2019

Daddy Day Care is back! Friday, November 8, 2019 (an early release day), the dads/father figures of A. W. Brown scholars will teach and supervise a class, assist with breakfast and lunch monitoring in the cafeteria, have fun at recess, and help at dismissal with our curbside service. Dads/father figures will teach the objectives set aside for the day and implement classroom management skills. This is an event your son/daughter will never forget! **Grandfathers, uncles, big brothers, pastors, coaches, and mentors are welcomed that day as well.** Our goal this year is to have over 1,000 fathers/father figures in attendance.

If you are able to participate in this exciting event, **please complete the form below and volunteer background check on the reverse side.** The form should be sealed and returned in the attached envelope by Thursday, October 31, 2019.

Note: New times for Daddy Day Care – 7:50AM–11:50AM. There will be no afternoon session as this day is an Early Release Day.

Note: Please be advised that all volunteers must have a background check to participate.
