

WHAT IS A LENTEN DAY OF SERVICE?

Lent: A time for Prayer, Fasting, Alms-Giving; a time for giving up something as a penance; a time to do something as a penance. Even though there are 47 days from Ash Wednesday to Easter Sunday, the Sundays are not counted into Lent. Thus 40 days of Lent.

What is a Lenten Day of Service?

One day, to come together to Serve the Lord through Fellowship and through Service.

Through Fellowship: You might meet someone new in the parish, that person or persons you've seen at Mass and just have not met them as yet; learn their name, who they are, where they work, etc. You might find you have something in common.

Through Service: Volunteer your Talent, your Time and your Commitment to your parish. Keep our Parish growing.

Once again, Phillip Troha will direct this St. Patrick's Parish event for all of our Parishioners, on March 27, 2010.

Opportunities to tidy up and improve our Parish are being accumulated for Team tasks.

Dusting, cleaning, minor repairs throughout the Church and throughout the FLC.

Also, there will be some cleanup on the Grounds.

Easter Sunday will be here soon, as well as Springfest (the first Sunday of May) and we would hope for visitors to see our parish inviting.

There are **SIGN UP SHEETS** in the St. Joseph Hall.

If you were a Captain/Co-Captain of a Team last year, please consider returning as such.

The day will begin with 8 a.m. refreshments, an Opening Prayer and Team dispersements by 8:30 a.m.

Water will be available throughout the day. Rest breaks as you see fit.

Lunch will be furnished. We can finish the day with 4 p.m. Mass.

If you finish an area you were assigned, and there is still time to serve, please find Phillip so you may be directed to another area, to help others finish.
