**Principal corner** – One of the hardest parts of being a principal is letting go, even when you know it's best for those who are moving on.

I have 111 incredible 3rd grade students. They are special to me because we started at Whitson together 4 years ago, and It has been a joy and honor to be their principal, and I will miss them terribly.

I have parents and grandparents who have generously given countless hours to our school and have made a tremendous difference. Not only in the education of their children, but all students here at Whitson.

To all of you, I say thank you. Thank you for the positive impact you have made on Whitson Elementary School. Thank you for the impact you have made on me. We will miss you, but are excited for your next adventure.

## Notes from PTO:
