

Spend an Evening with the Planets, Stars and Galaxies

Where: Rappahannock County Park

When: Saturday, October 6. Program begins at 7:00 pm with presentations and light refreshments. Viewing starts about 8:00 pm. Event ends when your curiosity has been satisfied.

What: Come observe the major planets, the stars, the Milky Way and other galaxies. Hear presentations full of interesting facts about the planets and galaxies as well as how dark skies are being maintained in the county.

Who: Astronomers with telescopes will show you the planets, Milky Way and other galaxies up close. The whole family is invited! No age limit!

This free public outreach event is sponsored by the Rappahannock League for Environmental Protection in conjunction with the Rappahannock County Recreational Facilities Authority.

Bring Your Telescope and Binoculars!

This event is not sponsored by or affiliated with Rappahannock County Public Schools.
