Part II: To be completed by student

I understand that using the White Salmon Valley Schools Network is a privilege and I will follow the "WSVSD Electronic Resources Use Policy (Revised August, 2012)" when using it and other electronic resources at school. I understand that some material contained on the Internet is inappropriate for school and, I will take personal responsibility not to access this material. I recognize that it is impossible for White Salmon Valley Schools to prevent access to all controversial materials, and I will not hold them responsible for materials found or acquired on the network. I also understand that any violation of the regulations in the policy is unethical and may also constitute a criminal offense. Should I commit any violation, my access privileges may be taken away, and appropriate school discipline and/or legal action may also be taken.
