

# 7th Grade Newsletter

## February 19th, 2018

### General Information and Reminders

PE is Wednesday and Friday this week.

**Tissues, hand sanitizers, etc. are always appreciated this time of year!!**

#### Reading

- Mrs. Ruth Students will continue reading *Bud, Not Buddy* and practicing their reading skills. Students are also working on persuasive writing, and we will continue a project-based persuasive unit on roller coasters! Students should play Quizlet for vocabulary and keep reading independently.  
[jruth@rappahannockschools.us](mailto:jruth@rappahannockschools.us)

- McCabe/ Hummill We have are continuing our new class novel, *Tangerine*, and will continue to practice reading skills throughout the novel. Please encourage your student to read at home for 10-15 minutes every evening! Students now have access to IXL for reading...practice, practice, practice~~!

- Wolfe HW - reading and vocabulary work/practice daily. Students should have 2 biographies in class this week to read and take notes. The final review will be a comparison. WordMaster quiz(1-50) is Weds, 2/21. Continue to complete writing assignments for use on the website along with other original works.

#### Civics - Mr. Hummill

We are completing a type of economics project in which students must grocery shop in different types of economies. Ask them about it!

Please contact me with any questions or concerns.

#### Math—Ms. Racer

I have posted the IXL for the week in Google and on my board. This is due on Friday as always.

We have started our unit on Surface area and Volume. Ask them to see their Doodle Notes. So far I have had positive results in using them to spice up our math class and foster some creativity.

If you have any extra Germ-X or Wipes please send them in. We are trying to stay vigilant and clean our areas on a regular basis to stay well.

If you have questions please do not hesitate to contact me at [tracer@rappahannockschools.us](mailto:tracer@rappahannockschools.us)

#### Science—Ms. McCabe

There will be an open note quiz on invertebrates this week.

Students interested in applying for Regionals should see me this week. The deadline is February 23rd.

SCIENCE FAIR is March 1st. Students will present their projects to grades 4-6 and the fair will be open that evening for Parent/Teacher conferences.

Please contact me with any questions or concerns.
