## TITLE I SCHOOL-PARENT COMPACT

The Alloway Township School envisions the highest level of success for every individual. As such, the district makes the commitment to motivate, to challenge, and to inspire our students to do their very best. The Alloway Township School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the States' high standards.

Because your son/daughter has been recommended to receive additional support through Response to Intervention (RTI) and/or Basic Skills (BSI) you are asked to read this agreement.
