## Week 9

- P.E. will be on Tuesday and Thursday this week.
- Sixth graders will have library this week.

### English- Ms. Seeley

It was nice to have an opportunity to speak with some many parents at conferences this past week. Thank you for coming in.

This week we will continue our work on main idea and supporting details through reading a science feature. In addition, we will read and determine the meaning and tone of a poem.

Our vocabulary skill this week will be using related words to determine meaning.

There will be a weekly skills quiz on Friday.

Homework: Read independently for at least 20 minutes every night.

1 Reader Response and 1 Current Event due Friday.

Feel free to contact me with any questions or concerns:

[eseeley@rappahannockschools.us](mailto:eseeley@rappahannockschools.us)

### History II- Mrs. Wharton

I enjoyed meeting everyone at conferences. Thanks so much for taking time out of your busy schedules to discuss your son/daughter with us.

On Tuesday of this week students will identify the new inventions that contributed to great change and industrial growth in the United States. We will have discussions regarding Thomas Edison, Alexander Graham Bell, Booker T. Washington, and W.E.B. DuBois.

Later in the week, students will begin chapter five, Segregation: The Era of "Jim Crow". We will also continue Interactive note pages on the Progressive Movement and Captains of Industry.

I have decided to break the unit test into two parts. Therefore, will have a test on **USII.4ab** on Thursday, October 11th.

Homework:

Monday-Thursday / Study USII.4ab information  
Friday / None

Please feel free to contact me with questions, concerns or updates at

## Math- Mrs. Jackson

Thank you to all that came out to meet us on conference days. It was nice to share positive comments about your child.

Students will have a unit test on fractions: multiplying, dividing, and solving word problems. **The test is Wed., 10/10/18.** Study from all your notes, practice sheets, homework, and quizzes. **Student collections will be due on 10/11/18.** The students will receive the collection list on Tuesday in class.

Students can be practicing at home on a computer using IXL. They have their login information in their agendas.

I use the teacher weblog to let you know about homework on a daily basis. Look for my name (it may still be in grade 3).

Email if you have questions/concerns at [cjackson@rappahannockschools.us](mailto:cjackson@rappahannockschools.us).

## Science- Ms. Racer

This week we will revisit watershed information after we take our field trip on Monday. There will be a quiz on Thursday and a unit test at the beginning of next week to wrap up our watersheds.

Please do not hesitate to email me if you have any questions.
