

2014-2015 School Year

**Bulletin: StayALERT School Safety Program**

Dear Parent/Guardian,

As we start off the new school year we would like to remind you that our District participates in the StayALERT School Safety Program. This program allows you, our students and staff a confidential mode to report safety concerns.

### **What is StayALERT?**

StayALERT is a reporting program for unsafe behaviors, suspicious activities, bullying, acts of violence, harassment, and any other school safety concerns. Users may *confidentially* report concerns 24/7/365 via any of four reporting modes:

- ✓ Text or Call: 1-206-406-6485
- ✓ Report Online: [www.stayalert.info](http://www.stayalert.info)
- ✓ E-mail: [report@stayalert.info](mailto:report@stayalert.info)

Once the report is received by StayALERT, it is transcribed and communicated verbatim to a pre-designated school official for follow-up. StayALERT is **NOT** a substitute for reporting an emergency. Please direct emergency calls to 911 or your local police, fire or EMS.

*Cut out the card below and keep for reference:*
