

# CAREER AND TECHNICAL EDUCATION IN LOGAN COUNTY

## RRWC&TC

### SIMULATED WORKPLACE

#### Model Worksite Programs

Ralph R. Willis Career and Technical Center has the honor of having three of their programs meet the highest standards to become a Model Simulated Workplace Program. Top honors go to **Becky Keahley**, Computer Systems Repair Program; **Eddie Kirkendoll**, Electrical Technician Program; and **Cliff Motes**, Automotive Repair Technology.

These three programs demonstrate the ultimate level necessary to be classified as a model program for the West Virginia.

Simulated Workplace has 12 Protocols by which it operates.

- I. Student Led Companies
- II. Applications/Interview Structure
- III. Formal Attendance System
- IV. Drug Free Work Zone
- V. 6's Environment
- VI. Safe Work Areas
- VII. Workplace Teams
- VIII. Project Based Learning / Student Engagement
- IX. Company Name and Handbook
- X. Company Meetings
- XI. Onsite Business Reviews
- XII. Accountability

The Simulated Workplace program creates high-quality business and industry learning environments that empowers nearly 24,000 students to take ownership of their education and future career success. The Office of Governor’s Economic Initiatives oversees and supports training opportunities and on-site reviews for our 1,200 Simulated Workplace companies across the state.

Simulated Workplace has not only enhanced instructional delivery of career education, but has created a more engaged career and technical student. The simulated workplace environment permits students the opportunity to take ownership of their individual performance as it impacts the overall success of their education, while thriving in an authentic workplace culture. Simulated Workplace also encourages local business and industry experts to join onsite review teams to assist schools in meeting their workforce needs and expectations.
