

# RAPP NATURE CAMP 2019

## "LANDSCAPES"

Now is the time to sign up for Rapp Nature Camp's  
SESSION 2 FOR TEENS! July 1 - 12, 2019

Open to campers age 12 to 16  
9:00 a.m. to 3:00 p.m. Monday - Friday

Join us and become artists and scientists for two weeks at Singing Creek in southern Rappahannock County. This year, campers will explore a variety of landscapes including meadows, forests, gardens, mountain trails, and cliffs overlooking the Hazel River. We will discover and identify the plants and animals that live there, and seek opportunities to improve these landscapes as habitat for all the wild and human inhabitants who share these special places.
