### STUDENT CONDUCT AND SUPERVISION

### 5.30

All students enrolled in the Alexander City School System shall be subject to federal and state laws, regulations of the State Board of Education, the rules and policies of the Alexander City Board of Education and the Code of Conduct, and shall be under the control and direction of the principal or designee during the time they are transported to or from school at public expense, during the time they are attending school or a school-sponsored activity, and during the time they are on Alexander City Board of Education premises for school attendance and authorized activities.

1. The principal or the principal's designated representative shall ensure that students are properly supervised while at school and during any school-sponsored activity.
  
1. The teacher, other members of the instructional staff, bus driver, or other assigned supervisory staff shall assume such for the control and supervision of students as may be assigned by the principal or the principal's designated representative and shall keep good order in the classroom or other places where in charge of students.
  
1. The Alexander City Board of Education's authority and responsibility do not extend to students while they are being transported by private vehicles not affiliated with a school-sponsored activity or on school property.
  
1. The Code of Conduct and any revisions shall be approved and adopted by the Alexander City Board of Education. The Code of Conduct shall:
  1. Be developed with input from Alexander City Board of Education members, appropriate grade level teachers, school personnel, school administrators, students, and parents.

1. State grounds for disciplinary action procedures and the rights of students.
  
1. Be distributed to all Alexander City School System teachers, school personnel, students, and students' parent(s)/legal guardian(s) at the beginning of each school year or upon enrollment.
  
1. Be filed in the Superintendent's office and in the office of the school principal.
  
1. The Code of Conduct shall be discussed with students, parents and teachers at the beginning of each year. Students who enroll after the beginning of the school year shall be given an orientation to the Code of Conduct upon enrollment.
  
1. The principal shall use the Code of Conduct to familiarize students with Alexander City Board of Education rules relating to students' rights, responsibilities, and conduct at the beginning of each school year and whenever he or she deems it necessary.
