Week 36

- P.E. will be on Tuesday and Thursday of this week.

English- Ms. Seeley

This week we will pick back up our work in unit 8. Our focus this week will be on integrating information from text and infographics.

We have also begun our last novel of the year, *Journey to the Center of the Earth*.

We will take our weekly comprehension quiz on Friday.

As with last week, written homework is not required so that students can focus on preparing for the math SOL test.

Feel free to contact me with any questions or concerns:
eseeley@rappahannockschools.us

History II- Mrs. Wharton

This week we will continue our novel, Daniel at the Siege of Boston.

Students have been working on a packet of comprehension questions with a partner. This packet will help prepare them for our test on Daniel and at the Siege of Boston. Also, students will have a vocabulary test on Thursday to show mastery all of the terms from their study guides.

Monday- Wednesday Homework: Study Vocabulary Terms

Please feel free to contact me with questions, concerns or updates.

Math- Mrs. Jackson

We worked on computers to practice with the SOL tools available to us for testing and we did several practice problems. Students should be reviewing SOL 6.13 and 6.4 Monday night in preparation for Tuesday's class. GOOD LUCK on the math SOL Wednesday!!!

The Math 6 SOL test will be on Wed., May 15.

I use the teacher weblog to let you know about homework on a daily basis. Look for my name under 6th grade teachers.

Email if you have questions/concerns at cjackson@rappahannockschoools.us.

Science- Ms. Racer

We are moving into our last unit of study and our last SOL to cover. We will be looking at Space and our Solar System.

Please be looking for a field trip permission slip and be sure and read the entire sheet carefully for information. These are due back by Friday May 17th. There is a limited number of slots so I will only be able to take a handful of chaperones but there are a few spots left.

Please do not hesitate to email me if you have any questions.
