

**Ralph R. Willis Career and Technical Center
School of Practical Nursing
Care Plan**

Students are required to complete the following generic care plans and data sheets. Students are to place the assignments in a care plan notebook. Students are to place the following checklist in a care plan notebook. Students will receive a failing clinical grade if not completed. These are to be completed as assigned and due upon instructor assignment. Each Nursing Diagnosis is to have 3 Interventions with 3 Rationales: Nursing Interventions and Rationales are to be numbered according to prioritization. Additionally, each medical diagnosis will require a data sheet composed of the definition of the disease, etiology, pathophysiology, Signs/symptoms, diagnostic tests, medical &/or surgical treatment, and prognosis to be completed. Please place each Care Plan and Data Sheet in a notebook.

	Medical Diagnosis	Date Completed	Instructor Initials
	1. Coronary Artery Disease		
	2. Chronic Obstructive Pulmonary Disease		
	3. Diabetes Mellitus		
	4. Hypertension		
	5. Pressure Ulcer		
	6. Rheumatoid Arthritis		
	7. Osteoporosis		
	8. Peripheral Vascular Disease		
	9. Dementia		
	10. Glaucoma		
	11. Tuberculosis		
	12. Stroke		

	Medical Diagnosis	Date Completed	Instructor Initials
	1. Pneumonia		
	2. Asthma		
	3. Myocardial Infarction		
	4. Hemorrhage		
	5. Heart Failure		
	6. Cardiac Arrhythmias		
	7. Anemia		
	8. Chronic Pain		
	9. Gallbladder Disease		
	10. Sepsis		

	Medical Diagnosis	Date Completed	Instructor Initials
	1. Cushing's Syndrome		
	2. Crohn's Disease		
	3. Diverticulitis		
	4. Gestational Diabetes		
	5. Meningitis		
	6. Burns		
	7. Viral Hepatitis		
	8. Urinary Tract Infection		
	9. Chronic Renal Failure		
	10. Head Injury
