

# 7th Grade Newsletter

## February 12th, 2018

### General Information and Reminders

PE is Monday, Wednesday, and Friday this week.

Tissues, hand sanitizers, etc. are always appreciated this time of year!!

<p><b><u>Reading</u></b></p> <p>- <b><u>Mrs. Ruth</u></b> Students will continue reading <i>Bud, Not Buddy</i> and practicing their reading skills. Students are also working on persuasive writing, and we will begin a project-based persuasive unit on roller coasters! Students should play Quizlet for vocabulary and keep reading independently. <a href="mailto:jruth@rappahannockschools.us">jruth@rappahannockschools.us</a></p> <p>- <b><u>McCabe/ Hummill</u></b> We have are continuing our new class novel, <i>Tangerine</i>, and will continue to practice reading skills throughout the novel. Please encourage your student to read at home for 10-15 minutes every evening! Students now have access to IXL for reading...practice, practice, practice~~!</p> <p>- <b><u>Wolfe</u></b> Homework is reading (20 minutes) and vocabulary work or practice daily. Students should have 2 biographies in class this week to read and take notes. The final review will be a comparison. WordMaster quiz(1-25) is Friday, 2/16. Continue to complete writing assignments for use on the website along with other original works. We still need some Interims returned. <a href="mailto:lwolfe@rappahannockschools.us">lwolfe@rappahannockschools.us</a></p>	<p><b><u>Civics - Mr. Hummill</u></b></p> <p>We are wrapping up our economics vocabulary and will soon begin a project on the types of economies.</p> <p>Please contact me with any questions or concerns. <a href="mailto:mhumill@rappahannockschools.us">mhumill@rappahannockschools.us</a></p>
<p><b><u>Math—Ms. Racer</u></b></p> <p>I have posted the IXL for the week in Google and on my board. This is due on Friday as always.</p> <p>We have started our unit on Surface area and Volume. Ask them to see their Doodle Notes. So far I have had positive results in using them to spice up our math class and foster some creativity.</p> <p>If you have any extra Germ-X or Wipes please send them in. We are trying to stay vigilant and clean our areas on a regular basis to stay well.</p> <p>If you have questions please do not hesitate to contact me at <a href="mailto:tracer@rappahannockschools.us">tracer@rappahannockschools.us</a></p>	<p><b><u>Science—Ms. McCabe</u></b></p> <p>Students will continue to present boards this week.</p> <p>Students interested in applying for Regionals should see me this week. The deadline is February 23rd.</p> <p>We will dive into vertebrates and invertebrates this week as well.</p> <p><b>SCIENCE FAIR</b> is March 1st. Students will present their projects to grades 4-6 and the fair will be open that evening for Parent/Teacher conferences.</p> <p>Please contact me with any questions or concerns. <a href="mailto:emccabe@rappahannockschools.us">emccabe@rappahannockschools.us</a></p>
