## 2018-2019 ROOM PARENT VOLUNTEER FORM

Dear Parent/Guardian:

This form is used to indicate your interest in being the Room Parent in your child's class. Every classroom and teacher is different, but a Room Parent's main task is to organize other parent volunteers. Class parties, field trips, take home projects, teacher gifts, etc. all requires parental involvement. A Room Parent facilitates all these events and acts as the main communicator between the teacher and other parents.

This program is a great bridge between home and school. You have the opportunity to develop a good relationship with your child's teacher; and learn the parents' and students' names quickly, and for them to learn yours!

In order to save on costs and be environmentally friendly, all communications will now be electronic. A valid email address is necessary in order to be a Room Parent. Please return this form to your child's teacher without an envelope **BY THE END OF THE FIRST FULL WEEK OF SCHOOL.**

List every child you want to Room Parent for in order of preference:

Child's Name	Child's Teacher	Grade	Room Parent before?	What year?
1			Y / N	
2			Y / N	
3			Y / N	

\*Note: Although we try to find a Room Parent who has not done it before, it is possible to repeat being a room parent if all volunteers are previous room parents. If you were a room parent for one child last year, you may volunteer for another child this year. Additionally, if you volunteer but are not chosen, you will still have the opportunity to participate in the classroom when contacted by the Room Parent.
