

Rappahannock County Soccer Association

Registration is open for Spring Soccer 2019!

Early Bird registration runs through February 4th.

Visit www.rappsoccer.com for more information
and registration.

The Rappahannock County Soccer Association (RCSA) provides opportunities for new and experienced girls and boys of all skill levels to play recreational soccer in a fun community environment. All teams are coed and divided by age groups depending on registration numbers. Uniforms are the same for all ages & teams and can be reused each season. Jerseys can only be ordered when you register, then you provide your own black shorts, black soccer socks, and shin guards.

Spring season starts mid-March; games for U8 and up on Saturdays in April and May. Practices are held at RCES 1-2 weeknights a week. Games are in Rappahannock, Madison, and Orange.

RCSA is run completely by parent volunteers; let us know if you want to get involved!

Find us on Facebook at Rappahannock County Soccer Association!
