

ALBUQUERQUE TALENT DEVELOPMENT

Academy

July 11, 2018

Dear Student, Parents, and Guardians,

On behalf of the faculty and staff of Albuquerque Talent Development Academy (ATDA). I would like to welcome students and their parents to the new school year. We're most confident that you and your student will find ATDA to be a school environment in which he/she will grow in academic skills and will have the opportunity to participate in activities that comprehensive high schools provide, while maintaining the personalized care and attention of a private school. As a fully North Central Accreditation accredited school, ATDA strives to provide your student with a nurturing yet appropriately challenging program. ATDA will work with you to design an academic program that is personalized to meet his/her needs, while also giving your student the opportunity to reach for higher education dual-credit classes.

Our first day of school is Wednesday, August 8, 2017. Please note that classes begin at 8:30 am and end at 4:15 pm. Our registration by grade level starts on **Monday, July 30th, 8:00 am to 12:00 pm.** If you wish to come in earlier than those dates, we may be able to also accommodate you and your child on the **week of July 23rd.** For all students new to ATDA, we request that **you bring a copy of your birth certificate, immunization records, latest official/unofficial transcripts (first-time 9th graders do not need a transcript), and if applicable, the IEP and re-evaluation forms.** All returning students need only to bring immunization records even if they have been provided in previous years (see attached flyer). A parent/legal guardian must accompany their child during registration.

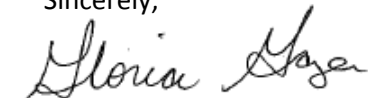

During registration:

- Students must be in dress code on registration day so they can take a photo for their Student ID which will be given to them at a later date
- All students and parents are expected to meet with our Counselor, Mrs. Yokoyama, in order to discuss and sign their student's "Next Step" forms (This is a graduation requirement)
- Parents may also sign up at this time for a "Powerschool" account in order to view their student's grades during the school year
- FYI—ATDA is a Title I school and all students receive free breakfast and lunch meals.

Your student will be participating in our proud tradition of academic excellence and highly technological instruction to assist them in becoming the leaders of the future. We know that with your assistance and participation in our school's active Parent Advisory Council, ATDA will continue to chart your child's path to success. This promises to be another productive year of growth at ATDA, and with your help, I'm sure this year will be one of the school's very best. If you have any questions or requests regarding the information herein, please contact us at (505) 503-2465.

Once again, I welcome you and your child to Albuquerque Talent Development Academy.

Sincerely,

Gloria Garza, Principal
