Supervision of Construction

SUPERVISION OF CONSTRUCTION

8.51

1. The Superintendent or designee shall provide to the Alexander City Board of Education a review of the architect's activities in his/her supervision of any building construction. This review shall include adequacy of field inspection of the contractor's operations, administrative activities of the architect relating to construction, and any other matters relating to the interest of the school system. The Superintendent or designee shall make periodic reports certifying that the work of the construction contractor and the architect are being performed in accordance with plans, specifications and contracts.

1. Upon completion of the building construction and a final inspection of all its aspects by the architect, contractors, and school officials, a recommendation for its acceptance will be made to the Alexander City Board of Education by the Superintendent.
