July 17, 2017

Dear Parents of Incoming Sixth Grade Students:

I would again like to extend a very warm welcome to the Williams Bay Middle School. The start of middle school is an exciting and possibly, nervous time for our children. You are probably going through many of the same emotions as your child.

Middle school is a very special time in your child's education and could be argued as the most important years of an adolescent's life. To insure a successful transition to the middle school, we would like to start the year off with an orientation program and ice cream social for incoming sixth grade students and their parents. It is scheduled for Wednesday, August 30th in the Lecture Center at 6:00 p.m. Students and parents will have an opportunity to meet some of their teachers, take a tour of our building and learn about middle school policies and programs as well as enjoying some delicious ice cream. Students will also be able to set up their lockers and practice opening them. The objective of the orientation program is to answer as many questions about life in middle school as possible.

We hope that you can attend as much of the orientation program as possible. Please keep in mind that if you cannot attend the orientation; the door is always open to answer any and all of your questions or concerns.

Registration for middle and high school students will take place on Monday, August 7th from 5:00 until 7:30 pm. We officially start school on September 5th at 7:30 a.m. I hope to see you on Wednesday, August 30th at 6:00 p.m. for the orientation.

Sincerely,

Dr. William White
Middle and High School Principal
