

6th Grade Weekly Newsletter

Dear Parents/Guardians,
We are entering into our 2nd Six Weeks on a mission and with a purpose! As we prepare for our Parent Conferences October 4, we invite you to come and meet with the teachers as well inquiring about ways you can help your students at home. During Fall Break, encourage your scholar to keep their mind engaged. Have them to read a book for 30 minutes a day or solve math problems.

Sincerely,
The Sixth Grade Team
