

THE CHILD NUTRITION PROGRAM

Information on the Child Nutrition Program will be distributed to all students on or before August 7th. Lunch will be served to students beginning on August 7th. Free and reduced price meals will be available for qualifying students in accordance with the policy adopted by the Board of Education and regulations of the U.S. Department of Agriculture. Cashiers will be using computers to maintain lunch accounts which will enable them to accept payment by the day, week, month or term. Parents may select the method of payment which best suits their needs. In addition, parents may now utilize the My School Bucks program at www.myschoolbucks.com. This program will allow parents to view purchases in the school lunchrooms as well as add funds to lunch accounts electronically.
