Los estudiantes deben llegar a la escuela de 8:00 a.m.

Everyone should be in their classroom **no later than 8:00 A.M.**

For security all students should be in class when the day begins. Staff members are taken off schedule to escort students when they are tardy. Teachers have to stop and reteach lesson when students arrive late. APA has to be accountable to meet state attendance requirements. Every three (3) tardies equals one (1) unexcused absence.

Requests for Early Dismissal:

APA dismissal begins at 4:30 P.M. Monday - Thursday, and 12:30 P.M. on Friday. At the end of the day students receive instruction, get homework assignments, and pack materials to go home. When students are picked up early it takes staff members off schedule to stop and gather materials for one student. Doctor/Dentist appointments should be scheduled on Friday afternoons if possible. If not, please notify APA in advance so that student may be prepared to be dismissed.
