, etc). To help make the event a success, additional volunteers are still needed. If you are able to volunteer Tuesday morning between the hours of 8:30 and 11, please contact Jenny Kapsa at: jkapsa@vt.edu.

Thank you for all the beautiful flowers, sweet cards, delicious chocolates and much needed school supplies brought in last week. I have truly enjoyed working with your child this year and will miss them greatly next year! Thank you for all your support at home throughout the year!! Everything your child has accomplished has truly been a team effort. I am so thankful to have worked with such kind and supportive families! If I do not see you before the school year ends, I hope you have a fabulous summer vacation!

Let's make it a great end to the year!

 Mrs. Henslik
