Additional School Uniform Policy

Dress Down Days: Dress down day attire should be neat and modest. T-Shirts with inappropriate or suggestive slogans or wording are not permitted. Shirts must have sleeves. Midriff and spaghetti strap tops are not permitted. Low riding jeans, jeans with holes, skin tight pants or shorts, pajama bottoms, or short shorts are not permitted. For safety, flip flops or slippers are not permitted. Inappropriate dress will restrict the student from dressing down on the next designated day. Parents will be called to bring appropriate attire.

A special "theme" may be part of a Dress Down Day, for example Eagles or Phillies Day. This allows student to wear tops that fit the theme of the Dress Down Day.

It is not possible to address every aspect of what is appropriate or inappropriate for school dress. All uniform regulations and guidelines are subject to the discretion of the principal and assistant principal in consultation with the faculty.

Good Rule: If you think you shouldn't wear it, you shouldn't.
