OCTOBER 26, 2018

U.S. PRESIDENTIAL SCHOLAR

PLEASE Nominate a Student

U.S. Presidential Scholar Form - CTE

The WVDE will use the following *general principles* and *specific standards* to develop a pool of U.S. Presidential Scholars in Career and Technical Education (CTE) nominees.

General Guiding Principles:

- **Academic Rigor** – students will demonstrate high proficiency on their State’s academic standards, based in part on their high achievement reflected on their State’s academic assessments in the core academic subjects.
- **Technical Competence** – students will demonstrate mastery of technical skills demanded by industry.
- **Employability Skills** – students will demonstrate such professional skills as teamwork, decision-making, problem-solving, and attendance.
- **Ingenuity and creativity** – students will have solved a real-world problem through the application of technical skills they developed in their career area.

Application pool – students will represent the multiple sectors that are viewed as the pillars of our nation’s economic growth (i.e., the five sectors identified in President’s Blueprint: Healthcare, IT, Advanced Manufacturing, STEM, and Transportation), as well as the socioeconomic characteristics of our nation’s high school graduates.

2019 U.S. Presidential Scholar CTE Nominee Form

Each county may submit one student for excellence in career technical education. The form must be completed by an administrator/teacher or team of administrators/teachers who know the student.

1. How has the student demonstrated **academic excellence**?

2018 TOURS

A special thank you to all RRWCTC instructors and students for taking time out for the 8th & 10th grade tours that have been taking place over the past two months.

Your student leaders did a great job presenting to each of the groups of 8th and 10th grade students as they came around to your program areas. Their skills in presenting the courses offered at RRWCTC will help to recruit new students to your programs.

**You and your
students are greatly
appreciated.**

2. How has the student demonstrated **technical competence**
3. How has the student demonstrated **employability skills**
4. How has the student demonstrated **Ingenuity/Creativity/Problem Solving**
5. Other Outstanding Attributes or Exemplars for this student.
