SYSTEM VISION, MISSION AND BELIEFS

1.10

Mission Statement

The mission of the Alexander City Board of Education is to provide a learning environment where **ALL** excel – students, faculty, parents and the community.

Vision Statement

The vision of the Alexander City Board of Education is to become a center of educational excellence at the state, regional and national levels.

Beliefs

- Every individual is entitled to a quality education in a safe and pleasant environment.
- All students are capable of learning.
- All individuals should be treated with fairness and compassion which fosters self-worth.
- The education process is one of continuous improvement.
- Every student deserves the opportunity to be successful.
- Our total school environment promotes positive self-images and self respect within each individual.
- All children should be educated to their fullest potential.
- Schools are partners with parents and the community.
- School system planning is a responsibility of the central office, schools, parents and the community.
- All resources should be used for education purposes which benefit students.
