Rappahannock County Elementary School

Benjamin Temple – Principal

Dawn Phillips – Asst. Principal

Dear Parents,

As many of you may know, we are quickly approaching the Standards of Learning (SOL) tests that will begin in early May. Students in 3rd grade will be administered the SOL tests for reading and math. We have worked diligently to prepare our students with the skills they need to be successful as they move to fourth grade. As an added support, during your child's reading block of instruction additional staff members will be available to provide remediation in literacy skills. In addition, Mrs. Shankle will continue to integrate literacy into the social studies and science content areas. Please look for additional information to come home in Tuesday folders as to how you can help your child prepare for the assessments.

If you have any questions or concerns regarding the additional supports we will be providing our students, please do not hesitate to call me at 540-227-0200.

Sincerely,

Dawn Phillips

Assistant Principal, RCES
