DIGITAL ETHICS- 6:00PM

Keynote Speaker
Joe Showker

Joe Showker is an innovator in the field of digital ethics and internet safety throughout Virginia and the nation. He served on the VA DOE committee to craft the Virginia "Guide to Internet Safety in Virginia Schools" - the nation's first internet safety school curriculum. Recently, he served on the Virginia DOE/CTE Curriculum Development for Cyber Security Instruction. He collaborated with the Institute for Infrastructure and Information Assurance at JMU in developing a Cyber Citizens Guide for Virginia schools. His early 2000s classroom was the southeastern U.S. rollout for the game "Missing," an immersion experience for teaching internet safety. His presentations and training provide insight on Digital Ethics including professional digital ethics, curricular instruction, and social media. He's recently been named to assist the CTE VA state educational program craft guidelines for internet security instruction.

BREAKOUT SESSIONS- 7:00PM

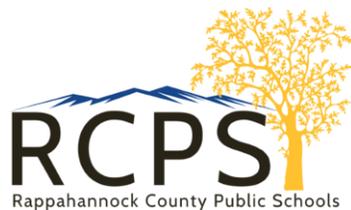

Vaping/ Substance Abuse

With vaping and substance abuse on the rise, it is important to understand both the dangers and consequences that each pose on our youth and our community at large. This informative presentation is crucial for all to hear.

ALICE (Active Shooter) Training

ALICE is an acronym which stands for alert, lockdown, inform, counter, evacuate. Rappahannock County Sheriff's Office will lead this training workshop by educating the participants and taking them through lifesaving scenarios when faced with an active gunman.

**Special parental permission required*

PARENTS: Fun kids' activities will be offered by Commit to Be Fit from 6-8! Come to the summit and let your kids have a blast with C2BF. Open to all children 5th grade and under.
